G. OLD BUSINESS

There were no Old Business items to come before the Board.

H. NEW BUSINESS

1. Consider Second Supplement to Engineer's Report

Mr. Van Buskirk presented the report and noted that the CDD would only be funding the residential areas, not the commercial areas in the District. Some infrastructure benefits and serves only the residential lands and some infrastructure has a shared benefit for the commercial and residential.

This second supplement does not add any additional costs or infrastructure to the project, but instead is intended to set forth the portion of the project to be funded by the District's issuance of the Series 2023 bonds. There are two distinct areas in the District defined as Residential and Mixed-Use lands. The Engineer's Report provides a total cost of infrastructure to be \$23,683,595 with \$20,387,418 associated with the residential lands consisting of 272 villa homes and 228 single family homes and \$3,296,177 associated with mixed use land costs.

A **motion** was made by Mr. Landers, seconded by Mr. Blucher, and passed unanimously approving the Second Supplemental to the Engineer's Report, as presented.

2. Consider Preliminary Form of Supplemental Assessment Methodology

Mr. Karmeris presented the Supplemental Assessment Methodology Report. He noted that there are costs provided in the report that provide a total cost of infrastructure to be \$23,683,595. Bond sizing in the amount of \$8,360,000. A developer contribution in lieu of assessment credit to achieve target assessments in the amount of \$525,691.

A **motion** was made by Mr. Landers, seconded by Mr. Blucher, and passed unanimously approving the Preliminary Form of Supplemental Assessment Methodology, in substantial form, for the purpose of including this report in the offering document. A final document will be approved once the final bond terms are provided.

3. Consider Form of Completion Agreement

Mr. Eckert presented the form of Completion Agreement between the District and the Developer, which explained that once bond funds are used, the developer will be responsible to complete and fund any additional public infrastructure in the 2023 Project.

A **motion** was made by Mr. Landers, seconded by Mr. Blucher, and passed unanimously approving the Completion Agreement, in substantial form with the understanding that there will be updates once the actual terms of the bond are known.

4. Consider Form of Acquisition Agreement

The developer has already begun to construct infrastructure and the District will eventually acquire that completed infrastructure. Once the infrastructure has been completed and presented to the District, this agreement provides the framework of how these improvements will be funded, accepted and conveyed to the District.

A **motion** was made by Mr. Landers, seconded by Mr. Blucher, and passed unanimously approving the Acquisition Agreement, in substantial form with the understanding that there will be updates once the actual terms of the bond are known.

5. Consider Form of True-Up Agreement

There are 272 villa homes and 228 single-family homes, which have been assigned an Equivalent Assessable Unit. A single-family home is assigned 1 EAU, and the villa homes are assigned .636 EAUs. If the developer constructs less than the specific number and type of units stated, the developer will be responsible to provide a “true up” payment to ensure that there is enough money to pay the bond holder.

A **motion** was made by Mr. Landers, seconded by Mr. Blucher, and passed unanimously approving the True-Up Agreement, in substantial form with the understanding that there will be updates once the actual terms of the bond are known.

6. Consider Form of Collateral Assignment Agreement

This agreement provides that in the event the developer does not pay assessments and the property goes into foreclosure, the District can get the development rights to develop the property.

A **motion** was made by Mr. Landers, seconded by Mr. Hunter, and passed unanimously approving the Collateral Assignment Agreement, in substantial form.

7. Consider Form of Declaration of Consent to Jurisdiction

This document provides that the developer does not object to the assessment process and proceedings followed for the bond issuance.

A **motion** was made by Mr. Landers, seconded by Mr. Blucher, and passed unanimously approving the Declaration of Consent to Jurisdiction, in substantial form.

8. Consider Form of Notice of Assessments

Once bonds are sold and closed, the Notice of Assessments will be recorded in the Official records of Sarasota County, which will indicate to a prospective buyer that the District has levied assessments on the Residential Lands to secure bonds and any person needing information needed for bond payoff or annual amounts should contact Special District Services, Inc.

A **motion** was made by Mr. Landers, seconded by Mr. Hunter, and passed unanimously approving the Notice of Assessments, in substantial form.

9. Consider Tri-Party Subordination Agreement

This agreement, required by the bond holders, provides that a mortgagee acknowledges that the Special Assessments will impose a statutory lien on the Property, superior to the lien of the Mortgage. The Mortgagee agrees that it will not assert against the District, the Trustee, or the holders of the Series 2023 Bonds, that the lien or payment of the Special Assessments will violate any provision of the Mortgage, or any other agreement made by the Landowner with or for the benefit of Mortgagee, in connection with the Mortgage or any indebtedness secured thereby. The Mortgagee further agrees that it will not in any

way contest the legality or the validity of the Special Assessments or contest or challenge the future levy or imposition of the Special Assessments or any of the proceedings to be conducted in connection therewith.

The agreement also provides, among other things, that if the Mortgagee becomes the fee simple owner of any portion of the Property, whether by judicial foreclosure, private foreclosure, deed-in-lieu of foreclosure or otherwise, the Mortgagee recognizes that its title to such portion of the Property will be subject to all unpaid Special Assessments that encumber the Property.

A **motion** was made by Mr. Landers, seconded by Mr. Blucher, and passed unanimously approving the Tri-Party Subordination Agreement, in substantial form.

10. Consider Resolution No. 2023-02 – Delegation Award Resolution

These payments are made by Developer in lieu of taxes, fees, or assessments which might otherwise be levied or imposed by the District.

3. **CONTINUING LIEN**. District shall have the right to file a continuing lien upon the Property described in **Exhibit A** for all payments due and owing under the terms of this Agreement and for interest thereon, and for reasonable attorney's fees, paralegal fees, expenses, and court costs, incurred by the District incident to the collection of funds under this Agreement or for enforcement of this lien, and all sums advanced and paid by the District for taxes and payment on account of superior interests, liens and encumbrances in order to preserve and protect the District's lien. The lien shall be effective as of the date and time of the recording of a "Notice of Lien for Fiscal Year 2023/2024 Budget" in the public records of Sarasota County, Florida ("County"), stating among other things, the description of the real property and the amount due as of the recording of the Notice, and the existence of this Agreement. The District Manager, in its sole discretion, is hereby authorized by the District to file the Notice of Lien for Fiscal Year 2023/2024 Budget on behalf of the District, without the need of further Board action authorizing or directing such filing. At the District Manager's direction, the District may also bring an action at law against the record title holder to the Property to pay the amount due under this Agreement or may foreclose the lien against the Property in any manner authorized by law. The District may partially release any filed lien for portions of the Property subject to a plat if and when the Developer has demonstrated, in the District's sole discretion, such release will not materially impair the ability of the District to enforce the collection of funds hereunder. In the event the

Developer sells any of the Property described in **Exhibit A** after the execution of this Agreement, the Developer's rights and obligations under this Agreement shall remain the same, provided however that the District shall only have the right to file a lien upon the remaining Property owned by the Developer.

4. ALTERNATIVE COLLECTION METHODS. This Section provides for alternative methods of collection. In the event Developer fails to make payments due to the District pursuant to this Agreement, and the District first provides the Developer with written notice of the delinquency to the address identified in this Agreement and such delinquency is not cured within five (5) business days of the notice, then the District shall have the following remedies:

a. In the alternative or in addition to the collection method set forth in Section 3 above, the District may enforce the collection of funds due under this Agreement by action against the Developer in the appropriate judicial forum in and for the County. The enforcement of the collection of funds in this manner shall be in the sole discretion of the District Manager on behalf of the District. In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the Parties agree that the substantially prevailing party shall be entitled to recover from the other all costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

b. The District hereby finds that the activities, operations and services set forth in **Exhibit B** provide a special and peculiar benefit to the Property, which benefit is initially allocated on an equal developable acreage basis. The Developer agrees that the activities, operations and services set forth in **Exhibit B** provide a special and peculiar benefit to the Property equal to or in excess of the costs set forth in **Exhibit B**, on an equal developable acreage basis. Therefore, in the alternative, or in addition to the other methods of collection set forth in this Agreement, the District, in its sole discretion, may choose to levy and certify amounts due hereunder as a non-ad valorem assessment on all or any part of the Property for collection, either through the Uniform Method of Collection set forth in Chapter 197 or under any method of direct bill and collection authorized by Florida law. Such assessment, if imposed, may be certified on the next available tax roll of the County property appraiser. Developer hereby waives and/or relinquishes any rights it may have to challenge, object to or otherwise fail to pay such assessments if imposed, as well as the means of collection thereof.

5. AGREEMENT; AMENDMENTS. This instrument shall constitute the final and complete expression of the agreement between the Parties relating to the subject matter of this Agreement. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both of the Parties hereto.

6. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of all Parties hereto, each party has complied with all the requirements of law, and each party has full power and authority to comply with the terms and provisions of this instrument.

7. **ASSIGNMENT.** Neither the District nor the Developer may assign this Agreement or any monies to become due hereunder without the prior written approval of the other, which consent shall not be unreasonably withheld, conditioned or delayed.

8. **DEFAULT.** A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which shall include, but not be limited to, the right of damages, injunctive relief and specific performance and specifically including the ability of the District to enforce any and all payment obligations under this Agreement in the manner described herein in Paragraphs 2 and 4 above.

9. **THIRD PARTY RIGHTS; TRANSFER OF PROPERTY.** This Agreement is solely for the benefit of the formal Parties herein and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any third party not a formal party hereto. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the Parties hereto any right, remedy or claim under or by reason of this Agreement or any provisions or conditions hereof; and all of the provisions, representations, covenants and conditions herein contained shall inure to the sole benefit of and shall be binding upon the Parties hereto and their respective representatives, successors and assigns. In the event the Developer sells or otherwise disposes of its business or of all or substantially all of its assets relating to improvements, work product, or lands within the District, the Developer shall continue to be bound by the terms of this Agreement and additionally shall expressly require that the purchaser agree to be bound by the terms of this Agreement. The Developer shall give ninety (90) days prior written notice to the District under this Agreement of any such sale or disposition.

10. **CONTROLLING LAW.** This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. The Parties consent to and agree that the exclusive venue for any litigation arising out of or related to this Agreement shall be in a court of appropriate jurisdiction in and for Sarasota County, Florida.

11. **ARM'S LENGTH TRANSACTION.** This Agreement has been negotiated fully between the Parties as an arm's length transaction. The Parties participated fully in the preparation of this Agreement with the assistance of their respective counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, the Parties are each deemed to have drafted, chosen and selected the language, and the doubtful language will not be interpreted or construed against any party.

12. **PUBLIC RECORDS.** The Developer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records, and, accordingly, the Developer agrees to comply with all applicable provisions of Florida law in handling such records, including but not limited to section 119.0701, *Florida Statutes*. The Developer acknowledges that the designated public records custodian for the District is William Crosley ("Public Records Custodian"). Among other requirements and to the extent applicable by law, the Developer shall 1) keep and maintain public records required by the District to perform the service; 2) upon request by the Public Records Custodian, provide the District with the requested public records or allow the records to be inspected or copied within a reasonable time period at a cost that does not exceed the cost provided in Chapter 119, *Florida Statutes*; 3) ensure that public records which are exempt or confidential, and exempt from public records disclosure requirements, are not disclosed except as authorized by law for the duration of the

contract term and following the contract term if the Developer does not transfer the records to the Public Records Custodian of the District; and 4) upon completion of the contract, transfer to the District, at no cost, all public records in Developer's possession or, alternatively, keep, maintain and meet all applicable requirements for retaining public records pursuant to Florida laws. When such public records are transferred by the Developer, the Developer shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the District in a format that is compatible with Microsoft Word or Adobe PDF formats.

WEST VILLAGES PARKWAY, #A4, VENICE, FLORIDA 34293.

13. EFFECTIVE DATE. This Agreement shall be effective after execution by both Parties hereto. The enforcement provisions of this Agreement shall survive its termination, until all payments due under this Agreement are paid in full.

14. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be an original; however, all such counterparts together shall constitute, but one and the same instrument.
