RE: *Third Supplement to Engineer’s Report dated March 18, 2024*
Project Name: Central Parc Community Development District

- I. Third Supplement.** This document is a supplement (“Third Supplement”) to the Engineer’s Report prepared by Kimley Horn dated March 20, 2020 (“Master Engineer’s Report”), as supplemented by the Supplement to the Engineer’s Report dated April 28, 2020 (“First Supplement,” together with the Master Engineer’s Report and the Second Supplement, the “2023 Engineer’s Report.”) The Master Engineer’s Report and the First Supplement identify the infrastructure intended to be funded in part by the Central Parc Community Development District (“Project”). This Third Supplement does not add any additional infrastructure to the Project but does adjust Project Cost based on price escalation for informational purposes only. It is also intended to update the status of certain permits.
- II. Two Areas.** It should be reiterated that there are two distinct areas within the District and that the Project costs have been allocated between the two areas of the District. The First Supplement defined the two areas as “Residential Lands” and “Mixed-Use Lands.” Table 1 in the First Supplement, reproduced below, identifies the Project costs and the allocation of those costs to each area.

Infrastructure	Project Cost	Residential Lands Cost	Mixed-Use Land Cost	Allocation Method
Clearing, Grubbing, and Earthwork	\$ 1,075,750.00	\$ 833,060.80	\$ 242,689.20	% Land Area

Off-Site Master Improvements	\$ 149,000.00	\$ 79,938.50	\$ 69,061.50	% Peak Hour Trip
Hardscape/Landscape/Irrigation	\$ 7,659,325.00	\$ 5,931,381.28	\$ 1,727,943.72	% Land Area
Environmental Conservation/Mitigation	\$ 3,904,250.00	\$ 3,023,451.20	\$ 880,798.80	% Land Area
Miscellaneous	\$ 185,750.00	\$ 143,844.80	\$ 41,905.20	% Land Area
Professional Services	\$ 2,006,250.00	\$ 1,553,640.00	\$ 452,610.00	% Land Area
TOTAL	\$ 42,826,154.00	\$ 31,274,803.0724	\$ 11,551,350.93	
Contingency (10%)	\$ 4,282,615.00	\$ 3,127,480.00	\$ 1,155,135.00

- III. Series 2024 Bonds.** The District anticipates issuing bonds in 2024 for the costs allocable to only the Residential Lands. The current development plan for the Residential Lands includes 500 residential lots consisting of 272 villa homes and 228 single family homes. The total adjusted construction and related costs from the

Engineer’s Report allocable to the Residential Lands is \$34,402,283.07. The Series 2024 Bonds are anticipated to fund a portion of this \$34,402,283.07. The remainder of costs not funded by the Series 2024 Bonds shall be funded by the Developer through a Completion Agreement. The Series 2024 Bonds will not fund the costs allocable to the Mixed-Use Lands. The costs allocable to the Mixed-Use Lands is anticipated to be funded by a future series of bonds or Developer contributions of infrastructure in lieu of assessments.

- IV. **Funding of Costs with a Shared Benefit.** Because there are some items of Project infrastructure which benefit both the Residential Lands and the Mixed-Use Lands (“Shared Benefit Infrastructure”), a proration of benefited costs was performed between the two areas and underlies the Engineer’s Report. To ensure the Series 2024 Bonds are only funding the costs allocable to the Residential Lands, the acquisition of Shared Benefit Infrastructure will occur in connection with the Series 2024 Bonds, with a contingent obligation of the District to fund the remaining costs of the Shared Benefit Infrastructure allocable to the Mixed-Use Lands at the time of a future bond issuance, if any. This approach ensures the District will acquire title to the infrastructure when needed and preserves the ability to fully fund the costs associated with the Mixed-Use Lands if the District elects to issue bonds subsequent to the Series 2024 Bonds.

- V. **Permit Status Update.** On page 5 of the Master Engineer’s Report, Section 5 provided the status of permits necessary for construction of the District’s improvement plan as of March 20, 2020. The permit status is updated below:

Permit	Status
SWFWMD Environmental Resource Permit (ERP)	Permit 43012082.009 issued September 14, 2020, Permit 43012082.011 issued July 25, 2023

1.0 INTRODUCTION

The Central Parc Community Development District (the “District”) is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes as amended. The District contains approximately 207.56+/- gross acres and is being developed as a master planned community (the “development”) located in the City of North Port, Florida (the “City”). This First Supplemental Assessment Methodology Report (the “First Supplemental Report”) applies exclusively to the 272 villa units, 228 single family units and the recreation/amenity center (“Residential Lands”).

The Residential Lands include approximately 73.26+/- acres and are generally located in central and north areas of the project site between the soft gate entrances accessed from Greenwood Drive and Appomattox Drive.

The District anticipates issuing approximately \$9,420,000 of Special Assessment Bonds (the “Series 2024 Bonds”) for the purpose of financing all or a portion of the infrastructure improvements providing special benefits to the Residential Lands (collectively “the Project”) in the District, as more specifically described in the Engineer’s Report dated March 20, 2020, as well as the Second Supplement to the Engineer’s Report dated May 31, 2023, as may be amended from time to time (the “Engineer’s Report”) prepared by Kimley-Horn and Associates, 1412 Jackson St., Suite 2, Fort Myers, Fl 33901 (the “District’s Engineer”).

This First Supplemental Report supplements the Master Special Assessment Methodology Report, dated June 2, 2020 (the “Master Report”), and will equitably allocate the costs being incurred by the District to issue the Series 2024 Bonds in order provide a portion of the improvements to the assessable lands within the Residential Lands in the District.

2.0 PROJECTS TO BE FUNDED BY THE DISTRICT

The Project as designed is an integrated system of facilities that provides specific benefits to all of the Residential Lands within the district. The total cost of the Project is estimated to be \$20,387,048¹, of which approximately \$7,994,558 will be funded with the Series 2024 Bond proceeds. A detail of the estimated project costs for the development is included herein on **Table A**.

The Series 2024 Bonds will be repaid through the levy of non-ad valorem special assessments on all assessable Residential Lands with the exception of the amenity/recreation center property as discussed in section 5.0 herein. Any portion of the Project not financed through the issuance of the Series 2024 Bonds or additional bond series will be paid for by the Developer.

The construction costs for the Project identified in this First Supplemental Report were provided by the District Engineer. Special District Services, Inc., as District Manager, makes no representation regarding the accuracy or validity of those costs and did not undertake any analysis or verification regarding such costs.

¹ The Third Supplement to the Engineer’s Report provided updated construction costs for informational purposes only. The District is not revising the master assessment lien to adjust for these increased costs because the amount of assessments to be certified for collection to secure the Series 2024 Bonds remains well below the master assessment lien ceiling.

3.0 FUNDING OF IMPROVEMENTS

To defray the Series 2024 Bonds, the District will impose non-ad valorem special assessments on the benefited Residential Lands as set forth in Section 6.0 herein (the “Series 2024 Assessments”). These assessments are based on the special and peculiar benefits accruing to such property from the improvements comprising the Project. The use of non-ad valorem special assessments has an advantage in that the properties that receive the special benefits from the Project are the only properties that are obligated to pay for those facilities and services. Without these improvements, development of the property would not be possible.

In summary, special assessments may be levied: (1) for facilities which provide special benefits to property as distinct from general benefits, (2) only against property which receives that special benefit, (3) in proportion to the benefits received by the properties; and (4) according to fair and reasonable methods that the governing body of the jurisdiction determines. The special assessments placed upon various benefited properties in the District must be sufficient to cover the debt service of the Series 2024 Bonds that will be issued for financing all or a portion of the Project. The assessments must be fairly and reasonably allocated to the properties being assessed.

4.0 ALLOCATION OF BENEFIT AND ASSESSMENTS

In developing the methodology used for special assessments in the District, two interrelated factors were used:

- A. Allocation of Benefit: Each parcel of land, lot and/or unit within the Residential Lands in the District benefits from the acquisition, construction and financing of the proposed improvements.
- B. Allocation of Cost/Debt: The special assessments imposed on each parcel of land, lot and/or unit within the Residential Lands cannot exceed the value of the benefits provided to such parcel of land, lot and/or unit.

Upon the sale of Series 2024 Bonds, the District’s debt will be allocated to the 104 existing platted lots and the unplatted gross acreage within the Residential Lands which totals approximately 56.98+/- acres. Upon platting, each parcel and/or residential dwelling unit/lot in the Residential Lands is assigned an Equivalent Assessable Unit (“*EAU*”), while the remaining unplatted land is assessed on an equal acreage basis. As platting occurs the debt assessment will be assigned on a “first platted first assigned” basis to platted parcels and residential dwelling units/lots receiving property folio numbers; and allocated on an *EAU* basis as shown herein on **Table C** and **Table F**. For the purpose of this First Supplemental Report a 52’ single-family residential dwelling unit will be the base unit upon which other product types will be compared, and assigned one (1) *EAU*. The *EAU* factor for villa units is 0.636 *EAU*.

Given the District’s approved land use plan and the type of infrastructure to be funded by the proposed special assessments, this method results in a fair allocation of benefits and an equitable allocation of costs for the Project. The special benefit received and applied to each parcel and/or residential dwelling unit/lot as a result of the construction of public infrastructure improvements will exceed the cost allocated to each parcel and/or unit/lot. However, if the future platting results in changes in land use or proportion of benefit per acre and/or unit type, this allocation methodology may not be applicable and it may be necessary for the District to revise the allocation methodology.

To the extent land is sold in bulk to a third party, prior to platting, then, the District may assign debt based upon the development rights conveyed based upon the *EAU* factors as shown herein on **Table C**.

5.0 REAL PROPERTY CONTRIBUTION

The Series 2024 Assessments are expected to be ultimately assigned to the units shown on **Table C** using target annual assessments provided by the Developer, and at an amount significantly less than the master assessment lien. As allocated, the Series 2024 Assessments are consistent with the Master Report, and are fairly and reasonably allocated across all benefitted properties. The District will recognize in-kind contributions of infrastructure by the Developer in the amount of approximately \$333,428 as an assessment credit as specified in **Table C**, in order to fully satisfy the master assessment lien on the amenity/recreation parcel and to reach target assessment levels.

6.0 COLLECTION OF SPECIAL ASSESSMENTS

The proposed special assessments for the District are planned to be collected through the Uniform Method of Collection described in Chapter 197, Section 197.3632; *Florida Statutes* (“*F.S.*”) for platted lots, or any other legal means available to the District.

Since there are costs associated with the collection of the special assessments (whether by uniform method of collection as authorized under Chapter 197.3632, *F.S.*, or other methods allowed by Florida law), these costs must also be included in the special assessment levy. These costs generally include the 1% collection fee of the County Tax Collector, a 1% service fee of the County Property Appraiser and a 4% discount for early payment of taxes.² These additional costs may be reflected by dividing the annual debt service and maintenance assessment amounts by a factor of 0.94. In the event the special assessments are direct billed, then, the collection costs and discounts may not apply.

7.0 FINANCING STRUCTURE

The estimated cost of construction for the Project in the Second Supplement to Engineer’s Report is \$20,387,048, of which approximately \$7,994,558 will be funded with the Series 2024 Bond proceeds. The construction program and the costs associated are identified herein on **Table A**.

A portion of the capital improvements comprising the Project will be financed by the Series 2024 Bonds which, when issued, will be payable from and secured by special assessments levied annually against all assessable properties within the Residential Lands in the District which totals approximately 73.26+/- acres. Based on the current market conditions the total aggregate principal amount of the Series 2024 Bonds (\$9,420,000) is shown herein on **Table B**. The proceeds of the Series 2024 Bonds will provide \$7,994,558 for construction related costs. The sizing of the Series 2024 Bonds includes a debt service reserve fund equal to 100% of the maximum annual net debt service and issuance costs as shown herein on **Table B**.

8.0 MODIFICATIONS, REVISIONS AND TRUE-UP MECHANISIM

Allocation of costs and debt, shown herein on **Table C and Table D**, for the infrastructure improvements currently planned to be financed by the District for the Project is initially based on the

² State law allows up to a 2% collection fee for the County Tax Collector and up to a 2% service fee for the County Property Appraiser. The assessment lien includes an obligation to pay increased collection fees and increased service fees should they be increased by the County Tax Collector or the County Property Appraiser, respectively.

estimated number of product types and residential dwelling units (500) projected to be constructed within the Residential Lands in the District and benefited by the infrastructure improvements comprising the Project. Based on a Series 2024 Bond size of \$9,420,000 at an average interest rate of 6.00% the annual debt service on the Series 2024 Bonds will be \$684,032 which has not been grossed up to include the 1% County Tax Collector fee, 1% County Property Appraiser fee, and 4% discount for early payment of taxes.

To ensure that each platted parcel or unit is assessed no more than their pro-rata amount of the annual debt service shown in **Table E** and **Table F**, the District will be required to perform a “true-up” analysis, which requires a computation at the time of submission of each plat or re-plat to determine the potential remaining assessable units. The District shall, at the time a plat or re-plat is submitted to the City and/or County:

A. Assume that the total number of *EAUs* relative to the Project is at least 402.53.

B. Ascertain the number of assessable residential parcels/lots in the plat (unrecorded at this time) or re-plat and any prior plats (“Planned Assessable Units/Lots”) and total amount of *EAUs* associated with such Planned Assessable Units/Lots.

C. Ascertain the current amount of potential remaining assessable parcels/lots (“Remaining Assessable Units/Lots,”) and together with the Planned Assessable Units/Lots, the “Total Assessable Units/Lots”) and total number of *EAUs* associated with the Remaining Assessable Units/Lots.

If the *EAUs* associated with the Total Assessable Units/Lots are equal to 402.53, then no action would be required at that time. However, if the sum of the *EAUs* associated with the Total Assessable Units/Lots are less than 402.53, then the Developer will be obligated to remit to the District an amount of money sufficient to enable the District to retire an amount of proposed Series 2024 Bonds such that the amount of debt service allocated to each *EAU* associated with the Total Assessable Units/Lots does not exceed the amounts set forth in **Table D**. Conversely, if the sum of the *EAUs* associated with the Total Assessable Units/Lots are more than 402.53 after the filing of the final plat for the Project, then the District shall equitably reallocate the assessments resulting in a reduction in the par debt allocations per unit type set forth in **Table D**.

All assessments levied run with the land. A determination of a true-up payment shall be at the sole discretion of the District. It is the responsibility of the landowner of record to make any required true-up payments that are due including any accrued interest. The District will not release any liens on the property for which true-up payments are due until provision for such payment has been satisfied. It is recommended that the true-up mechanism be formalized in an agreement between the District and the Developer.

In the event that additional land is annexed into the Residential Lands which is currently not subject to the assessments and is developed in such a manner as to receive special benefit from the Project described herein, it will be necessary for this assessment methodology to be re-applied to include such parcels. The additional land will, as a result of re-applying this allocation methodology, then be allocated an appropriate share of the special assessments while all currently assessed parcels will receive a relative reduction in their assessments.

9.0 PRELIMINARY ASSESSMENT ROLL

As previously described in the First Supplemental Report, the debt associated with the District’s improvement plan will be initially distributed to the 104 platted lots and to the unplatted Residential

Lands on an equal acreage basis as outlined herein on **Table F** and **Exhibit “A”** attached hereto. As plats are approved parcels and/or lot/units within the Residential Lands will be assessed in the manner described herein.

The property within the Residential Lands consist of 104 platted lots and approximately 56.98+/- acres as described in **Exhibit “A”** attached hereto. The anticipated par amount of Series 2024 Bonds to be issued by the District to pay for the Project is approximately \$9,420,000. Prior to final plat approval the assessments levied against the unplatted lands within the Residential Lands will be apportioned on a gross acre basis. Therefore, each gross acre of unplatted land in the Residential Lands will be assessed a maximum of \$132,436.36 as outlined herein on **Table F**. When fully developed, the Residential Lands is expected to contain an amenity/recreation center and approximately 500 residential dwelling units of varying product types.

10.0 ADDITIONAL STIPULATIONS

WHEREAS, the District was created for the purpose of financing and managing the acquisition, construction, installation, maintenance, and operation of community development facilities, services, and improvements within and without the boundaries of the District; and

WHEREAS, pursuant to Resolution No. 2020-21 adopted by the Board of Supervisors (the “Board”) of the District on March 20, 2020 (the “Master Bond Resolution”), the Board has authorized the issuance, sale and delivery of Bonds in an aggregate principal amount not to exceed \$31,000,000 (the “Bonds”), to be issued in one or more Series of Bonds as authorized under a Master Trust Indenture (the “Master Indenture”) to be entered into between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”), which Bonds were validated by final judgment of the Circuit Court of the Twelfth Judicial Circuit of the State of Florida, in and for Sarasota County, Florida rendered on June 16, 2020, the appeal period for which has expired with no appeal having been taken; and

WHEREAS, the Board has determined to issue its Central Parc Community Development District Special Assessment Revenue Bonds, in one or more Series (the “Series 2024 Bonds”), for the purpose, among others, of financing a portion of the Costs of the acquisition, construction and installation of assessable capital improvements (the “Series 2024 Project”) as more particularly described in the Second Supplement to the Engineer’s Report prepared by Kimley-Horn and Associates, Inc. (ii) a form of Bond Purchase Agreement with respect to the Series 2024 Bonds between MBS Capital Markets, LLC and the District attached hereto as **Exhibit B** (the “Purchase Contract”), together with the form of disclosure statements attached to the Purchase Contract in accordance with Section 218.385, Florida Statutes;

(iii) a form of Preliminary Limited Offering Memorandum attached hereto as **Exhibit C** (the “Preliminary Limited Offering Memorandum”);

(iv) a form of Continuing Disclosure Agreement (the “Continuing Disclosure Agreement”), among the District, Sabal Trace Development Partners, LLC, and Special District Services, Inc., as dissemination agent (the “Dissemination Agent”), attached hereto as **Exhibit D**; and

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of Central Parc Community Development District, as follows:

Section 1. Definitions. All words and phrases used herein in capitalized form, unless otherwise defined herein, shall have the meanings ascribed to them in the Indenture.

Section 2. Authorization. There are hereby authorized and directed to be issued the Series 2024 Bonds, in the aggregate principal amount of not to exceed \$11,500,000, for the purpose, among others, of providing funds for the payment of a portion of the Costs of the Series 2024 Project. The purchase price of the Series 2024 Bonds shall be received and receipted by the District, or the Trustee on behalf of the District, and the Trustee shall apply the proceeds of the Series 2024 Bonds as set forth in the First Supplement and the Limited Offering Memorandum (as defined below). The Series 2024 Bonds shall be dated, have such interest payment dates, have such maturities, have such redemption provisions and bear interest at such rates, all as provided in the Indenture.

Section 3. First Supplement. The First Supplement is hereby approved in substantially the form attached hereto as **Exhibit A** and the Chair or the Vice Chair of the Board is hereby authorized and directed to execute and deliver such First Supplement on behalf of and in the name of the District and the Secretary or any Assistant Secretary of the Board is hereby authorized to attest such execution, with such additions and deletions therein as may be made and/or approved by the Chair or the Vice Chair executing the same, such execution to be conclusive evidence of such approval.

Section 4. Appointment of Underwriter; Negotiated Sale. MBS Capital Markets, LLC (the "Underwriter") is hereby appointed as the underwriter for the Series 2024 Bonds. The Series 2024 Bonds shall be sold pursuant to a negotiated sale to the Underwriter. It is hereby determined by the Board that a negotiated sale of the Series 2024 Bonds to the Underwriter is in the best interests of the District because of prevailing market conditions, because delays caused by soliciting competitive bids could adversely affect the District's ability to issue and deliver the Series 2024 Bonds at presently favorable interest rates, and because the nature of the security for the Series 2024 Bonds and the source(s) of payment of Debt Service on the Series 2024 Bonds requires the participation of the Underwriter in structuring the Series 2024 Bond issue.

Section 5. Purchase Contract. The Board hereby approves the Purchase Contract submitted by the Underwriter in substantially the form attached as **Exhibit B**. The Chair or Vice Chair of the Board is hereby authorized to execute the Purchase Contract and to deliver the Purchase Contract to the Underwriter with such changes, amendments, modifications, omissions and additions as may be approved by the executing Chair or Vice Chair; provided, however, that (i) the principal amount of the Series 2024 Bonds shall not exceed \$11,500,000, (ii) the average net interest cost on the Series 2024 Bonds shall not exceed the maximum allowable by Section 215.84, Florida Statutes, (iii) the Series 2024 Bonds shall have a maturity date no later than May 1, 2056, or as provided by law, and (iv) the Underwriter's discount shall not exceed two percent (2.00%) of the aggregate principal amount of the Series 2024 Bonds. Execution by the Chair or Vice Chair of the Purchase Contract shall be deemed to be conclusive evidence of approval of such changes.

Section 6. Preliminary Limited Offering Memorandum; Final Limited Offering Memorandum. The Board hereby approves the form of the Preliminary Limited Offering Memorandum attached hereto as **Exhibit C** and authorizes its distribution and use in connection with the limited offering for the sale of the Series 2024 Bonds. If between the date hereof and the

mailing of the Preliminary Limited Offering Memorandum it is necessary to make insertions, modifications and changes to the Preliminary Limited Offering Memorandum, the Chair or Vice Chair is hereby authorized to approve such insertions, changes and modifications, and the Chair or Vice Chair is hereby authorized to deem the Preliminary Limited Offering Memorandum “final” within the meaning of Rule 15c2-12 of the Securities Exchange Act of 1934 (the “Rule”). The preparation of a final Limited Offering Memorandum is hereby authorized and approved and the Chair or Vice Chair is hereby authorized to execute such final Limited Offering Memorandum to be dated the date of the award of the Series 2024 Bonds and, upon such award, to deliver the same to the Underwriter for use by it in connection with the sale and distribution of the Series 2024 Bonds. The Limited Offering Memorandum shall be substantially in the form of the final Preliminary Limited Offering Memorandum, with such changes as shall be approved by the Chair or Vice Chair as necessary to conform to the details of the final pricing of the Series 2024 Bonds and such other insertions, modifications and changes as may be approved by the Chair or Vice Chair.

Section 7. Continuing Disclosure. The Board does hereby authorize and approve the execution and delivery of the Continuing Disclosure Agreement by the Chair or Vice Chair in substantially the form attached hereto as **Exhibit D**. The Continuing Disclosure Agreement is being executed by the District in order to assist the Underwriter in complying with the Rule. Special District Services, Inc., is hereby appointed as the initial Dissemination Agent to perform the duties required under the Continuing Disclosure Agreement.

Section 8. Appointment of Trustee, Paying Agent, and Bond Registrar. U.S. Bank Trust Company, National Association is hereby appointed to serve as Trustee, Paying Agent, and Bond Registrar under the Indenture.

Section 9. Open Meetings. It is found and determined that all formal actions of the Board concerning and relating to the adoption of this Resolution were taken in an open meeting of the members of the Board and that all deliberations of the members of the Board which resulted in such formal action were taken in meetings open to the public, in full compliance with all legal requirements.

Section 10. Further Official Action; Ratification of Prior Acts. The Chair, the Vice Chair, the Secretary, any Assistant Secretary or member of the Board, Special District Services, Inc., in its capacity as District Manager, and any other proper official of the District (each a “District Officer”) and any authorized designee thereof, are each hereby authorized and directed to execute and deliver any and all documents and instruments (including, without limitation, any documents required by the Trustee to evidence its rights and obligations with respect to the Series 2024 Bonds, any documents required in connection with implementation of a book-entry system of registration for the Series 2024 Bonds, any agreements with Sabal Trace Development Partners, LLC, and any agreements in connection with maintaining the exclusion of interest on the Series 2024 Bonds from gross income of the holders thereof) and to do and cause to be done any and all acts and things necessary or desirable for carrying out the transactions contemplated by this Resolution. In the event that the Chair or the Vice Chair is unable to execute and deliver the

documents herein contemplated, such documents shall be executed and delivered by the designee of such officer or official or any other duly authorized officer or official of the District. Any District Officer is hereby authorized and directed to apply and attest the official seal of the District to any agreement or instrument authorized or approved herein that requires such a seal and attestation. The Chair or other District Officer may, among other things, authorize the change of the date of any document accompanying this Resolution as an exhibit or incorporate the information and details related to the sale and pricing of the Series 2024 Bonds. Execution by the Chair or other District Officer of such document shall be deemed to be conclusive evidence of approval of such change of date or the incorporation of information and details relating to the sale and pricing of the Series 2024 Bonds. All actions taken to date by any District Officer and the agents and employees of the District in furtherance of the issuance of the Series 2024 Bonds are hereby approved, confirmed and ratified.

Section 11. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

Section 12. Inconsistent Proceedings. All resolutions or proceedings, or parts thereof, in conflict with the provisions hereof are to the extent of such conflict hereby repealed or amended to the extent of such inconsistency.

Section 13. Engineer's Report. The Board hereby approves of changes to the Engineer's Report previously approved by the Board and also authorizes further revisions and supplements to the Engineer's Report with respect to the marketing and sale of the Series 2024 Bonds.

Section 14. Assessment Methodology Reports. The Board authorizes further modifications and supplements to the Assessment Methodology previously approved by the Board to conform such report(s) to the marketing and sale of the Series 2024 Bonds.

Section 15. Ratification of Master Bond Resolution. Except to the extent hereby modified, the Master Bond Resolution of the District is hereby ratified, confirmed and approved in all respects.

Section 16. Repealing Clause. All resolutions or parts thereof of the Board in conflict with the provisions herein contained are, to the extent of such conflict, hereby superseded and repealed. Resolution No. 2023-02 adopted by the Board on June 20, 2023, is hereby repealed and replaced in its entirety with this Resolution No. 2024-01.

Section 17. Effective Date. This Resolution shall take effect immediately upon its adoption.

Each Series 2024 Bond shall bear the designation “2024R” and shall be numbered consecutively from 1 upwards.

The Series 2024 Bonds shall be initially issued in the form of a separate single certificated fully registered Series 2024 Bond for each maturity thereof. Upon initial issuance, the ownership of each such Series 2024 Bond shall be registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as Nominee of DTC, the initial Bond Depository. Except as provided in this Section 201, all of the Outstanding Series 2024 Bonds shall be registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as Nominee of DTC.

With respect to Series 2024 Bonds registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as Nominee of DTC, the District, the Trustee, the Bond Registrar and the Paying Agent shall have no responsibility or obligation to any such Bond Participant or to any indirect Bond Participant. Without limiting the immediately preceding sentence, the District, the Trustee, the Bond Registrar and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any Bond Participant with respect to any ownership interest in the Series 2024 Bonds, (ii) the delivery to any Bond Participant or any other person other than an Owner, as shown in the registration books kept by the Bond Registrar, of any notice with respect to the Series 2024 Bonds, including any notice of redemption, or (iii) the payment to any Bond Participant or any other person, other than an Owner, as shown in the registration books kept by the Bond Registrar, of any amount with respect to principal of, premium, if any, or interest on the Series 2024 Bonds. The Trustee shall have no duty to review the requisition to determine if the amount requested is for payment of a cost permitted hereunder. Anything in the Master Indenture to the contrary notwithstanding, the Consulting Engineer shall establish a Date of Completion for the Series 2024 Project, and any balance remaining in the Series 2024 Acquisition and Construction Account (taking into account the moneys currently on deposit therein to pay any accrued but unpaid Costs of the Series 2024 Project which are required to be reserved in the Series 2024 Acquisition and Construction Account in accordance with the certificate of the Consulting Engineer delivered to the District and the Trustee establishing such Date of Completion), shall be deposited to the Series 2024 Prepayment Subaccount and applied to the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with Section 301 hereof and in the manner prescribed in the form of Series 2024 Bonds set forth as Exhibit B hereto. (b) Amounts on deposit in the Series 2024 Capitalized Interest Account shall, until and including November 1, 2024, be transferred into the Series 2024 Interest Account and applied to the payment of interest first coming due on the Series 2024 Bonds, and following November 1, 2024, shall be transferred into the Series 2024 Acquisition and Construction Account, whereupon the Series 2024 Capitalized Interest Account shall be closed.

Upon satisfaction of the Reserve Account Release Conditions, an Authorized Officer of the District shall provide the Reserve Release Certifications to the Trustee, upon which certifications the Trustee may conclusively rely, and thereupon an Authorized Officer of the District shall recalculate the Series 2024 Reserve Account Requirement and instruct the Trustee to transfer any excess as a result of having met the Reserve Account Release Conditions to the Series 2024 Acquisition and Construction Account to be used for the purposes of such Account unless the Series 2024 Acquisition and Construction Account has been closed in which case such excess shall be transferred to the Series 2024 Prepayment Subaccount and applied to the extraordinary mandatory redemption of the Series 2024 Bonds.

On the forty-fifth (45th) day preceding each Quarterly Redemption Date (or, if such forty-fifth (45th) day is not a Business Day, on the first Business Day preceding such forty-fifth (45th) day), the District shall recalculate the Series 2024 Reserve Account Requirement taking into account any Series 2024 Prepayment Principal on deposit in the Series 2024 Prepayment Subaccount of the Series 2024 Redemption Account and shall direct the Trustee in writing to transfer any amount on deposit in the Series 2024 Reserve Account in excess of the Series 2024

Reserve Account Requirement as a result of such Series 2024 Prepayment Principal to the Series 2024 Prepayment Subaccount as a credit against the Prepayment otherwise required to be made by the owner of such lot or parcel. Following the foregoing transfer, such amounts in the Series 2024 Prepayment Subaccount shall be applied to the extraordinary mandatory redemption of the Series 2024 Bonds on the earliest date permitted for redemption therein and herein. The Trustee is authorized to make such transfers and has no duty to verify such calculations.

On the earliest date on which there is on deposit in the Series 2024 Reserve Account, sufficient monies, after taking into account other monies available therefor, to pay and redeem all of the Outstanding Series 2024 Bonds, together with accrued interest on such Series 2024 Bonds to the earliest date of redemption permitted therein and herein, then the Trustee shall transfer the amount on deposit in the Series 2024 Reserve Account into the Series 2024 Prepayment Subaccount in the Series 2024 Redemption Account to pay and redeem all of the Outstanding Series 2024 Bonds on the earliest date permitted for redemption therein and herein.

Anything in the Master Indenture or herein to the contrary notwithstanding, amounts on deposit in the Series 2024 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

The Series 2024 Revenue Account shall be held by

the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

(b) The Trustee shall deposit into the Series 2024 Revenue Account the Series 2024 Pledged Revenues other than Series 2024 Prepayment Principal, which shall be identified by the District to the Trustee as such in writing upon deposit and which shall be deposited into the Series 2024 Prepayment Subaccount in the Series 2024 Redemption Account, and any other revenues required by other provisions of the Indenture to be deposited therein. The Trustee may conclusively rely on the assumption that, unless otherwise instructed in writing by the District at the time of deposit with the Trustee, Series 2024 Pledged Revenues paid to the Trustee shall be deposited into the Series 2024 Revenue Account, and that Series 2024 Pledged Revenues which the District informs the Trustee constitute Series 2024 Prepayment Principal shall be deposited into the Series 2024 Prepayment Subaccount of the Series 2024 Redemption Account.

(c) On the forty-fifth (45th) day preceding each Quarterly Redemption Date with respect to the Series 2024 Bonds (or if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee shall determine the amount on deposit in the Series 2024 Prepayment Subaccount of the Series 2024 Redemption Account and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2024 Revenue Account for deposit into the Series 2024 Prepayment Subaccount, an amount sufficient to increase the amount on deposit therein to the next highest integral multiple of \$5,000 (provided that there are sufficient funds remaining therein to pay Debt Service coming due on the Series 2024 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2024 Bonds in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2024 Prepayment Subaccount in accordance with the provisions for extraordinary redemption of the Series 2024 Bonds set forth in the form of Series 2024 Bonds attached hereto, Section 301 hereof, and Article III of the Master Indenture.

(d) On each May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day next preceding such May 1 or November 1), the Trustee shall first transfer from the Series 2024 Capitalized Interest Account to the Series 2024 Interest Account the lesser of (x) the amount of interest coming due on the Series 2024 Bonds on such May 1 or November 1, less the amount already on deposit therein, or (y) the amount remaining in the Series 2024 Capitalized Interest Account.

(e) Following the foregoing transfers, on each May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall then transfer from the amounts on deposit in the Series 2024 Revenue Account to the Funds and Accounts designated below in the following amounts and in the following order of priority:

FIRST, to the Series 2024 Interest Account of the Series 2024 Debt Service Account, an amount equal to the amount of interest payable on all Series 2024 Bonds then Outstanding on

such May 1 or November 1, less any amount transferred from the Series 2024 Capitalized Interest Account in accordance with Sections 403(b) and 408(d) hereof, and less any other amount already on deposit in the Series 2024 Interest Account not previously credited;

SECOND, on May 1, 20__, and each May 1 thereafter, to the Series 2024 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2024 Bonds subject to mandatory sinking fund redemption on such May 1, and the amount already on deposit in the Series 2024 Sinking Fund Account not previously credited;

THIRD, to the Series 2024 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2024 Reserve Account Requirement; and

FOURTH, the balance shall be retained in the Series 2024 Revenue Account.

(f) On any date required by the Tax Regulatory Covenants, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2024 Revenue Account to the Series 2024 Rebate Account established for the Series 2024 Bonds in the Rebate Fund in accordance with the Master Indenture, the amount due and owing, if any, to the United States, which amount shall be paid, to the United States, when due, in accordance with such Tax Regulatory Covenants.

(g) Anything herein or in the Master Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2024 Bonds shall be invested only in Investment Obligations, and further, earnings on the Series 2024 Acquisition and Construction Account, the Series 2024 Interest Account and the Series 2024 Capitalized Interest Account shall be retained, as realized, in such Accounts and used for the purposes of such Accounts. Earnings on investments in the Funds and Accounts other than the Series 2024 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2024 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2024 Reserve Account shall be disposed of as follows:

(i) if there was no deficiency (as defined in Section 509 of the Master Indenture) in the Series 2024 Reserve Account as of the most recent date on which amounts on deposit in the Series 2024 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2024 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Capitalized Interest Account through November 1, 2024, and thereafter earnings in the Series 2024 Reserve Account shall be allocated to and deposited into the Series 2024 Revenue Account and used for the purpose of such Account; and

(ii) if as of the last date on which amounts on deposit in the Series 2024 Reserve Account were valued by the Trustee there was a deficiency (as defined in Section 509 of the Master Indenture), or if after such date withdrawals have been made from the Series 2024 Reserve

Account and have created such a deficiency, then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Reserve Account until the amount on deposit therein is equal to the Series 2024 Reserve Account Requirement, and then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Capitalized Interest Account through November 1, 2024, and thereafter shall be allocated to and deposited into the Series 2024 Revenue Account and used for the purpose of such Account.

Notwithstanding the foregoing, if there is a deficiency in the Series 2024 Reserve Account, prior to the deposit of any earnings in the Series 2024 Revenue Account, the amount of such proposed transfer shall instead be deposited into the Series 2024 Reserve Account until the balance on deposit therein is equal to the Series 2024 Reserve Account Requirement.

Section 503. Trustee's Duties. Nothing contained herein shall limit the rights, benefits, privileges, protection and entitlements inuring to the Trustee under the Master Indenture, including, particularly, Article VI thereof.

ARTICLE VI ADDITIONAL BONDS

Section 601. No Parity Bonds; Limitation on Parity Assessments. The District covenants and agrees that so long as there are any Series 2024 Bonds Outstanding, it shall not cause or permit to be caused any lien, charge or claim against the Series 2024 Trust Estate other than Bonds issued to refund the Outstanding Series 2024 Bonds. The District further covenants and agrees that so long as the Series 2024 Assessments have not been Substantially Absorbed, it shall not issue any Additional Bonds for capital projects secured by Assessments on lands subject at such time to the Series 2024 Assessments without the consent of the Majority Owners; provided, however, that the foregoing shall not preclude the imposition of capital Assessments at any time on property subject to the Series 2024 Assessments which the District certifies are necessary for health, safety,

and welfare reasons, to remediate a natural disaster, imposed prior to the issuance of the Series 2024 Bonds, or Operation and Maintenance Assessments.

ARTICLE VII MISCELLANEOUS

Section 701. Confirmation of Master Indenture. As supplemented by this First Supplemental Indenture, the Master Indenture is in all respects ratified and confirmed, and this First Supplemental Indenture shall be read, taken and construed as a part of the Master Indenture so that all of the rights, remedies, terms, conditions, covenants and agreements of the Master Indenture, except insofar as modified herein, shall apply and remain in full force and effect with respect to this First Supplemental Indenture and to the Series 2024 Bonds issued hereunder. To the extent of any conflict between the Master Indenture and this First Supplemental Indenture the terms and provisions hereof shall control.

Section 702. Continuing Disclosure Agreement. Contemporaneously with the execution and delivery hereof, the District has executed and delivered a Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934, as amended. The District covenants and agrees to comply with the provisions of such Continuing Disclosure Agreement; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but, instead shall be enforceable by mandamus, injunction or any other means of specific performance.

Section 703. Collection of Series 2024 Assessments. (a) Anything herein or in the Master Indenture to the contrary notwithstanding, when permitted by law, Series 2024 Assessments levied on platted lots and pledged hereunder to secure the Series 2024 Bonds shall be collected pursuant to the "Uniform Method" prescribed by Florida Statutes and Series 2024 Assessments levied on unplatted lots and pledged hereunder to secure the Series 2024 Bonds shall be collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless otherwise directed by the Trustee acting at the direction of the Majority Owners during an Event of Default.

(b) All Series 2024 Assessments that are collected directly by the District and not via the Uniform Method shall be due and payable by the landowner no later than thirty (30) days prior to each Interest Payment Date; provided, however, that such Series 2024 Assessments shall not be deemed to be Delinquent Assessments unless and until such Series 2024 Assessments are not paid by the applicable Interest Payment Date with respect to which they have been billed.

Section 704. Owner Direction and Consent with Respect to Series 2024 Acquisition and Construction Account Upon Occurrence of Event of Default. In accordance with the provisions of the Indenture, the Series 2024 Bonds are secured solely by the Series 2024 Pledged Revenues and the Series 2024 Pledged Funds comprising the Series 2024 Trust Estate. Anything in the Indenture to the contrary notwithstanding, the District hereby acknowledges that (i) the Series 2024 Pledged Funds include, without limitation, all amounts on deposit in the Series 2024

Acquisition and Construction Account then held by the Trustee, (ii) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Funds may not be used by the District (whether to pay Costs of the Series 2024 Project or otherwise) without the consent of the Majority Owners, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the Series 2024 Project and payment is for such work, and (iii) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to construction of the Series 2024 Project after the occurrence of an Event of Default unless authorized in writing by the Majority Owners.

Section 705. Additional Covenant Regarding Assessments. In addition to, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the District covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2024 Assessments, including the Assessment Methodology, and to levy the Series 2024 Assessments and any required true-up payments set forth in the Assessment Methodology, in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2024 Bonds, when due. The Assessment Methodology shall not be materially amended without the prior written consent of the Majority Owners. Notwithstanding the foregoing, amendments to the Assessment Methodology to account for new product types shall not require such consent.

Section 706. Assignment of District's Rights Under Collateral Assignment. Subject to the terms of the Collateral Assignment, and without intending to alter the same, the District hereby assigns its rights under the Collateral Assignment to the Trustee for the benefit of the Owners, from time to time, of the Series 2024 Bonds. The Trustee shall not become obligated to perform any duties because of such assignment.

Section 707. Enforcement of True-Up Agreement and Completion Agreement. The District, either through its own actions or actions caused to be taken through the Trustee, covenants that it shall strictly enforce all of the provisions of the Completion Agreement and the True-Up Agreement and, upon the occurrence and continuance of a default under either or both of such Agreements, the District covenants and agrees that the Trustee, at the direction of the Majority Owners, may, subject to the provisions of Section 912 of the Master Indenture, act on behalf of and in the District's stead to enforce the provisions of such Agreements and to pursue all available remedies under applicable law or in equity. Anything herein or in the Master Indenture to the contrary notwithstanding, failure of the District to enforce, or permit the Trustee to enforce in its stead, all of the provisions of the Completion Agreement and the True-Up Agreement upon demand of the Majority Owners, or the Trustee at the direction of the Majority Owners, shall constitute an Event of Default under the Indenture without benefit of any period for cure.

The Series 2024 Bonds are equally and ratably secured by the Series 2024 Trust Estate, without preference or priority of one Series 2024 Bond over another. The District covenants and agrees in the Supplemental Indenture that so long as there are any Series 2024 Bonds Outstanding, it shall not cause or permit to be caused any lien, charge or claim against the Series 2024 Trust Estate other than Bonds issued to refund the Outstanding Series 2024 Bonds. The District further covenants and agrees in the Supplemental Indenture that so long as the Series 2024 Assessments have not been Substantially Absorbed, it shall not issue any Additional Bonds for capital projects secured by Assessments on lands subject at such time to the Series 2024 Assessments without the consent of the Majority Owners; provided, however, that the foregoing shall not preclude the imposition of capital Assessments at any time on property subject to the Series 2024 Assessments which the District certifies are necessary for health, safety, and welfare reasons, to remediate a natural disaster, imposed prior to the issuance of the Series 2024 Bonds, or Operation and Maintenance Assessments.

As more particularly set forth in the Indenture, any Series 2024 Bonds that are purchased by the District with amounts held to pay an Amortization Installment will be cancelled and the principal amount so purchased will be applied as a credit against the applicable Amortization Installment of Series 2024 Bonds. Amortization Installments are also subject to recalculation, as provided in the Supplemental Indenture, as the result of the redemption of Series 2024 Bonds so as to reamortize the remaining Outstanding principal balance of the Series 2024 Bonds as set forth in the Supplemental Indenture.

The Series 2024 Bonds are subject to extraordinary mandatory redemption prior to maturity, in whole on any date or in part on any Quarterly Redemption Date, in the manner determined by the Bond Registrar at the Redemption Price of 100% of the principal amount

thereof, without premium, together with accrued interest to the date of redemption as follows, if and to the extent that any one or more of the following have occurred:

(a) on or after the Date of Completion of the Series 2024 Project, by application of moneys transferred from the Series 2024 Acquisition and Construction Account in the Acquisition and Construction Fund established under the Indenture to the Series 2024 Prepayment Subaccount of the Series 2024 Redemption Account in accordance with the terms of the Indenture; or

(b) from amounts required by the Indenture to be deposited into the Series 2024 Prepayment Subaccount of the Series 2024 Redemption Account including, but not limited to, Series 2024 Prepayment Principal and any excess amounts in the Series 2024 Reserve Account as a result of the deposit of such Series 2024 Prepayment Principal and any excess amount on deposit in the Series 2024 Reserve Account resulting from a reduction of the Series 2024 Reserve Account Requirement; or

(c) on the date on which the amount on deposit in the Series 2024 Reserve Account, together with other moneys available therefor, are sufficient to pay and redeem all of the Series 2024 Bonds then Outstanding, including accrued interest thereon.

If less than all of the Series 2024 Bonds shall be called for redemption, the particular Series 2024 Bonds or portions of Series 2024 Bonds to be redeemed shall, unless otherwise provided in the Indenture, be selected by lot by the Bond Registrar as provided in the Indenture.

Notice of each redemption of Series 2024 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the date of redemption to each registered Owner of Series 2024 Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2024 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2024 Bonds or such portions thereof on such date, interest on such Series 2024 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2024 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2024 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Pursuant to the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

The Owner of this Bond shall have no right to enforce the provisions of the Master Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all the Series 2024 Bonds then Outstanding under the Indenture may become and may be declared due and payable before the stated maturities thereof, with the interest accrued thereon.

Modifications or alterations of the Master Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Master Indenture.

Any moneys held by the Trustee or any Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for two (2) years after the date when such Bond has become due and payable, either at its stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for two (2) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bond became due and payable, shall be paid to the District, and thereupon and thereafter no claimant shall have any rights against the Paying Agent to or in respect of such moneys.

If the District deposits or causes to be deposited with the Trustee cash or Federal Securities sufficient to pay the principal or Redemption Price of any Bonds becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of the Series 2024 Bonds as to the Series 2024 Trust Estate shall be discharged, except for the rights of the Owners thereof with respect to the funds so deposited as provided in the Indenture.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida.

This Bond is issued with the intent that the laws of the State of Florida shall govern its construction.

All acts, conditions and things required by the Constitution and laws of the State of Florida and the ordinances and resolutions of the District to happen, exist and be performed precedent to and in the issuance of this Bond and the execution of the Indenture, have happened,

exist and have been performed as so required. This Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Indenture until it shall have been authenticated by the execution by the Trustee of the Certificate of Authentication endorsed hereon.

The disclosure statement required by Section 218.385, Florida Statutes, is attached hereto as Exhibit B.

2. The Series 2024 Bonds. The Series 2024 Bonds are authorized and issued pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes (the "Act"), the Florida Constitution, and other applicable provisions of law, and Ordinance No. 2020-04, enacted by the City Commission of the City of North Port, Florida, on February 25, 2020 (the "Ordinance"). The District was established for the purpose, among other things, of financing and managing the acquisition, construction, installation, maintenance, and operation of the major infrastructure within and without the

boundaries of the District. The Series 2024 Bonds are being issued pursuant to the Act and a Master Trust Indenture, dated as of April 1, 2024 (the "Master Indenture"), between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), as supplemented by a First Supplemental Trust Indenture, dated as of April 1, 2024, between the District and the Trustee (the "Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), and Resolution Nos. 2020-21 and 2024-[], adopted by the Board of Supervisors of the District (the "Board") on March 20, 2020 and March [19], 2024, respectively (collectively, the "Bond Resolution"), authorizing the issuance of the Series 2024 Bonds. The Series 2024 Assessments comprising the Series 2024 Pledged Revenues have been levied by the District on the lands within the District specially benefited by the Series 2024 Project pursuant to Resolution Nos. 2020-22 and 2020-23 adopted by the Board on April 29, 2020, Resolution No. 2020-28 adopted by the Board on June 2, 2020 and a resolution to be adopted by the Board on or about April [], 2024 (collectively, the "Assessment Resolutions").

Consistent with the requirements of the Indenture and the Act, the Series 2024 Bonds are being issued to (a) finance a portion of the Cost of the Series 2024 Project, (b) pay certain costs associated with the issuance of the Series 2024 Bonds, (c) make a deposit into the Series 2024 Reserve Account to be held for the benefit of all of the Series 2024 Bonds, without privilege or priority of one Series 2024 Bond over another, and (d) pay a portion of the interest to become due on the Series 2024 Bonds.

The principal and interest on the Series 2024 Bonds are payable from and secured by the Series 2024 Trust Estate, which includes the Series 2024 Pledged Revenues and the Series 2024 Pledged Funds. The Series 2024 Pledged Revenues consist primarily of the revenues received by the District from the Series 2024 Assessments levied against certain lands in the District that are subject to assessment as a result of the Series 2024 Project or any portion thereof. The Series 2024 Pledged Funds include all of the Funds and Accounts (except for the Series 2024 Rebate Account) established by the Indenture.

At the time of issuance of the Series 2024 Bonds, the District and/or Sabal Trace Development Partners, LLC, a Florida limited liability company (the "Developer") will enter into:

(b) the Agreement Between the District and the Developer Regarding the True-Up and Payment of Series 2024 Assessments (the "True Up Agreement") dated as of the date of Closing;

(c) the Collateral Assignment and Assumption of Development and Contract Rights (the "Collateral Assignment") between the District and the Developer dated as of the date of Closing;

(d) the Agreement By and Between the District and the Developer Regarding the Completion of Certain Improvements Relating to the Series 2024 Project (the "Completion Agreement") dated as of the date of Closing;

(f) the Tri-Party Agreement Relating to Acknowledgment of Jurisdiction, Imposition of Special Assessments, and Acknowledgment of Subordination (the "Tri-Party Agreement") among the District, the Developer and Fields-Realty, LLC, a Florida limited liability company dated as of the date of Closing; and

(g) the Declaration of Consent to Jurisdiction of the District and to Imposition of Debt Special Assessments (Series 2024 Assessments) (the "Declaration of Consent") by the Developer dated as of the date of Closing.

For purposes hereof, this Purchase Agreement, the Indenture, the Disclosure Agreement, the True-Up Agreement, the Collateral Assignment, the Completion Agreement, the Acquisition Agreement, the Tri-Party Agreement and the Declaration of Consent, are referred to herein collectively as the "Financing Documents."

3. Delivery of Limited Offering Memorandum and Other Documents.

(a) Prior to the date hereof, the District provided to the Underwriter for its review the Preliminary Limited Offering Memorandum, dated [PLOM Date] (the "Preliminary Limited Offering Memorandum"), that the District deemed final as of its date, except for certain permitted omissions (the "permitted omissions"), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission (the "SEC Rule") in connection with the pricing of the Series 2024 Bonds. The District hereby confirms that the Preliminary Limited Offering Memorandum was deemed final as of its date, except for the permitted omissions.

(b) The District shall deliver, or cause to be delivered, at its expense, to the Underwriter, within seven (7) business days after the date hereof, or use good faith to deliver within such shorter period as may be requested by the Underwriter and at least one (1) business day prior to the date of Closing, or within such other period as the Underwriter may inform the District which is necessary for the Underwriter to comply with regulations of the Municipal Securities Rulemaking Board ("MSRB") in order to accompany any confirmation that requests payment from any customer, sufficient copies of the final Limited Offering Memorandum (the "Limited Offering Memorandum") to enable the Underwriter to fulfill its obligations pursuant to the securities laws of the State of Florida (the "State") and the United States, in form and substance satisfactory to the Underwriter. In determining whether the number of copies to be delivered by the District are reasonably necessary, at a minimum, the number shall be determined by the Underwriter and conveyed to the District as shall be sufficient to enable the Underwriter to comply with the requirements of the SEC Rule, all applicable rules of the MSRB, and to fulfill its duties and responsibilities under State and federal securities laws generally.

The Underwriter agrees to file the Limited Offering Memorandum in accordance with applicable MSRB rules.

The District authorizes, or ratifies as the case may be, the use and distribution of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum in connection with the limited public offering and sale of the Series 2024 Bonds. The Underwriter agrees that it will not confirm the sale of any Series 2024 Bonds unless the confirmation of sale requesting payment is accompanied or preceded by the delivery of a copy of the Limited Offering Memorandum.

(c) From the date hereof until the earlier of (1) ninety (90) days from the "end of the underwriting period" (as defined in the SEC Rule), or (2) the time when the Limited Offering Memorandum is available to any person from the MSRB (but in no case less than twenty-five (25) days following the end of the underwriting period), if the District has knowledge of the occurrence of any event which may make it necessary to amend or supplement the Limited Offering Memorandum in order to make the statements therein, in light of the circumstances under which they were made, not misleading, the District shall notify the Underwriter and if, in the reasonable opinion of the District or the Underwriter, such event requires the preparation and publication of an amendment or supplement to the Limited Offering Memorandum, the District, at its expense (unless such event was caused by the Underwriter), shall promptly prepare an appropriate amendment or supplement thereto (and file, or cause to be filed, the same with the MSRB, and mail such amendment or supplement to each record owner of Series 2024 Bonds) so that the statements in the Limited Offering Memorandum as so amended or supplemented will not, in light of the circumstances under which they were made, be misleading, in a form and in a manner reasonably approved by the Underwriter. The District will promptly notify the Underwriter of the occurrence of any event of which it has knowledge which, in its opinion, is an event described in the preceding sentence. The amendments or supplements that may be authorized for use with respect to the Series 2024 Bonds are hereinafter included within the term "Limited Offering Memorandum."

4. Authority of the Underwriter. The Underwriter is duly authorized to execute this Purchase Agreement and to perform its obligations hereunder. The Underwriter hereby represents that neither it nor any "person" or "affiliate" has been on the "convicted vendor list" during the past 36 months, as all such terms are defined in Section 287.133, Florida Statutes.

5. Offering and Sale of Series 2024 Bonds. The Underwriter agrees to make a bona fide limited offering to "accredited investors" representing the general public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) of all of the Series 2024 Bonds at not in excess of the initial public offering price or prices (or below the yield or yields) set forth in Exhibit A attached hereto; provided, however, that the Underwriter may (a) offer and sell the Series 2024 Bonds to certain bond houses, brokers or to similar persons or organizations acting in the capacity of underwriters or wholesalers at prices lower than the public offering prices set forth in Exhibit A attached hereto, or (b) change such initial offering prices (or yields) as the Underwriter deems necessary in connection with the marketing of the Series 2024 Bonds. The Underwriter agrees to assist the District in establishing the issue price as provided in Section 20 hereof.

The District hereby authorizes the Underwriter to use the Limited Offering Memorandum in connection with the limited public offering and sale of the Series 2024

Bonds and ratifies and confirms the distribution and use by the Underwriter prior to the date hereof of the Preliminary Limited Offering Memorandum in connection with such limited public offering and sale.

(d) there shall have occurred any outbreak or escalation of hostility, declaration by the United States of a national emergency or war or other calamity or crisis the effect of which on financial markets is such as to make it, in the sole judgment of the Underwriter, impractical or inadvisable to proceed with the offering or delivery of the Series 2024 Bonds as contemplated by the Limited Offering Memorandum (exclusive of any amendment or supplement thereto); or

(e) legislation shall be enacted or adopted, or any action shall be taken by, or on behalf of, the Securities and Exchange Commission (the "SEC") which, in the reasonable opinion of Bond Counsel, has the effect of requiring the contemplated distribution of the Series 2024 Bonds to be registered under the Securities Act of 1933, as amended (the "1933 Act"), or the Indenture to be qualified under the Trust Indenture Act of 1939, as amended (the "1939 Act"), or any laws analogous thereto relating to governmental bodies, and compliance therewith cannot be accomplished prior to the Closing; or

(f) legislation shall be introduced by amendment or otherwise in or be enacted by the House of Representatives or the Senate of the Congress of the United States, or a decision by a court of the United States shall be rendered, or a stop order, ruling, release, regulation, official statement or no-action letter by or on behalf of the SEC or any other governmental authority having jurisdiction of the subject matter of the Series 2024 Bonds shall have been proposed, issued or made (which is beyond the control of the Underwriter or the District to prevent or avoid) to the effect that the issuance, offering or sale of the Series 2024 Bonds as contemplated hereby or by the Limited Offering Memorandum, or any document relating to the issuance, offering or sale of the Series 2024 Bonds is or would be in violation of any of the federal securities laws at Closing, including the 1933 Act, as amended and then in effect, the Securities Exchange Act of 1934, as amended and then in effect, or the 1939 Act, as amended and then in effect, or with the purpose or effect of otherwise prohibiting the offering and sale of either the Series 2024 Bonds as contemplated hereby, or of obligations of the general character of the Series 2024 Bonds; or

(g) there shall have occurred, after the signing hereof, either a financial crisis or a default with respect to the debt obligations of the District or proceedings under the

federal or State bankruptcy laws shall have been instituted by the District, in either case the effect of which, in the reasonable judgment of the Underwriter, is such as to materially and adversely affect the market price or the marketability of the Series 2024 Bonds, or the ability of the Underwriter to enforce contracts for the sale of the Series 2024 Bonds; or

(h) a general banking moratorium shall have been declared by the United States, New York or State authorities which, in the reasonable opinion of the Underwriter, materially adversely affects the market for the Series 2024 Bonds or the sale, at the contemplated offering prices, by the Underwriter of the Series 2024 Bonds to be purchased by it; or

(i) any national securities exchange or any governmental authority shall impose, as to the Series 2024 Bonds or obligations of the general character of the Series 2024 Bonds, any material restrictions not now in force, or increase materially those now in force, with respect to the establishment of material restrictions upon trading of securities, including limited or minimum prices, by any governmental authority or by any national securities exchange which, in the reasonable opinion of the Underwriter, materially adversely affects the market for the Series 2024 Bonds or the sale, at the contemplated offering prices, by the Underwriter of the Series 2024 Bonds to be purchased by it; or

(j) legal action shall have been filed against the District wherein an adverse ruling would materially adversely affect the transactions contemplated hereby or by the Limited Offering Memorandum or the validity of the Series 2024 Bonds, the Bond Resolution, the Assessment Resolutions or any of the Financing Documents; provided, however, that as to any such litigation, the District may request and the Underwriter may accept an opinion by Bond Counsel, or other counsel acceptable to the Underwriter, that in such counsel's opinion the issues raised by any such litigation or proceeding are without substance or that the contentions of any plaintiffs therein are without merit; or

(k) there shall have occurred or any notice shall have been given of any intended review, downgrading, suspension, withdrawal, or negative change in credit watch status by any national rating service to any of the District's obligations; or

(l) any information shall have become known which, in the Underwriter's reasonable opinion, makes untrue, incorrect or misleading in any material respect any statement or information contained in the Limited Offering Memorandum, as the information contained therein has been supplemented or amended by other information, or causes the Limited Offering Memorandum, as so supplemented or amended, to contain an untrue, incorrect or misleading statement of a material fact or to omit to state a material fact necessary to be stated therein in order to make the statements made therein, in light of the circumstances under which they were made, not misleading and upon the receipt of notice of same by the District, the District fails to promptly amend or supplement the Limited Offering Memorandum; or

(m) an event occurs as a result of which the Limited Offering Memorandum, as then amended or supplemented, would include an untrue statement of a material fact or omit to state any material fact which is necessary to be stated therein in order to make the statements made therein, in light of the circumstances under which they were made, not misleading which, in the reasonable opinion of the Underwriter, requires an amendment or

supplement to the Limited Offering Memorandum and, in the reasonable opinion of the Underwriter, materially adversely affects the marketability of the Series 2024 Bonds or the contemplated offering prices thereof and upon the receipt of notice by the District, the District fails to promptly amend or supplement the Limited Offering Memorandum; or

(n) the Internal Revenue Service makes a determination with respect to any special purpose development district formed under State law (referred to herein as a "Special District") deeming that all or certain of such Special Districts are not a "political subdivision" for purposes of Section 103(a) of the Internal Revenue Code, and such determination, in the reasonable opinion of the Underwriter, materially adversely affects the federal tax status of the District, the tax exempt character or marketability of the Series 2024 Bonds or the contemplated offering prices thereof.

10. Expenses.

(a) The District agrees to pay from the proceeds of the Series 2024 Bonds, and the Underwriter shall be under no obligation to pay, all expenses incident to the performance of the District's obligations hereunder, including but not limited to (1) the cost of the preparation, printing or other reproduction (for distribution prior to, on or after the date of acceptance of this Purchase Agreement) of a reasonable number of copies of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum, (2) the fees and disbursements of Bond Counsel, District Counsel, Underwriter's Counsel, Special District Services, Inc., as Assessment Consultant, Kimley-Horn and Associates, Inc., as Consulting Engineer, and any other experts or consultants retained by the District, including, but not limited to, the fees and expenses of the District Manager and the Dissemination Agent, (3) the fees and disbursements of the Trustee, Bond Registrar and Paying Agent under the Indenture and (4) out-of-pocket expenses of the District.

(b) The Underwriter shall pay (1) the cost of qualifying the Series 2024 Bonds for sale in various states chosen by the Underwriter and the cost of preparing or printing any Blue Sky and legal investment memoranda to be used in connection with such sale, and (2) out-of-pocket expenses and advertising incurred by it in connection with their offering and distribution of the Series 2024 Bonds.

(c) In the event that either the District or the Underwriter shall have paid obligations of the other as set forth in this Section, adjustment shall be made at or prior to Closing.

11. Notices. All notices, demands and formal actions hereunder shall be in writing and mailed, telegraphed or delivered to:

12. Parties in Interest. This Purchase Agreement is made solely for the benefit of the District and the Underwriter (including the successors or assignees of the District or the Underwriter) and no other party or person shall acquire or have any right hereunder or by virtue hereof. All representations, warranties, covenants and agreements in this Purchase Agreement shall remain operative and in full force and effect, regardless of (a) any investigations made by or on behalf of the Underwriter, (b) the delivery of and payment for the Series 2024 Bonds pursuant to this Purchase Agreement, or (c) any termination of this Purchase Agreement but only to the extent provided by the last paragraph of Section 8 hereof.

13. Waiver. Notwithstanding any provision herein to the contrary, the performance of any and all obligations of the District hereunder and the performance of any and all conditions contained herein for the benefit of the Underwriter may be waived by the Underwriter in its sole discretion.

14. Effectiveness. This Purchase Agreement shall become effective upon the execution of the acceptance hereof by the Chairman and shall be valid and enforceable at the time of such acceptance.

15. Counterparts. This Purchase Agreement may be executed in several counterparts, each of which shall be regarded as a net original and all of which shall constitute one and the same document.

16. Headings. The headings of the sections of this Purchase Agreement are inserted for convenience only and shall not be deemed to be a part hereof.

17. Florida Law Governs. The validity, interpretation and performance of this Purchase Agreement shall be governed by the laws of the State.

18. Truth In Bonding Statement. Pursuant to the provisions of Section 218.385(2) and (3), Florida Statutes, as amended, the Underwriter provides the following truth-in-bonding statement:

(a) The District is proposing to issue \$[Bond Amount].00 of its Series 2024 Bonds for the purposes described in Section 2 hereof. This obligation is expected to be repaid over a period of approximately [30] years. At a true interest cost of approximately [TIC]%, total interest paid over the life of the obligation will be \$[_____].

(b) The sources of repayment for the Series 2024 Bonds are the Series 2024 Pledged Revenues and the Series 2024 Pledged Funds (as described in Section 2 hereof). Authorizing this obligation will result in an average of approximately \$[_____] not being available to finance other services of the District every year for approximately [30] years; provided however, that in the event that the Series 2024 Bonds were not issued, the District would not be entitled to impose and collect the Series 2024 Assessments in the amount of the principal of and interest to be paid on the Series 2024 Bonds.

19. No Advisory or Fiduciary Role. The District acknowledges and agrees that (a) the purchase and sale of the Series 2024 Bonds pursuant to this Purchase Agreement is an arm's-length commercial transaction between the District and the Underwriter, (b) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriter is and has been acting solely as a principal and is not acting as an advisor (including, without limitation, a Municipal Advisor, as such term is defined in Section 975(e) of the Dodd Frank Wall Street Reform and Consumer Protection Act), agent or fiduciary of the District, (c) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the District with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter or any affiliate of the Underwriter has provided other services or is currently providing other services to the District on other matters) and the Underwriter has no obligation to the District with respect to the offering contemplated hereby except the obligations expressly set forth in this Purchase Agreement, (d) the District has consulted its own legal, financial and other advisors to the extent it has deemed appropriate in connection with the offering of the Series 2024 Bonds, (e) the Underwriter has financial and other interests that differ from those of the District, and (f) the District has received the Underwriter's G-17 Disclosure Letter.

20. Establishment of Issue Price.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Series 2024 Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit J, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2024 Bonds.

(b) Except as otherwise set forth in Exhibit A attached hereto, the District will treat the first price at which 10% of each maturity of the Series 2024 Bonds (the "10% test") is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Purchase Agreement, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of Series 2024 Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Series 2024 Bonds, the Underwriter agrees to promptly report to the District the prices at which it sells the unsold Series 2024 Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing has occurred,

until the 10% test has been satisfied as to the Series 2024 Bonds of that maturity or until all Series 2024 Bonds of that maturity have been sold to the public.

(c) The Underwriter confirms that it has offered the Series 2024 Bonds to the public on or before the date of this Purchase Agreement at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit A attached hereto. Exhibit A also sets forth, as of the date of this Purchase Agreement, the maturities, if any, of the Series 2024 Bonds for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Series 2024 Bonds, the Underwriter will neither offer nor sell unsold Series 2024 Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the Underwriter has sold at least 10% of that maturity of the Series 2024 Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the District when it has sold 10% of that maturity of the Series 2024 Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(d) The Underwriter acknowledges that sales of any Series 2024 Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

- (1) "public" means any person other than an underwriter or a related party;
- (2) "underwriter" means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2024 Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2024 Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Series 2024 Bonds to the public);
- (3) a purchaser of any of the Series 2024 Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profit

interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and

(4) "sale date" means the date of execution of this Purchase Agreement by all parties.

B. RELIANCE

This opinion is solely for the benefit of the (i) District; (ii) Underwriter; and (iii) Trustee; however, the Trustee may only rely on this opinion for the limited purposes of the opinions stated in Sections C.1 and C.3. This opinion may not be relied on by any other party or for any other purpose without our prior written consent. Notwithstanding the foregoing, no attorney-client relationship has existed or exists between the undersigned and the Underwriter or Trustee in connection with the Bonds by virtue of this opinion.

C. OPINIONS

Based on the foregoing, and subject to the qualifications and assumptions set forth herein, we are of the opinion that:

1. **Authority** – Under the Florida Constitution and laws of the State of Florida, the District has been duly established and validly exists as a local unit of special purpose government and a community development district under Chapter 190, *Florida Statutes* ("**Act**"), with such powers as set forth in the Act, and with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Indenture, the Bonds and the Bond Agreements; (b) to issue the Bonds for the purposes for which they are issued; (c) to impose, levy, collect and enforce the Debt Assessments and pledge the Series 2024 Trust Estate to secure the Bonds as provided in the Indenture; (d) to adopt the Bond Resolution and the Assessment Resolution; and (e) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolution, the Bond Agreements, the Bonds and the Indenture.

2. **Assessments** – The proceedings by the District with respect to the Debt Assessments have been in accordance with Florida law. The District has taken all action necessary to authorize and execute the Assessment Resolution and to levy and impose the Debt Assessments as set forth in the Assessment Resolution, Assessment Methodology,

and/or other applicable documents. The Debt Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

3. **Agreements** – The (a) Bond Resolution, (b) Bonds, (c) Indenture, and (d) Bond Agreements (assuming due authorization, execution and delivery of documents (b) – (d) listed herein by any parties thereto other than the District) have been duly and validly authorized, executed and delivered by the District, have been duly approved and adopted and/or issued by the District, are in full force and effect, constitute legal, valid and binding obligations of the District, and are enforceable against the District in accordance with their respective terms. All conditions prescribed in the Indenture as precedent to the issuance of the Bonds have been fulfilled.

4. **Validation** – The Bonds have been validated by a final judgment of the Circuit Court in and for Sarasota County, Florida, of which no timely appeal was filed.

5. **Governmental Approvals** – As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution; (b) the issuance, sale, execution and delivery of the Bonds upon the terms set forth in the BPA, PLOM, and LOM; (c) the execution and delivery of the Indenture and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

6. **PLOM and LOM** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our review of the PLOM and LOM and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the PLOM and LOM, and as of the date of their respective issuances, and with respect to the PLOM, the date of the BPA, and with respect to the LOM, the date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM and LOM: "INTRODUCTION," "SUITABILITY FOR INVESTMENT," SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Agreement for Assignment of Development Rights," "– Completion Agreement" and "– True-Up Agreement," ENFORCEMENT OF ASSESSMENT COLLECTIONS," "THE DISTRICT" (excluding the subcaption "District Manager and Other Consultants"), "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS," "VALIDATION," "LITIGATION – District," "CONTINUING DISCLOSURE" (as it relates to the District only), "LEGALITY FOR INVESTMENT," and "AGREEMENT BY THE STATE," and further provided however that the opinions stated herein do not extend to any statements that constitute descriptions of the Bonds or the Indenture. No information or opinion is offered as to any remaining provisions of the PLOM or LOM.

7. **Litigation** – Based on inquiry of the District's Registered Agent for service of process and the fact that we have not been served with notice, there is no litigation pending

or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Debt Assessments or the Series 2024 Trust Estate pledged for the payment of the debt service on the Bonds; (b) contesting or affecting the authority for the Debt Assessments, the authority for the issuance of the Bonds or the validity or enforceability of the Bonds, the Indenture, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indenture or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Debt Assessments for the payment of the debt service on the Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Bonds.

8. ***Compliance with Laws*** – To the best of our knowledge, the District is not, in any manner material to the issuance of the Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indenture), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. ***Authority to Undertake the Project*** – The District has good right and lawful authority under the Act to undertake, finance, acquire, own, and operate the Project, subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body.

D. CERTAIN ASSUMPTIONS

In rendering the foregoing opinions, we have assumed the following: (1) that all public records, certifications, agreements and other documents examined by us that have been executed or certified by public officials acting within the scope of their official capacities are authentic, truthful and accurate; (2) that copies of such public records, certifications, agreements, and other documents furnished to us are authentic and conform to the originals; (3) that all signatures on executed public records, certifications, agreements and other documents are genuine; and (4) that all public records, certifications, agreements and other documents have been properly authorized and are binding on each of the other parties thereto. Such assumptions do not apply to the District's execution of the District documents.

E. CERTAIN QUALIFICATIONS

The foregoing opinions are subject to the following qualifications:

1. The opinions or statements expressed above are based solely on the laws of Florida in effect at the time of issuance of the Bonds. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of the federal government (including but not limited to the Internal Revenue Code or any proposed changes thereto), or any other state or other jurisdiction.

2. Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws, relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court.

3. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws or federal securities laws, as to which no opinion is expressed.

4. We further express no opinion as to the necessity for an interest rate waiver under Florida law, or the applicability of any provision or section of the Internal Revenue Code.

5. We express no opinion and make no representations with regard to financial, statistical, or other similar information or data. We express no opinion as to compliance with any state or federal tax laws.

6. Except as set forth in Section C.9, we express no opinion and make no representations as to the Project, including but not limited to costs, estimates, projections, status, technical provisions, or anything else related to the Project.

7. We have not reviewed, and therefore express no opinion, regarding any land use, real property or other related items, including but not limited to the Developer's and/or any other landowner's ownership interests in any property within the District, whether the Developer and/or any other landowner owns any of the real property subject to the recordable Bond Agreements and/or Declaration of Consent, or whether the Developer is able to convey good and marketable title to any particular real property or interest therein.

8. With respect to any of the opinions set forth in this letter which are based on or qualified by the phrase "to our knowledge," the words "to our knowledge" signify that, in the course of our representation of the District, no facts have come to our attention that would give us actual knowledge that any such opinions or other matters are not accurate. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts, and no inference as to our knowledge of the existence of such facts should be drawn from the fact of our representation of the District.

9. The opinions set forth herein are based on factual representations made to us as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention, or to reflect any

changes in law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of a particular result and are not binding on the courts or any other entity; rather, our opinions represent our professional judgment based on our review of existing law, and in reliance on the representations and covenants that we deem relevant to such opinions.

Very truly yours,

Re: Central Parc Community Development District \$[Bond Amount] Special Assessment Revenue Bonds, Series 2024 (the "**Bonds**")

Ladies and Gentlemen:

We have acted as counsel to Sabal Trace Development Partners, LLC, a Florida limited liability company ("**Developer**"), as to its development of the Central Parc project located in the City of North Port, Florida ("**Development**"), which is located in the Central Parc Community Development District ("**District**"), in connection with the issuance of the Bonds ("**Bond Transaction**").

This opinion is delivered specifically in connection with the execution and delivery by Developer of the following documents, each of even date herewith, and all relating to the Bonds (collectively, the "**Developer Documents**"): (i) Declaration of Consent to Jurisdiction of Central Parc Community Development District and to Imposition of Debt Special Assessments; (ii) Continuing Disclosure Agreement, by and among the Developer, the District, and Special District Services, Inc.; (iii) Agreement By and Between the Central Parc Community Development District and Sabal Trace Development Partners, LLC, Regarding the Completion of Certain Improvements Relating to the Series 2024 Project; (iv) Agreement Between the Central Parc Community Development District and Sabal Trace Development Partners, LLC, Regarding the True-Up and Payment of Series 2024 Assessments; (v) Collateral Assignment and Assumption of Development and Contract Rights between the District and the Developer; (vi) Tri-Party Agreement Relating to Acknowledgement of Jurisdiction, Imposition of Special Assessments, and Acknowledgment of Subordination among the District, Developer and Fields-Realty, LLC; (vii) Agreement Between Central Parc Community Development District and Sabal Trace Development Partners, LLC Regarding the Acquisition of Certain Work Product, Improvements and Real Property; and (viii) Developer's Certificate (pursuant to Bond Purchase Agreement dated [BPA Date]). Capitalized terms used but not defined in this opinion shall have the meanings ascribed to them in the Developer Documents or that certain Preliminary Limited Offering Memorandum dated [PLOM Date], and that certain Limited Offering Memorandum dated [BPA Date], both pertaining to the Bond Transaction (collectively, the "**Limited Offering Memoranda**").

Also, we have examined the following organizational documents, and such other organizational documents as we have deemed necessary or appropriate (collectively, the "**Developer Organizational Documents**"):

(a) Certificate of Formation of the Developer, filed with the Florida Secretary of State on _____, as File No. _____;

(b) Limited Liability Company Agreement of Developer, dated _____ ("**Developer's Company Agreement**");

(c) Certificate of Good Standing as to Developer, issued by the Florida Secretary of State on _____, 2024;

(d) Developer's Action by Written Consent of the Manager, dated _____, appointing officers of Developer; and

(e) Developer's Action by Written Consent of the Manager, dated _____, 2024, authorizing the Bond Transaction on behalf of the Developer.

We have made such examination of law as we have deemed necessary or appropriate in rendering the opinions set forth below. We have further relied upon certificates and representations made by the Developer, the Developer's representatives and the parties to this transaction described in the Limited Offering Memoranda.

The opinions hereinafter expressed are subject to the following qualifications:

A. The enforceability of the Developer Documents in accordance with their respective terms is subject to (i) the effect of any applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or other laws affecting creditors' rights and/or remedies generally, and (ii) general equitable principles which limit specific enforcement of, or indemnification provisions in the Developer Documents. Our opinion as to enforceability of any document is, therefore, subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws relating to or affecting creditors' rights and/or remedies generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), commercial reasonableness, good faith and the exercise of judicial discretion in appropriate cases.

B. Certain rights and remedies contained in the Developer Documents may be rendered ineffective, or limited, by applicable laws or judicial decisions governing such provisions, but such laws and judicial decisions do not, in our opinion, make the Developer Documents inadequate for the practical realization of the benefits intended to be provided by the Developer Documents.

C. We have examined the originals or copies of such records of Developer, certificates of public officials, the Developer Organizational Documents, and such other agreements, instruments and documents that we have deemed necessary as a basis for the opinions hereinafter expressed.

D. In rendering the foregoing opinions, we have assumed the accuracy and truthfulness of all public records and of all certifications, documents and other proceedings examined by us that have been executed or certified by the public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof.

E. In rendering this opinion, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified, conformed or photostatic copies, and the legal capacity of all natural persons.

F. Except for Developer, we have assumed that each other party to the Developer Documents has the requisite power and authority to enter into and perform its respective obligations under the Developer Documents, and has duly authorized and executed and delivered the respective Developer Documents, and that such Developer Documents are valid, binding and enforceable against such other parties.

G. We have assumed that the Developer Documents reviewed by us contain the entire agreement of the parties with respect to the subject matter thereof, and that there are no other oral or written agreements between the parties that would modify the Developer Documents.

H. As to any fact relevant to this opinion, we have relied solely upon representations of Developer. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts, and no inference as to our knowledge of the existence of such facts should be drawn from the fact of our limited representation of Developer in connection with the Bond Transaction. Whenever our opinion herein with respect to the existence or absence of facts is indicated to be based upon our knowledge or awareness, it is intended to signify that during the course of our limited representation of Developer as herein described, no information has come to our attention which would give us actual knowledge of the existence or absence of such facts.

I. The opinions expressed herein relate solely to Florida and Federal law as now existing. We express no opinion with regard to any matters which may be, or which purport to be, governed by the laws of any other state or jurisdiction.

J. Nothing herein shall be construed as an opinion regarding the possible applicability of Federal or state securities or "blue sky" laws, as to which no opinion is expressed.

K. We exclude from this opinion letter an opinion as to the applicability or effect of any Federal or state taxes, including income taxes, sales taxes and franchise fees.

L. We express no opinions other than those specifically set forth herein and no other opinions may be considered implied or inferred hereby.

Based upon the foregoing, and subject to the qualifications set forth herein, we are of the opinion that:

1. Developer is a Florida limited liability company, duly organized, and in good standing under the laws of the State of Florida and authorized to transact business in the State of Florida.

2. Developer has the power to conduct its business and to undertake the portion of the development of Central Parc as described in the Limited Offering Memoranda, and to enter into the Developer Documents.

3. The Developer Documents have been authorized by all necessary limited liability company action, executed and delivered by Developer and, assuming the due authorization, execution and delivery of each Developer Document by the other parties thereto, the Developer Documents constitute legal, valid and binding obligations of Developer, enforceable in accordance with their respective terms.

4. The execution, delivery and performance of the Developer Documents by Developer do not violate (a) Developer's Company Agreement, (b) to our knowledge, any agreement, instrument or Federal or Florida law, rule or regulation known to us to which Developer is a party or by which Developer's assets are or may be bound, or (c) to our knowledge, any judgment, decree or order of any administrative tribunal, which judgment, decree, or order is binding on Developer or its assets.

5. Nothing has come to our attention that would lead us to believe the information contained in the Limited Offering Memoranda under the captions "THE DEVELOPMENT," "THE DEVELOPER," "LITIGATION – Developer," and "CONTINUING DISCLOSURE – Developer Continuing Compliance" does not accurately and fairly present the information purported to be shown or contains any untrue statement of a material fact, nor omits to state any material fact necessary to make the statement made therein, in light of the circumstances under which they were made, not misleading as of the respective dates of the Limited Offering Memoranda or as of the date hereof.

6. To our knowledge based on a certificate of Developer, the levy of the Series 2024 Assessments on lands within the District will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which Developer is a party or to which Developer or any of its property or assets is subject.

7. To our knowledge based on a certificate of Developer, there is no threatened litigation which would prevent or prohibit the development of the Development in accordance with the description thereof in the Limited Offering Memoranda and the Engineer's Report annexed thereto, or which may result in any material adverse change in the business, properties, assets or financial condition of Developer.

8. To our knowledge based on a certificate of Developer, Developer has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. To our knowledge, Developer has not indicated its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

9. To our knowledge based on a certificate of Developer, Developer is not in default under any mortgage, trust indenture, lease or other instrument to which it or any of its assets is subject, which default would have a material adverse effect on the Bonds or the development of the District Lands.

This opinion letter speaks only as of the date hereof and we assume no obligation to update or supplement this opinion letter if any applicable laws change after the date of this opinion letter or if we become aware after the date of this opinion letter of any facts, whether existing before or arising after the date hereof, that might change the opinions expressed above.

We have no obligation to update this opinion letter or otherwise advise you with respect to any event or circumstance arising after the date hereof or with respect to events or circumstances occurring prior to the date hereof which are not known to us but of which we subsequently become aware. This opinion letter is provided as a legal opinion only and not as a guaranty or warranty of the matters discussed herein or in documents referred to herein. No opinion may be inferred or implied beyond the matters expressly stated herein.

This opinion letter has been prepared and is to be construed in accordance with the Report on Third-Party Legal Opinion Customary Practice in Florida, dated December 3, 2011 (the "**Report**"). The Report is incorporated by reference into this opinion letter.

This opinion is solely for the benefit of the addressees in connection with the Bond Transaction and this opinion may not be relied upon in any manner, nor used, by any other persons or entities or for any other purpose.

Very truly yours,

FORM OF ISSUE PRICE CERTIFICATE

CENTRAL PARC COMMUNITY DEVELOPMENT DISTRICT \$[Bond Amount] Special Assessment Revenue Bonds, Series 2024

The undersigned, on behalf of **MBS CAPITAL MARKETS, LLC** ("MBS"), hereby certifies as set forth below with respect to the sale and issuance of the above-captioned obligations (the "Series 2024 Bonds"). Capitalized terms shall have the meaning ascribed in Section 2 hereof.

MBS and the District entered into a Bond Purchase Agreement on the Sale Date in connection with the sale of the Series 2024 Bonds (the "Purchase Agreement"). Pursuant to the terms of the Purchase Agreement, MBS made a bona fide limited offering of the Series 2024 Bonds to a portion of the Public representing accredited investors as required by Florida law at the prices or yields for each such maturity as shown on the cover page of the Limited Offering Memorandum, dated [BPA Date], relating to the Series 2024 Bonds.

1. Sale of the Series 2024 Bonds. As of the date of this certificate, for each Maturity of the Series 2024 Bonds, the first price at which at least 10% of such Maturity was sold to the Public is the respective price listed in Schedule A.

2. Defined Terms.

(a) *District* means Central Parc Community Development District.

(b) *Maturity* means Series 2024 Bonds with the same credit and payment terms. Series 2024 Bonds with different maturity dates, or Series 2024 Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

(c) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party" for purposes of this certificate generally means any two or more persons who have greater than 50% common ownership, directly or indirectly.

(d) *Sale Date* means the first day on which there is a binding contract in writing for the sale of a Maturity of the Series 2024 Bonds. The Sale Date of the Series 2024 Bonds is [BPA Date].

(e) *Underwriter* means (i) any person that agrees pursuant to a written contract with the District to participate in the initial sale of the Series 2024 Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Series 2024 Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Series 2024 Bonds to the Public).

3. Reserve Account. A reserve account in an amount equal to the Series 2024 Reserve Account Requirement was necessary in order to market and sell the Series 2024 Bonds given the nature of the Series 2024 Bonds which are secured by special assessments and the delinquent assessment collection procedures related thereto.

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents MBS' interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the District with respect to certain of the representations set forth in the Tax Certificate executed by the District in connection with the issuance, sale and delivery of the Series 2024 Bonds and with respect to compliance with the federal income tax rules affecting the Series 2024 Bonds, and by Bond Counsel in connection with rendering its opinion that the interest on the Series 2024 Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the District from time to time relating to the Series 2024 Bonds.

The Series 2024 Bonds are payable from and secured by the Series 2024 Trust Estate, which includes the Series 2024 Pledged Revenues and the Series 2024 Pledged Funds. The Series 2024 Pledged Revenues consist of the revenues received by the District from the Series 2024 Assessments (as further described herein). The Series 2024 Pledged Funds include all of the Funds and Accounts (except for the Series 2024 Rebate Account) established by the Indenture. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS" herein.

See "DESCRIPTION OF THE SERIES 2024 BONDS – Book-Entry Only System" herein. The Series 2024 Bonds will bear interest at the fixed rates set forth below, calculated on the basis of a 360-day year of twelve 30-day months. Interest on the Series 2024 Bonds is payable semi-annually on each May 1 and November 1, commencing November 1, 2024.

The Series 2024 Bonds are subject to optional, mandatory and extraordinary mandatory redemption at the times, in the amounts and at the redemption prices as more fully described herein. See "DESCRIPTION OF THE SERIES 2024 BONDS – Redemption Provisions" herein.

The Series 2024 Bonds are being issued to (a) finance a portion of the Cost of the Series 2024 Project (as defined herein), (b) pay certain costs associated with the issuance of the Series 2024 Bonds, (c) make a deposit into the Series 2024 Reserve Account to be held for the benefit of all of the Series 2024 Bonds, without privilege or priority of one Series 2024 Bond over another, and (d) pay a portion of the interest to become due on the Series 2024 Bonds.

NEITHER THE SERIES 2024 BONDS NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF FLORIDA. THE SERIES 2024 BONDS AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2024 BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2024 BONDS SHALL BE PAYABLE FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2024 TRUST ESTATE PLEDGED TO THE SERIES 2024 BONDS, ALL AS PROVIDED IN THE SERIES 2024 BONDS AND IN THE INDENTURE.

THE SERIES 2024 BONDS INVOLVE A DEGREE OF RISK (SEE "BONDOWNERS' RISKS" HEREIN) AND ARE NOT SUITABLE FOR ALL INVESTORS (SEE "SUITABILITY FOR INVESTMENT" HEREIN). THE UNDERWRITER IS LIMITING THE OFFERING OF THE SERIES 2024 BONDS TO ACCREDITED

INVESTORS WITHIN THE MEANING OF THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. HOWEVER, THE LIMITATION OF THE INITIAL OFFERING OF THE SERIES 2024 BONDS TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2024 BONDS. THE SERIES 2024 BONDS ARE NOT CREDIT ENHANCED AND ARE NOT RATED AND NO APPLICATION HAS BEEN MADE FOR CREDIT ENHANCEMENT OR A RATING WITH RESPECT TO THE SERIES 2024 BONDS, NOR IS THERE ANY REASON TO BELIEVE THAT THE DISTRICT WOULD HAVE BEEN SUCCESSFUL IN OBTAINING EITHER CREDIT ENHANCEMENT OR A RATING FOR THE SERIES 2024 BONDS HAD APPLICATION BEEN MADE.

LIMITED OFFERING MEMORANDUM

relating to

CENTRAL PARC COMMUNITY DEVELOPMENT DISTRICT (City of North Port, Florida) \$8,480,000* Special Assessment Revenue Bonds, Series 2024

INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page and appendices hereto, is to set forth certain information concerning the Central Parc Community Development District (the "District") in connection with the offering and issuance by the District of its \$8,480,000* Special Assessment Revenue Bonds, Series 2024 (the "Series 2024 Bonds").

The Series 2024 Bonds are being issued pursuant to the Act (hereinafter defined) and a Master Trust Indenture dated as of April 1, 2024 (the "Master Indenture"), between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), as supplemented by a First Supplemental Trust Indenture dated as of April 1, 2024, between the District and the Trustee (the "Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), and resolutions adopted by the Board of Supervisors of the District (the "Board") on March 20, 2020 and March [19], 2024, authorizing the issuance of the Series 2024 Bonds. All capitalized terms used in this Limited Offering Memorandum that are defined in the Indenture and not defined herein shall have the respective meanings set forth in the Indenture, the form of which appears in composite APPENDIX C attached hereto.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes (the "Act"), the Florida Constitution, and other applicable provisions of law, and established by Ordinance No. 2020-04, enacted by the City Commission of the City of North Port, Florida (the "City"), on February 25, 2020 (the "Ordinance"). The District was established for the purpose, among other things, of financing and managing the acquisition, construction, installation, maintenance, and operation of the major infrastructure within and without the boundaries of the District. The boundaries of the District include approximately 207 acres of land (the "District Lands") located entirely within the City in Sarasota County, Florida (the "County"). For more complete information about the District, the Board and the District Manager (hereinafter defined), see "THE DISTRICT" herein.

The Act authorizes the District to issue bonds for the purposes, among others, of financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping, operating and maintaining water management, water supply, sewer and wastewater management, bridges or culverts, district roads, recreational facilities and other basic infrastructure projects within or without the boundaries of the District, all as provided in the Act.

* Preliminary, subject to change.

Under the Constitution and laws of the State of Florida (the "State"), including the Act, the District has the power and authority to levy non-ad valorem assessments upon the District Lands and to issue bonds for the purposes of providing community development services and facilities, including those financed with the proceeds of the Series 2024 Bonds as described herein.

Consistent with the requirements of the Indenture and the Ordinance, the Series 2024 Bonds are being issued to (a) finance a portion of the Cost of the Series 2024 Project (hereinafter defined), (b) pay certain costs associated with the issuance of the Series 2024 Bonds, (c) make a deposit into the Series 2024 Reserve Account to be held for the benefit of all of the Series 2024 Bonds, without privilege or priority of one Series 2024 Bond over another, and (d) pay a portion of the interest to become due on the Series 2024 Bonds.

The District is currently planned to include 500 residential units and a separate mixed-use area anticipated to be developed into various multi-family units and commercial/retail uses. The capital improvement program for the District (the "CIP") consists of certain infrastructure improvements for the benefit of the District Lands, including roadways, stormwater management facilities, utilities, offsite master improvements, landscaping, irrigation, environmental conservation and mitigation, and associated professional fees. The CIP has been allocated to two (2) separate and distinct areas within the District, the residential portion (the "Residential Lands") and the mixed-use portion (the "Mixed Use Lands"). The portion of the CIP allocable to the Residential Lands is hereinafter referred to as the "Series 2024 Project." See "THE CAPITAL IMPROVEMENT PROGRAM AND THE SERIES 2024 PROJECT" and "THE DEVELOPMENT" herein.

The Series 2024 Bonds are payable from and secured by the Series 2024 Trust Estate, including the revenues received by the District from the Series 2024 Assessments and amounts in the Funds and Accounts (except for the Series 2024 Rebate Account) established by the Indenture. Upon issuance of the Series 2024 Bonds, the Series 2024 Assessments will be levied on an equal per acre basis on the Residential Lands planned to include 500 residential units (the "Series 2024 Assessment Area"). Ultimately, the Series 2024 Assessments are anticipated to be levied on 500 residential units that are all subject to assessment as a result of the Series 2024 Project as described in the Assessment Report (hereinafter defined).

The Series 2024 Assessments represent an allocation of the costs of the Series 2024 Project, including bond financing costs, to the Series 2024 Assessment Area in accordance with the Assessment Report. The Assessment Report and assessment resolutions with respect to the Series 2024 Assessments (collectively, the "Assessment Proceedings") permit the prepayment in part or in full of the Series 2024 Assessments at any time without penalty, together with interest at the rate on the corresponding Series 2024 Bonds to the Quarterly Redemption Date that is more than forty-five (45) days next succeeding the date of prepayment. See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein and "APPENDIX B – ASSESSMENT REPORT" attached hereto.

Subsequent to the issuance of the Series 2024 Bonds, the District may cause one or more Series of Bonds to be issued pursuant to the Master Indenture, subject to the terms and conditions thereof. Bonds may be issued for the purpose of paying all or part of the Cost of a Series Project or refunding an Outstanding Series of Bonds or any portion thereof. The District covenants and agrees in the Supplemental Indenture that so long as there are

any Series 2024 Bonds Outstanding, it shall not cause or permit to be caused any lien, charge or claim against the Series 2024 Trust Estate other than Bonds issued to refund the Outstanding Series 2024 Bonds. The District further covenants and agrees in the Supplemental Indenture that so long as the Series 2024 Assessments have not been Substantially Absorbed, it shall not issue any Additional Bonds for capital projects secured by Assessments on lands subject at such time to the Series 2024 Assessments without the consent of the Majority Owners; provided, however, that the foregoing shall not preclude the imposition of capital Assessments at any time on property subject to the Series 2024 Assessments which the District certifies are necessary for health, safety, and welfare reasons, to remediate a natural disaster, imposed prior to the issuance of the Series 2024 Bonds, or Operation and Maintenance Assessments. "Substantially Absorbed" is defined in the Supplemental Indenture to mean the date on which the principal amount of the Series 2024 Assessments equaling at least ninety percent (90%) of the then-Outstanding principal amount of the Series 2024 Bonds is levied on tax parcels within the District with respect to which a certificate of occupancy has been issued for a structure thereon and are owned by end users, as certified by an Authorized Officer and upon which the Trustee may conclusively rely. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – No Parity Bonds; Limitation on Parity Assessments" herein.

There follows in this Limited Offering Memorandum a brief description of the District and the Development (hereinafter defined), together with summaries of the terms of the Series 2024 Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and statutes and all references to the Series 2024 Bonds are qualified by reference to the definitive form thereof and the information with respect thereto contained in the Indenture, the form of which appears in composite APPENDIX C attached hereto.

SUITABILITY FOR INVESTMENT

Investment in the Series 2024 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or MBS Capital Markets, LLC (the "Underwriter"), to give any information or make any representations, other than those contained in this Limited Offering Memorandum. Additional information will be made available to each prospective investor, including the benefit of a site visit to the District, and the opportunity to ask questions of the District, as such prospective investor deems necessary in order to make an informed decision with respect to the purchase of the Series 2024 Bonds. Prospective investors are encouraged to request such additional information, visit the District and ask such questions.

While the Series 2024 Bonds are not subject to registration under the Securities Act of 1933, as amended (the "Securities Act"), the Underwriter has determined that the Series 2024 Bonds are not suitable for investment by persons other than, and, as required by Chapter 189, Florida Statutes, will offer the Series 2024 Bonds only to, "accredited investors," as such term is utilized in Chapter 517, Florida Statutes, and the rules promulgated thereunder. However, the limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2024 Bonds. Prospective investors in the Series 2024 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and

risks of an investment in the Series 2024 Bonds and should have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment.

DESCRIPTION OF THE SERIES 2024 BONDS

General Description

The Series 2024 Bonds are issuable as fully registered bonds, without coupons, in denominations of \$5,000 or any integral multiple thereof; provided, however, that the Series 2024 Bonds shall be delivered to the initial purchasers thereof in minimum aggregate principal amounts of \$100,000 and integral multiples of \$5,000 in excess of \$100,000.

The Series 2024 Bonds will be dated their date of issuance and delivery to the initial purchasers thereof and will bear interest payable on each May 1 and November 1, commencing November 1, 2024 (each, an "Interest Payment Date") and shall be computed on the basis of a 360-day year of twelve 30-day months. The Series 2024 Bonds will mature on May 1 of such years, in such amounts and at such rates as set forth on the cover page of this Limited Offering Memorandum.

Interest on the Series 2024 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. Each Series 2024 Bond shall bear interest from the Interest Payment Date to which interest has been paid next preceding the date of its authentication, unless the date of its authentication (a) is an Interest Payment Date to which interest on such Series 2024 Bond has been paid, in which event such Series 2024 Bond shall bear interest from its date of authentication, or (b) is prior to the first Interest Payment Date for the Series 2024 Bonds, in which event, such Series 2024 Bond shall bear interest from its date.

Debt Service on each Series 2024 Bond will be payable in any coin or currency of the United States of America which, at the date of payment thereof, is legal tender for the payment of public and private debts. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture, be paid to the registered Owner at the close of business on the regular Record Date for such interest, which shall be the fifteenth (15th) day of the calendar month next preceding such Interest Payment Date, or, if such day is not a Business Day on the Business Day immediately preceding such day; provided, however, that on or after the occurrence and continuance of an Event of Default under clause (a) of Section 902 of the Master Indenture, the payment of interest and principal or Redemption Price or Amortization Installments shall be made by the Paying Agent (hereinafter defined) to such person who, on a special record date which is fixed by the Trustee, which shall be not more than fifteen (15) and not less than ten (10) days prior to the date of such proposed payment, appears on the registration books of the Bond Registrar as the registered Owner of a Series 2024 Bond. Any payment of principal, Maturity Amount or Redemption Price shall be made only upon presentation thereof at the designated corporate trust office of U.S. Bank Trust Company, National Association, located in Fort Lauderdale, Florida, or any alternate or successor paying agent (collectively, the "Paying Agent"), unless the Series 2024 Bonds are held in the book-entry system in which case presentation shall not be required. Payment of interest shall be made by check

or draft (or by wire transfer to the registered Owner if such Owner requests such method of payment in writing on or prior to the regular Record Date for the respective interest payment to such account as shall be specified in such request, but only if the registered Owner owns not less than \$1,000,000 in aggregate principal amount of the Series 2024 Bonds).

The Series 2024 Bonds will initially be registered in the name of Cede & Co., as Nominee for The Depository Trust Company ("DTC"), which will act initially as securities depository for the Series 2024 Bonds and, so long as the Series 2024 Bonds are held in book-entry only form, Cede & Co. will be considered the registered Owner for all purposes hereof. See "- Book-Entry Only System" below for more information about DTC and its book-entry only system.

As more particularly set forth in the Indenture, any Series 2024 Bonds that are purchased by the District with amounts held to pay an Amortization Installment will be cancelled and the principal amount so purchased will be applied as a credit against the applicable Amortization Installment of Series 2024 Bonds. Amortization Installments are also subject to recalculation, as provided in the Supplemental Indenture, as the result of the redemption of Series 2024 Bonds so as to reamortize the remaining Outstanding principal balance of the Series 2024 Bonds as set forth in the Supplemental Indenture.

Extraordinary Mandatory Redemption. The Series 2024 Bonds are subject to extraordinary mandatory redemption prior to maturity, in whole on any date or in part on any Quarterly Redemption Date, in the manner determined by the Bond Registrar at the Redemption Price of 100% of the principal amount thereof, without premium, together with accrued interest to the date of redemption as follows, if and to the extent that any one or more of the following shall have occurred:

(a) on or after the Date of Completion of the Series 2024 Project, by application of moneys transferred from the Series 2024 Acquisition and Construction Account to the Series 2024 Prepayment Subaccount in accordance with the terms of the Indenture; or

(b) from amounts required by the Indenture to be deposited into the Series 2024 Prepayment Subaccount including, but not limited to, Series 2024 Prepayment Principal and any excess amounts in the Series 2024 Reserve Account as a result of the deposit of such Series 2024 Prepayment Principal and any excess amount on deposit in the Series 2024 Reserve Account resulting from a reduction in the Series 2024 Reserve Account Requirement; or

(c) on the date on which the amount on deposit in the Series 2024 Reserve Account, together with other moneys available therefor, are sufficient to pay and redeem all of the Series 2024 Bonds then Outstanding, including accrued interest thereon.

If less than all of the Series 2024 Bonds shall be called for redemption, the particular Series 2024 Bonds or portions of Series 2024 Bonds to be redeemed shall, unless otherwise provided in the Indenture, be selected by lot by the Bond Registrar as provided in the Indenture.

Notice of Redemption

Notice of each redemption of Series 2024 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the date of redemption to each registered Owner of Series 2024 Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2024 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2024 Bonds or such portions thereof on such date, interest on such Series 2024 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2024 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2024 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Pursuant to the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

Book-Entry Only System

THE INFORMATION IN THIS CAPTION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM DTC AND NEITHER THE DISTRICT NOR THE UNDERWRITER MAKES ANY REPRESENTATION OR WARRANTY OR TAKES ANY RESPONSIBILITY FOR THE ACCURACY OR COMPLETENESS OF SUCH INFORMATION.

DTC will act as securities depository for the Series 2024 Bonds. The Series 2024 Bonds will be issued as fully-registered bonds registered in the name of Cede & Co. (DTC's partnership nominee), or such other name as may be requested by an authorized representative of DTC. One fully-registered bond certificate will be issued for each maturity of the Series 2024 Bonds and will be deposited with DTC. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants (the "Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (the "Indirect Participants"). DTC has a Standard and Poor's rating of AA+. The DTC rules applicable to its Participants are on file with the Securities and Exchange Commission ("SEC"). More information about DTC can be found at www.dtcc.com.

Purchases of the Series 2024 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for such Series 2024 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2024 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from

the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2024 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of the Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2024 Bonds, except in the event that use of the book-entry system for the Series 2024 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2024 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2024 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2024 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2024 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping an account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements made among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Series 2024 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2024 Bonds, as the case may be, to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2024 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2024 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2024 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the District or the Registrar on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Registrar or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent for the Series 2024 Bonds. Disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such

payments to the Beneficial Owners will be the responsibility of the Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2024 Bonds at any time by giving reasonable notice to the District. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2024 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2024 Bond certificates will be printed and delivered to DTC.

NEITHER THE DISTRICT NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO THE DIRECT PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEE WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTICE FOR THE DIRECT PARTICIPANTS, THE INDIRECT PARTICIPANTS OR THE BENEFICIAL OWNERS OF THE SERIES 2024 BONDS. THE DISTRICT CANNOT AND DOES NOT GIVE ANY ASSURANCES THAT DTC, THE DIRECT PARTICIPANTS OR OTHERS WILL DISTRIBUTE PAYMENTS OF PRINCIPAL OF OR INTEREST ON THE SERIES 2024 BONDS PAID TO DTC OR ITS NOMINEE, AS THE REGISTERED OWNER, OR PROVIDE ANY NOTICES TO THE BENEFICIAL OWNERS OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC WILL ACT IN THE MANNER DESCRIBED IN THIS LIMITED OFFERING MEMORANDUM.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS

General

The Series 2024 Bonds are payable from and secured by the revenues received by the District from the Series 2024 Assessments and amounts in the Funds and Accounts (except for the Series 2024 Rebate Account) established by the Indenture (collectively, the "Series 2024 Trust Estate"). Series 2024 Assessments will be allocated as described in "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein. The Series 2024 Assessments represent an allocation of the costs of the Series 2024 Project, including bond financing costs, to such benefited land within the Series 2024 Assessment Area in accordance with the Assessment Report attached hereto as composite APPENDIX B.

NEITHER THE SERIES 2024 BONDS NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF THE STATE. THE SERIES 2024 BONDS AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO

PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2024 BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2024 BONDS SHALL BE PAYABLE FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2024 TRUST ESTATE PLEDGED TO THE SERIES 2024 BONDS, ALL AS PROVIDED IN THE SERIES 2024 BONDS AND IN THE INDENTURE.

No Parity Bonds; Limitation on Parity Assessments

The District covenants and agrees in the Supplemental Indenture that so long as there are any Series 2024 Bonds Outstanding, it shall not cause or permit to be caused any lien, charge or claim against the Series 2024 Trust Estate other than Bonds issued to refund the Outstanding Series 2024 Bonds. The District further covenants and agrees in the Supplemental Indenture that so long as the Series 2024 Assessments have not been Substantially Absorbed, it shall not issue any Additional Bonds for capital projects secured by Assessments on lands subject at such time to the Series 2024 Assessments without the consent of the Majority Owners; provided, however, that the foregoing shall not preclude the imposition of capital Assessments at any time on property subject to the Series 2024 Assessments which the District certifies are necessary for health, safety, and welfare reasons, to remediate a natural disaster, imposed prior to the issuance of the Series 2024 Bonds, or Operation and Maintenance Assessments. "Substantially Absorbed" is defined in the Supplemental Indenture to mean the date on which the principal amount of the Series 2024 Assessments equaling at least ninety percent (90%) of the then-Outstanding principal amount of the Series 2024 Bonds is levied on tax parcels within the District with respect to which a certificate of occupancy has been issued for a structure thereon and are owned by end users, as certified by an Authorized Officer and upon which the Trustee may conclusively rely.

WHILE NO FUTURE ADDITIONAL BONDS WILL BE PAYABLE FROM OR SECURED BY THE SERIES 2024 ASSESSMENTS PLEDGED AS SECURITY FOR THE SERIES 2024 BONDS, THE DISTRICT, THE CITY, THE COUNTY, THE SCHOOL BOARD OF SARASOTA COUNTY, FLORIDA, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF MAY IN THE FUTURE IMPOSE, LEVY AND COLLECT ASSESSMENTS AND TAXES THE LIENS OF WHICH WILL BE CO-EQUAL WITH THE LIEN OF ASSESSMENTS WHICH INCLUDES THE SERIES 2024 ASSESSMENTS SECURING THE SERIES 2024 BONDS. See "- Enforcement and Collection of Series 2024 Assessments" below.

Funds and Accounts

The Supplemental Indenture requires that the Trustee establish, as needed, the following Accounts: (a) within the Acquisition and Construction Fund, a Series 2024 Acquisition and Construction Account and a Series 2024 Costs of Issuance Account; (b) within the Debt Service Fund, (i) a Series 2024 Debt Service Account and therein a Series 2024 Sinking Fund Account, a Series 2024 Interest Account and a Series 2024 Capitalized Interest Account, and (ii) a Series 2024 Redemption Account and therein a Series 2024 Prepayment Subaccount and a Series 2024 Optional Redemption Subaccount; (c) within the Reserve Fund, a Series 2024 Reserve Account, which Series 2024 Reserve Account shall be

held for the benefit of all Series 2024 Bonds, without distinction as to Series 2024 Bonds and without privilege or priority of one Series 2024 Bond over another; (d) within the Revenue Fund, a Series 2024 Revenue Account; and (e) within the Rebate Fund, a Series 2024 Rebate Account.

Series 2024 Reserve Account

The Series 2024 Reserve Account shall be funded and maintained at all times in an amount equal to the Series 2024 Reserve Account Requirement. "Series 2024 Reserve Account Requirement" is defined in the Supplemental Indenture to mean, until such time as the Reserve Account Release Conditions are met, an amount equal to the Maximum Annual Debt Service Requirement for all Outstanding Series 2024 Bonds as of the time of any such calculation, which on the date of issuance of the Series 2024 Bonds is equal to \$_____. Upon receipt by the Trustee of the Reserve Release Certifications (hereinafter defined) and thereafter, the Series 2024 Reserve Account Requirement is defined in the Supplemental Indenture to mean an amount equal to fifty percent (50%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2024 Bonds as of the time of any such calculation. Excess amounts on deposit in the Series 2024 Reserve Account as a result of the deposit of Series 2024 Prepayment Principal and/or as a result of the Reserve Account Release Conditions having been met shall be transferred, as directed by an Authorized Officer, as provided in Section 405 of the Supplemental Indenture.

"Reserve Account Release Conditions" is defined in the Supplemental Indenture to mean, collectively, that (a) all residential lots subject to the Series 2024 Assessments have been developed, platted and sold to third-party builders, (b) all Series 2024 Assessments are being collected pursuant to the Uniform Method, and (c) there are no Events of Default occurring or continuing under the Indenture with respect to the Series 2024 Bonds. An Authorized Officer shall provide a written certification to the Trustee certifying that the events in clauses (a) and (b) have occurred and affirming clause (c), on which certifications the Trustee may conclusively rely (collectively, the "Reserve Release Certifications").

Except as otherwise provided in the Indenture, amounts on deposit in the Series 2024 Reserve Account shall be used only for the purpose of making payments into the Series 2024 Interest Account and the Series 2024 Sinking Fund Account to pay Debt Service on the Series 2024 Bonds, when due, without distinction as to Series 2024 Bonds and without privilege or priority of one Series 2024 Bond over another, to the extent the moneys on deposit in such Accounts and available therefor are insufficient and for no other purpose. The Series 2024 Reserve Account shall consist only of cash and Investment Obligations.

Upon satisfaction of the Reserve Account Release Conditions, an Authorized Officer of the District shall provide the Reserve Release Certifications to the Trustee, upon which certifications the Trustee may conclusively rely, and thereupon an Authorized Officer of the District shall recalculate the Series 2024 Reserve Account Requirement and instruct the Trustee to transfer any excess as a result of having met the Reserve Account Release Conditions to the Series 2024 Acquisition and Construction Account to be used for the purposes of such Account unless the Series 2024 Acquisition and Construction Account has been closed in which case such excess shall be transferred to the Series 2024 Prepayment

Subaccount and applied to the extraordinary mandatory redemption of the Series 2024 Bonds.

On the forty-fifth (45th) day preceding each Quarterly Redemption Date (or, if such forty-fifth (45th) day is not a Business Day, on the first Business Day preceding such forty-fifth (45th) day), the District shall recalculate the Series 2024 Reserve Account Requirement taking into account any Series 2024 Prepayment Principal on deposit in the Series 2024 Prepayment Subaccount of the Series 2024 Redemption Account and shall direct the Trustee in writing to transfer any amount on deposit in the Series 2024 Reserve Account in excess of the Series 2024 Reserve Account Requirement as a result of such Series 2024 Prepayment Principal to the Series 2024 Prepayment Subaccount as a credit against the Prepayment otherwise required to be made by the owner of such lot or parcel. Following the foregoing transfer, such amounts in the Series 2024 Prepayment Subaccount shall be applied to the extraordinary mandatory redemption of the Series 2024 Bonds on the earliest date permitted for redemption therein and in the Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations.

On the earliest date on which there is on deposit in the Series 2024 Reserve Account, sufficient monies, after taking into account other monies available therefor, to pay and redeem all of the Outstanding Series 2024 Bonds, together with accrued interest on such Series 2024 Bonds to the earliest date of redemption permitted therein and in the Supplemental Indenture, then the Trustee shall transfer the amount on deposit in the Series 2024 Reserve Account into the Series 2024 Prepayment Subaccount in the Series 2024 Redemption Account to pay and redeem all of the Outstanding Series 2024 Bonds on the earliest date permitted for redemption therein and in the Supplemental Indenture.

Anything in the Indenture to the contrary notwithstanding, amounts on deposit in the Series 2024 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

Series 2024 Revenue Account

(a) Pursuant to the Supplemental Indenture, the Trustee is authorized and directed to deposit into the Series 2024 Revenue Account any and all amounts required to be deposited therein by the Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. The Series 2024 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

(b) The Trustee shall deposit into the Series 2024 Revenue Account the Series 2024 Pledged Revenues other than Series 2024 Prepayment Principal, which shall be identified by the District to the Trustee as such in writing upon deposit and which shall be deposited into the Series 2024 Prepayment Subaccount in the Series 2024 Redemption Account, and any other revenues required by other provisions of the Indenture to be deposited therein. The Trustee may conclusively rely on the assumption that, unless otherwise instructed in writing by the District at the time of deposit with the Trustee, Series 2024 Pledged Revenues paid to the Trustee shall be deposited into the Series 2024

Revenue Account, and that Series 2024 Pledged Revenues which the District informs the Trustee constitute Series 2024 Prepayment Principal shall be deposited into the Series 2024 Prepayment Subaccount of the Series 2024 Redemption Account.

(c) On the forty-fifth (45th) day preceding each Quarterly Redemption Date with respect to the Series 2024 Bonds (or if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee shall determine the amount on deposit in the Series 2024 Prepayment Subaccount of the Series 2024 Redemption Account and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2024 Revenue Account for deposit into the Series 2024 Prepayment Subaccount, an amount sufficient to increase the amount on deposit therein to the next highest integral multiple of \$5,000 (provided that there are sufficient funds remaining therein to pay Debt Service coming due on the Series 2024 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2024 Bonds in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2024 Prepayment Subaccount in accordance with the provisions for extraordinary redemption of the Series 2024 Bonds set forth in the form of Series 2024 Bonds attached to the Supplemental Indenture and in accordance with the provisions of the Indenture.

(d) On each May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day next preceding such May 1 or November 1), the Trustee shall first transfer from the Series 2024 Capitalized Interest Account to the Series 2024 Interest Account the lesser of (x) the amount of interest coming due on the Series 2024 Bonds on such May 1 or November 1, less the amount already on deposit therein, or (y) the amount remaining in the Series 2024 Capitalized Interest Account.

Following the foregoing transfers, on each May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall then transfer from the amounts on deposit in the Series 2024 Revenue Account to the Funds and Accounts designated below in the following amounts and in the following order of priority:

FIRST, to the Series 2024 Interest Account, an amount equal to the amount of interest payable on all Series 2024 Bonds then Outstanding on such May 1 or November 1, less any amount transferred from the Series 2024 Capitalized Interest Account in accordance with the Supplemental Indenture, and less any other amount already on deposit in the Series 2024 Interest Account not previously credited;

SECOND, on May 1, 20__, and each May 1 thereafter, to the Series 2024 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2024 Bonds subject to mandatory sinking fund redemption on such May 1, and the amount already on deposit in the Series 2024 Sinking Fund Account not previously credited;

THIRD, to the Series 2024 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2024 Reserve Account Requirement; and

FOURTH, the balance shall be retained in the Series 2024 Revenue Account.

(e) On any date required by the Tax Regulatory Covenants, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2024 Revenue Account to the Series 2024 Rebate Account established for the Series 2024 Bonds in the Rebate Fund in accordance with the Master Indenture, the amount due and owing, if any, to the United States, which amount shall be paid, to the United States, when due, in accordance with such Tax Regulatory Covenants.

Investments

Anything in the Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2024 Bonds shall be invested only in Investment Obligations, and further, earnings on the Series 2024 Acquisition and Construction Account, the Series 2024 Interest Account and the Series 2024 Capitalized Interest Account shall be retained, as realized, in such Accounts and used for the purposes of such Accounts. Earnings on investments in the Funds and Accounts other than the Series 2024 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2024 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2024 Reserve Account shall be disposed of as follows:

(a) if there was no deficiency (as defined in Section 509 of the Master Indenture) in the Series 2024 Reserve Account as of the most recent date on which amounts on deposit in the Series 2024 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2024 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Capitalized Interest Account through November 1, 2024, and thereafter earnings in the Series 2024 Reserve Account shall be allocated to and deposited into the Series 2024 Revenue Account and used for the purpose of such Account; and

(b) if as of the last date on which amounts on deposit in the Series 2024 Reserve Account were valued by the Trustee there was a deficiency (as defined in Section 509 of the Master Indenture), or if after such date withdrawals have been made from the Series 2024 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Reserve Account until the amount on deposit therein is equal to the Series 2024 Reserve Account Requirement, and then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Capitalized Interest Account through November 1, 2024, and thereafter shall be allocated to and deposited into the Series 2024 Revenue Account and used for the purpose of such Account.

Notwithstanding the foregoing, if there is a deficiency in the Series 2024 Reserve Account, prior to the deposit of any earnings in the Series 2024 Revenue Account, the amount of such proposed transfer shall instead be deposited into the Series 2024 Reserve Account until the balance on deposit therein is equal to the Series 2024 Reserve Account Requirement.

Series 2024 Acquisition and Construction Account

Amounts on deposit in the Series 2024 Acquisition and Construction Account shall be applied to pay Costs of the Series 2024 Project upon compliance with the requisition provisions set forth in Section 503(b) of the Master Indenture and the form attached as Exhibit A to the Master Indenture. The Trustee shall have no duty to review the requisition to determine if the amount requested is for payment of a cost permitted under the Indenture. Anything in the Master Indenture to the contrary notwithstanding, the Consulting Engineer shall establish a Date of Completion for the Series 2024 Project, and any balance remaining in the Series 2024 Acquisition and Construction Account (taking into account the moneys currently on deposit therein to pay any accrued but unpaid Costs of the Series 2024 Project which are required to be reserved in the Series 2024 Acquisition and Construction Account in accordance with the certificate of the Consulting Engineer delivered to the District and the Trustee establishing such Date of Completion), shall be deposited to the Series 2024 Prepayment Subaccount and applied to the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with the Indenture and in the manner prescribed in the form of Series 2024 Bonds attached to the Supplemental Indenture. Notwithstanding the foregoing, the District shall not establish a Date of Completion for the Series 2024 Project until either (i) the Reserve Account Release Conditions have been satisfied and all moneys that have been transferred from the Series 2024 Reserve Account into the Series 2024 Acquisition and Construction Account as a result of such release conditions having been satisfied pursuant to Section 405 of the Supplemental Indenture have been expended on Costs of the Series 2024 Project or (ii) the Consulting Engineer has certified in writing to the District and the Trustee that the amounts on deposit in the Series 2024 Acquisition and Construction Account are in excess of the amounts needed to complete the Series 2024 Project. After there are no funds therein and either the Reserve Account Release Conditions have been met or the Date of Completion of the Series 2024 Project has been established, the Series 2024 Acquisition and Construction Account shall be closed.

Agreement for Assignment of Development Rights

Contemporaneously with the issuance of the Series 2024 Bonds, Sabal Trace Development Partners, LLC, a Florida limited liability company (the "Developer") and the District will enter into a Collateral Assignment and Assumption of Development and Contract Rights (Series 2024 Bonds) (the "Collateral Assignment"). The Collateral Assignment provides, among other things, that in the event the Developer defaults in the payment of Series 2024 Assessments levied on lands owned by the Developer, the District may exercise its remedial rights thereunder. Pursuant to the Collateral Assignment, the Developer agrees, subject to the provisions of the Collateral Assignment, to collaterally assign to the District all of its development rights and contract rights relating to lands benefited by the Series 2024 Project (the "Development and Contract Rights") as security for the Developer's payment and performance and discharge of its obligation to pay the Series 2024 Assessments levied against the lands owned by the Developer within the Series 2024 Assessment Area. Such Development and Contract Rights specifically exclude any such portion of the Development and Contract Rights which relate solely to any property which has been conveyed to a landowner resulting from the sale of land in the ordinary course of business, the City, the County, the District, any applicable homeowner's association or other governing entity or association as may be required by applicable

permits, approvals, plats, entitlements or regulations affecting the Series 2024 Assessment Area, if any.

Completion Agreement

In connection with the issuance of the Series 2024 Bonds, the District and the Developer will enter into an agreement (the "Completion Agreement") pursuant to which the Developer will agree to provide funds to complete the CIP to the extent that proceeds of the Series 2024 Bonds and any future Series of Bonds are insufficient therefor. Remedies for a default under the Completion Agreement include damages and/or specific performance.

True-Up Agreement

In connection with the issuance of the Series 2024 Bonds, the District and the Developer will enter into an agreement (the "True-Up Agreement") pursuant to which the Developer agrees to timely pay all Series 2024 Assessments on lands owned by the Developer and subject to the Series 2024 Assessments and to pay at the time prescribed by the True-Up Agreement any amount of Series 2024 Assessments allocated to unplatted acres in excess of the allocation in place at the time of issuance of the Series 2024 Bonds which is not able to be assigned to platted lots in accordance with the Assessment Report.

Enforcement of Completion Agreement and True-Up Agreement

Pursuant to the Indenture, the District, either through its own actions or actions caused to be taken through the Trustee, covenants that it shall strictly enforce all of the provisions of the Completion Agreement and the True-Up Agreement and, upon the occurrence and continuance of a default under either or both of such Agreements, the District covenants and agrees that the Trustee, at the direction of the Majority Owners, may, subject to the provisions of Section 912 of the Master Indenture, act on behalf of and in the District's stead to enforce the provisions of such Agreements and to pursue all available remedies under applicable law or in equity. Anything in the Indenture to the contrary notwithstanding, failure of the District to enforce, or permit the Trustee to enforce in its stead, all of the provisions of the Completion Agreement and the True-Up Agreement upon demand of the Majority Owners, or the Trustee at the direction of the Majority Owners, shall constitute an Event of Default under the Indenture without benefit of any period for cure.

Owner Direction and Consent with Respect to Series 2024 Acquisition and Construction Account upon Occurrence of Event of Default

In accordance with the provisions of the Indenture, the Series 2024 Bonds are secured solely by the Series 2024 Pledged Revenues and the Series 2024 Pledged Funds comprising the Series 2024 Trust Estate. Anything in the Indenture to the contrary notwithstanding, the District acknowledges that (a) the Series 2024 Pledged Funds include, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account then held by the Trustee, (b) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Funds may not be used by the District (whether to pay Costs of the Series 2024 Project or otherwise) without the consent

of the Majority Owners, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the Series 2024 Project and payment is for such work, and (c) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to construction of the Series 2024 Project after the occurrence of an Event of Default unless authorized in writing by the Majority Owners.

Events of Default

The Master Indenture provides that each of the following shall be an "Event of Default" with respect to the Series 2024 Bonds, but no other Series of Bonds unless otherwise provided in the Supplemental Indenture relating to such Series:

- (a) any payment of Debt Service on the Series 2024 Bonds is not made when due;
- (b) the District shall for any reason be rendered incapable of fulfilling its obligations under the Indenture;
- (c) the District admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself or for the whole or any part of the Series 2024 Project;
- (d) the District is adjudged insolvent by a court of competent jurisdiction, or is adjudged bankrupt on a petition in bankruptcy filed against the District, or an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the District, a receiver or trustee of the District or of the whole or any part of its property and if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof;
- (e) the District shall file a petition or answer seeking reorganization or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof;
- (f) under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District's assets or any part thereof, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control;
- (g) any portion of the Series 2024 Assessments shall have become Delinquent Assessments and, as the result thereof, the Trustee has withdrawn funds in an amount greater than twenty-five percent (25%) of the amount on deposit in the Series 2024 Reserve Account to pay Debt Service on the Series 2024 Bonds;
- (h) more than twenty percent (20%) of the Operation and Maintenance Assessments levied by the District on tax parcels subject to the Series 2024 Assessments

are not paid by the date such are due and payable, and such default continues for sixty (60) days after the date when due; and

(i) the District shall default in the due and punctual performance of any of the material covenants, conditions, agreements and provisions contained in the Series 2024 Bonds or in the Indenture on the part of the District to be performed (other than a default in the payment of Debt Service on the Series 2024 Bonds when due, which is an Event of Default under subsection (a) above) and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the District by the Trustee or, if the Trustee is unwilling or unable to act, by Owners of not less than ten percent (10%) in aggregate principal amount of the Series 2024 Bonds then Outstanding and affected by such default; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such thirty (30) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as, the District shall commence such performance within such thirty (30) day period and shall diligently and continuously prosecute the same to completion.

The District covenants and agrees in the Indenture that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Owners, from time to time, of the Series 2024 Bonds. Notwithstanding anything to the contrary in the Indenture, and unless otherwise directed by the Majority Owners of the Series 2024 Bonds and allowed pursuant to federal or State law, the District acknowledges and agrees that (a) upon failure of any property owner to pay an installment of Series 2024 Assessments collected directly by the District when due, that the entire Series 2024 Assessment on the tax parcel as to which such Delinquent Assessment appertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the District shall promptly, but in any event within 120 days, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties with respect to such tax parcel, and (b) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages.

Provisions Relating to Bankruptcy or Insolvency of Landowner

The provisions of Section 913 of the Master Indenture, as summarized below, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least three percent (3%) of the Series 2024 Assessments pledged to the Series 2024 Bonds then Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

The District acknowledges and agrees in the Indenture that, although the Series 2024 Bonds were issued by the District, the Owners of the Series 2024 Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(a) the District agrees that it shall seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Series 2024 Bonds then Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2024 Assessments relating to the Series 2024 Bonds then Outstanding, the Series 2024 Bonds then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Majority Owners of the Series 2024 Bonds then Outstanding shall be deemed to have consented to the proposed action if the District does not receive a written response from the Majority Owners or the Trustee, acting at the direction of such Majority Owners, within sixty (60) days following delivery to the Majority Owners and the Trustee of a written request for consent);

(b) the District agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2024 Assessments relating to the Series 2024 Bonds then Outstanding, the Series 2024 Bonds then Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee or the Majority Owners;

(c) the District agrees that it shall seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Majority Owners of the Series 2024 Bonds then Outstanding shall be deemed to have consented to the proposed action if the District does not receive a written response from the Majority Owners and the Trustee within sixty (60) days following delivery to the Majority Owners and the Trustee of a written request for consent);

(d) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Series 2024 Assessments relating to the Series 2024 Bonds then Outstanding, would have the right to pursue and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Series 2024 Assessments relating to the Series 2024 Bonds then Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of

reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(e) the District shall not challenge the validity or amount of any claim submitted in good faith in such Proceeding by the Trustee or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding or take any other action in such Proceeding, which is adverse to the Trustee's enforcement of the District's claim and rights with respect to the Series 2024 Assessments relating to the Series 2024 Bonds then Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right to (i) file a proof of claim with respect to the Series 2024 Assessments pledged to the Series 2024 Bonds then Outstanding, (ii) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) defend any objection filed to said proof of claim.

The District acknowledges and agrees in the Indenture that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing in this section shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be free to pursue such a claim for Operation and Maintenance Assessments in such manner as it shall deem appropriate in its sole and absolute discretion; provided, however, that such claim shall not seek to reduce the amount or receipt of Series 2024 Assessments. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2024 Assessments relating to the Series 2024 Bonds then Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (d) above.

Enforcement and Collection of Series 2024 Assessments

The primary source of payment for the Series 2024 Bonds is the Series 2024 Assessments imposed on the lands within the Series 2024 Assessment Area that are specially benefited by the Series 2024 Project. To the extent that landowners fail to pay such Series 2024 Assessments, delay payments, or are unable to pay such Series 2024 Assessments, the successful pursuit of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2024 Bonds. The Act provides for various methods of collection of delinquent special assessments by reference to other provisions of the Florida Statutes. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein for a summary of special assessment payment and collection procedures appearing in the Florida Statutes.

Pursuant to the Indenture, when permitted by law, Series 2024 Assessments levied on platted lots and pledged to secure the Series 2024 Bonds shall be collected pursuant to the uniform method for the levy, collection and enforcement of Assessments afforded by

Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, or any successor statutes (the "Uniform Method") and Series 2024 Assessments levied on unplatted lots and pledged to secure the Series 2024 Bonds shall be collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless otherwise directed by the Trustee acting at the direction of the Majority Owners during an Event of Default. All Series 2024 Assessments that are collected directly by the District and not via the Uniform Method shall be due and payable by the landowner no later than thirty (30) days prior to each Interest Payment Date; provided, however, that such Series 2024 Assessments shall not be deemed to be Delinquent Assessments unless and until such Series 2024 Assessments are not paid by the applicable Interest Payment Date with respect to which they have been billed.

If the owner of any lot or parcel of land shall be delinquent in the payment of any Series 2024 Assessment, then such Series 2024 Assessment shall be enforced in accordance with the provisions of the Act and Chapters 170 and/or 197, Florida Statutes, as amended, including but not limited to the sale of tax certificates and tax deeds as regards such Delinquent Assessment. In the event the provisions of Chapter 197, Florida Statutes, are inapplicable or unavailable, then upon the delinquency of any Series 2024 Assessment, the District, either on its own behalf or through the actions of the Trustee, may, and shall, if so directed in writing by the Majority Owners of the Series 2024 Bonds then Outstanding, declare the entire unpaid balance of such Series 2024 Assessment to be in default and, at its own expense, cause such delinquent property to be foreclosed in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate, or pursuant to the provisions of Chapter 173, and Sections 190.026 and/or 170.10, Florida Statutes, or otherwise as provided by law.

If any tax certificates relating to Delinquent Assessments which are pledged to secure the payment of the principal of and interest on the Series 2024 Bonds are sold by the Tax Collector (hereinafter defined) pursuant to the provisions of Section 197.432, Florida Statutes, or if any such tax certificates are not sold but are later redeemed, the proceeds of such sale or redemption (to the extent that such proceeds relate to the Delinquent Assessments), less any commission or other charges retained by the Tax Collector, shall, if paid by the Tax Collector to the District, be paid by the District to the Trustee not later than five (5) Business Days following receipt of such proceeds by the District and shall be deposited by the Trustee to the credit of the Series 2024 Revenue Account.

If any property shall be offered for sale for the nonpayment of any Series 2024 Assessment and no person or persons shall purchase such property for an amount greater than or equal to the full amount due on the Series 2024 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may, but is not required to, then be purchased by the District for an amount equal to or less than the balance due on the Series 2024 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the Series 2024 Bonds; provided that the Trustee shall have the right, acting at the written direction of the Majority Owners of the Series 2024 Bonds, but shall not be obligated, to direct the District with respect to any action taken pursuant to this section. The District, either through its own actions or actions caused to be taken through the Trustee, shall have the power to lease or sell such property and deposit all of

the net proceeds of any such lease or sale into the Series 2024 Revenue Account. Not less than ten (10) days prior to the filing of any foreclosure action as provided in the Indenture, the District shall cause written notice thereof to be mailed to any designated agents of the Owners of the Series 2024 Bonds. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the District, it shall give written notice thereof to such representatives. The District, either through its own actions, or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for the listing for sale of property acquired by it as trustee for the benefit of the Owners of the Series 2024 Bonds within sixty (60) days after the receipt of the request therefor signed by the Majority Owners or the Trustee, acting at the written request of such Majority Owners, of the Series 2024 Bonds then Outstanding.

THERE CAN BE NO ASSURANCE THAT ANY SALE, PARTICULARLY A BULK SALE, OF LAND SUBJECT TO DELINQUENT ASSESSMENTS WILL PRODUCE PROCEEDS SUFFICIENT TO PAY THE FULL AMOUNT OF SUCH DELINQUENT ASSESSMENTS PLUS OTHER DELINQUENT TAXES AND ASSESSMENTS APPLICABLE THERETO.

Additional Covenants Regarding Assessments

The District covenants in the Indenture to comply with the terms of the proceedings heretofore adopted with respect to the Series 2024 Assessments, including the Assessment Report, and to levy the Series 2024 Assessments and any required true-up payments set forth in the Assessment Report, in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2024 Bonds, when due. The Assessment Report shall not be materially amended without the prior written consent of the Majority Owners. Notwithstanding the foregoing, amendments to the Assessment Report to account for new product types shall not require such consent.

Re-Assessment

Pursuant to the Master Indenture, if any Series 2024 Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or the District shall be satisfied that any such Series 2024 Assessment is so irregular or defective that it cannot be enforced or collected, or if the District shall have omitted to make such Series 2024 Assessment when it might have done so, the District shall either (a) take all necessary steps to cause a new Series 2024 Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (b) in its sole discretion, make up the amount of such Series 2024 Assessment from legally available moneys, which moneys shall be deposited into the Series 2024 Revenue Account. In case any such subsequent Series 2024 Assessment shall also be annulled, the District shall obtain and make other Series 2024 Assessments until a valid Series 2024 Assessment shall be made.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2024 Bonds is the revenues received by the District from the collection of Series 2024 Assessments to be imposed on certain lands in the District specially benefited by the Series 2024 Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein and "APPENDIX B - ASSESSMENT REPORT" attached hereto.

The imposition, levy, and collection of Series 2024 Assessments must be done in compliance with the provisions of State law. Failure by the District, the Sarasota County Tax Collector (the "Tax Collector") or the Sarasota County Property Appraiser (the "Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2024 Assessments during any year. Such delays in the collection of Series 2024 Assessments, or complete inability to collect any Series 2024 Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of Debt Service on the Series 2024 Bonds. See "BONDOWNERS' RISKS" herein. To the extent that landowners fail to pay the Series 2024 Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2024 Bonds.

For the Series 2024 Assessments to be valid, the Series 2024 Assessments must meet two requirements: (a) the benefit from the Series 2024 Project to the lands subject to the Series 2024 Assessments must exceed or equal the amount of the Series 2024 Assessments; and (b) the Series 2024 Assessments must be fairly and reasonably allocated across all such benefited properties. At closing, the Assessment Consultant (hereinafter defined) will certify that these requirements have been met with respect to the Series 2024 Assessments.

Pursuant to the Act and the Assessment Proceedings, the District may collect the Series 2024 Assessments through a variety of methods. See "BONDOWNERS' RISKS" herein. Initially, and for undeveloped properties owned by the Developer and subsequent landowners, the District will directly issue annual bills to landowners requiring payment of the Series 2024 Assessments and will enforce such bill through foreclosure proceedings. As lands are platted, the Series 2024 Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein and "APPENDIX B - ASSESSMENT REPORT" attached hereto. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapter 170, Florida Statutes, and the Act, the District may directly levy, collect and enforce the Series 2024 Assessments. In this context, Section 170.10, Florida Statutes, provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special

assessment due, including the Series 2024 Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one-year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2024 Assessments and the ability to foreclose the lien of such Series 2024 Assessments upon the failure to pay such Series 2024 Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2024 Assessments. See "BONDOWNERS' RISKS" herein.

Uniform Method Procedure

Subject to certain conditions, and for developed lands, the District may alternatively elect to collect the Series 2024 Assessments using the Uniform Method. The Uniform Method is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2024 Assessments to be levied and collected in this manner.

If the Uniform Method is used, the Series 2024 Assessments will be collected together with City, County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such Taxes and Assessments, including the Series 2024 Assessments, are to be billed together and landowners in the District are required to pay all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2024 Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2024 Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item would cause the Series 2024

Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of Debt Service on the Series 2024 Bonds.

Under the Uniform Method, if the Series 2024 Assessments are paid during November when due or during the following three (3) months, the taxpayer is granted a variable discount equal to four percent (4%) in November and decreasing one percentage point per month to one percent (1%) in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2024 Bonds that (a) the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2024 Assessments, (b) future landowners and taxpayers in the District will pay such Series 2024 Assessments, (c) a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (d) the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2024 Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2024 Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2024 Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than eighteen percent (18%)).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently eighteen percent (18%). The Tax Collector does not collect any money if tax certificates are issued, or "struck off," to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than eighteen percent (18%) per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2024 Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including

documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of five percent (5%), unless the rate borne by the certificates is zero percent (0%). The proceeds of such redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is affected by purchase of such certificates from the County, as described above.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven (7) years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two (2) years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven (7) years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two (2) years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in

excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the governing board of the County that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three (3) years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2024 Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2024 Assessments, which are the primary source of payment of the Series 2024 Bonds. Additionally, legal proceedings under federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS" herein.

THE DISTRICT

General

The District is a local unit of special purpose government duly organized and existing under the provisions of the Act and established by the Ordinance. The boundaries of the District include approximately 207 acres of land located entirely within the City.

Legal Powers and Authority

The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State. The Act provides legal authority for community development districts (such as the

District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development.

The Act provides that community development districts have the power to issue general obligation, revenue and special assessment revenue debt obligations in any combination to pay all or part of the cost of infrastructure improvements authorized under the Act. The Act further provides that community development districts have the power under certain conditions to levy and assess ad valorem taxes on taxable real property and the power to levy and assess non-ad valorem assessments, including the Series 2024 Assessments, on all developed and developable real property not exempt from special assessments under State law, within their boundaries to pay the principal of and interest on debt obligations issued and to provide for any sinking or other funds established in connection with any such debt obligation issues. Pursuant to the Act, such assessments may be levied, collected and enforced in the same manner and time as county property taxes.

Among other provisions, the Act gives the District's Board of Supervisors the authority to: (a) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and wastewater management reclamation and re-use systems or any combination thereof, and to construct and operate connecting intercepting or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the applicable specifications of the county in which such District roads are located; roads and improvements to existing public roads that are owned by or conveyed to the local general-purpose government, the State, or the federal government; street lights; alleys; landscaping; hardscaping; undergrounding of electric utility lines; buses, trolleys, transit shelters, ridesharing facilities and services, parking improvements, and related signage; (iv) conservation areas, mitigation areas, and wildlife habitat, including the maintenance of any plant or animal species, and any related interest in real or personal property; (v) any other project, facility or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District; and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses; and security, including, but not limited to, guardhouses, fences and gates, and electronic intrusion-detection systems; (b) borrow money and issue bonds of the District; (c) levy, collect and enforce special assessments; (d) impose and foreclose special assessment liens as provided in the Act; and (e) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District authorized by the Act.

The Act does not empower the District to adopt and enforce land use plans or zoning ordinances and the Act does not empower the District to grant building permits. These functions are collectively performed by the City or County and its respective departments of government.

The Act exempts all property of the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any Owner of bonds of the District to pursue any remedy for enforcement of any lien or pledge of the District in connection with such bonds, including the Series 2024 Bonds.

Board of Supervisors

The Act provides for a five-member Board of Supervisors (as previously defined, the "Board") to serve as the governing body of the District. Members of the Board must be residents of the State and citizens of the United States. Pursuant to the Act, six (6) years after establishment and after 250 qualified electors reside within the District, the seats of Board members whose terms expire are filled by votes of the qualified electors of the District, except as described below. A qualified elector is a registered voter who is a resident of the District and the State and a citizen of the United States. At the election where Board members are first elected by qualified electors, two Board members must be qualified electors and be elected by qualified electors, both to four-year terms. A third Board member is elected through an election of the landowners of the District. Thereafter, as terms expire, all Board members must be qualified electors and are elected to serve four-year terms with staggered expiration dates in the manner set forth in the Act. The current members of the Board and their respective term expiration dates are set forth below.

<u>Name</u>	<u>Title</u>	<u>Expiration of Term</u>
[Mark Gerenger]*	Chairman	November 2024
[Jim Blucher]	Vice Chairman	November 2024
[Kim B. Fields]*	Assistant Secretary	November 2024
[Matt Mootz]*	Assistant Secretary	November 2026
[Sean Landers]*	Assistant Secretary	November 2026

* Affiliate or employee of the Developer.

The Act empowers the Board to adopt administrative rules and regulations with respect to any projects of the District, and to enforce penalties for the violation of such rules and regulations. The Act permits the Board to levy taxes under certain conditions, and to levy special assessments, and to charge, collect and enforce fees and user charges for use of District facilities.

District Manager and Other Consultants

The Act authorizes the Board to hire a District Manager as the chief administrative official of the District. The Act provides that the District Manager shall have charge and supervision of the works of the District and shall be responsible for (a) preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, (b) maintaining and operating the equipment owned by the District, and (c) performing such other duties as may be prescribed by the Board.

Special District Services, Inc., has been retained as the firm to provide district management services for the District (in such capacity, the "District Manager"). The District Manager's office is located at 2501A Burns Road, Palm Beach Gardens, Florida 33410 and their phone number is (561) 630-4922.

The District Manager's typical responsibilities can briefly be summarized as directly overseeing and coordinating the District's planning, financing, purchasing, staffing, and reporting and acting as governmental liaison for the District. The District Manager's responsibilities also include requisitioning moneys to pay construction contracts and the related accounting and reporting that is required by the Indenture.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Bryant Miller Olive P.A., Orlando, Florida, as Bond Counsel; Kutak Rock LLP, Tallahassee, Florida, as District Counsel; Kimley-Horn and Associates, Inc., Fort Myers, Florida, as Consulting Engineer; and Special District Services, Inc., Palm Beach Gardens, Florida, as Assessment Consultant.

THE CAPITAL IMPROVEMENT PROGRAM AND THE SERIES 2024 PROJECT

Kimley-Horn and Associates, Inc. (the "Consulting Engineer"), has prepared the Engineer's Report dated March 20, 2020 (the "Master Engineer's Report"), as supplemented by the Supplement to Engineer's Report dated April 28, 2020 (the "First Supplement"), describing the scope and estimated cost of the District's capital improvement program (as previously defined, the "CIP") and, again supplemented with detailed information concerning the Series 2024 Project by the Second Supplement to Engineer's Report dated March [], 2024 (the "Second Supplement" and, together with the Master Engineer's Report and the First Supplement, the "Engineer's Report"), each attached hereto as part of composite APPENDIX A. The information in this section relating to the CIP and the Series 2024 Project is qualified in its entirety by reference to such Engineer's Report, which should be read in its entirety.

The CIP is estimated to cost approximately \$23.683 million and includes roadways, stormwater management facilities, utilities, offsite master improvements, landscaping, irrigation, environmental conservation and mitigation, and associated professional fees. The CIP has been allocated to two (2) separate and distinct areas within the District, the residential portion (as previously defined, the "Residential Lands") and the mixed-use portion (as previously defined, the "Mixed Use Lands").

The portion of the CIP allocable to the Residential Lands is estimated to cost \$[20.387] million (as previously defined, the "Series 2024 Project"). Proceeds of the Series 2024 Bonds totaling approximately \$7.9 million* will be utilized to construct and/or acquire a portion of the Series 2024 Project. As of March 1, 2024, the Developer estimates it has expended approximately \$20.54 million in development related expenditures. The remainder of the Series 2024 Project not funded with proceeds of the Series 2024 Bonds is anticipated to be funded with proceeds of the Development Loan (hereinafter defined) and contributions from the Developer. At the time of issuance of the Series 2024 Bonds, the Developer and the District will enter into the Completion Agreement whereby the Developer will agree to complete those portions of the CIP not funded with proceeds of the Series 2024 Bonds or a future Series of Bonds. The District cannot make any representation that the Developer will have sufficient funds to complete the CIP.

* Preliminary, subject to change.

The status of construction and permitting for the CIP is outlined in the Engineer's Report attached hereto as composite APPENDIX A. In addition to the Engineer's Report, please refer to "THE DEVELOPMENT – Zoning/Permitting/Environmental" for a more detailed description of the zoning, permitting and environmental status of the Development.

ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS

Special District Services, Inc. (in such capacity, the "Assessment Consultant"), has prepared the Master Assessment Methodology Report dated June 2, 2020 (the "Master Assessment Report") and the [Supplemental Assessment Methodology Report] dated March [19], 2024 (the "Supplemental Assessment Report" and, together with the Master Assessment Report, the "Assessment Report"), attached hereto as composite APPENDIX B. The Supplemental Assessment Report provides for a methodology to allocate the total costs and benefit derived from the Series 2024 Project and the Series 2024 Assessments levied in connection with the Series 2024 Bonds.

The Series 2024 Assessments securing the Series 2024 Bonds will initially be levied on an equal per acre basis on the Residential Lands, which are planned to include 500 single-family residential units (as previously defined, the "Series 2024 Assessment Area"). As the assessable parcels of land within the Series 2024 Assessment Area are developed and platted, the Series 2024 Assessments are then allocated to each of the platted units by product type as set forth in the Supplemental Assessment Report. The Series 2024 Assessments are ultimately expected to be allocated on a per unit basis to the 500 residential units planned within the Series 2024 Assessment Area. As discussed herein, 104 lots have been platted thereby resulting in the allocation of approximately \$1.8 million or 19.8% of the principal amount of the Series 2024 Assessments to such units. The table below illustrates the estimated per unit principal and annual Series 2024 Assessments.

<u>Product Type</u>	<u>Units</u>	<u>Series 2024 Bonds Principal Per Unit</u>	<u>Series 2024 Bonds Gross Annual Debt Service Per Unit*</u>
Single-family 35'	272	\$15,424	\$1,191
Single-family 52'	228	22,915	1,770
	500		

* Includes gross-up of 4% for early payment and 2% for collection fees imposed by the County.

The information herein below appearing under the captions "THE DEVELOPMENT" and "THE DEVELOPER" have been furnished by the Developer for inclusion in this Limited Offering Memorandum as a means for prospective Bondholders to understand the anticipated development plan and risks associated with the Development and the provision of infrastructure to the real property within the District. Although believed to be reliable, such information has not been independently verified by the District or its counsel, the Underwriter or its counsel, or Bond Counsel, and no person other than the Developer, subject to certain qualifications and limitations, makes any representation or warranty as to the accuracy or completeness of such information. At the time of the issuance of the Series 2024 Bonds, the Developer will represent in writing that the information herein under the captions "THE DEVELOPMENT," "THE DEVELOPER," "LITIGATION – Developer" and "CONTINUING DISCLOSURE – Developer Continuing Compliance" does not contain any

untrue statement of a material fact and does not omit to state any material fact necessary in order to make the statements made herein, in light of the circumstances under which they are made, not misleading.

The Developer's obligation to pay the Series 2024 Assessments is limited solely to its obligation as a landowner, just as any other landowner within the Development. The Developer is not a guarantor of payment on any property within the Development and the recourse for the Developer's failure to pay or otherwise comply with its obligations to the District is limited to its ownership interest in the land subject to the Series 2024 Assessments.

THE DEVELOPMENT

Overview

Central Parc at North Port (the "Development") consists of approximately 207 acres and is located within the City of North Port, Florida (as previously defined, the "City"). The boundaries of the Development and the District are co-terminus. The Development is bound on the west by North Port Boulevard, on the north by Appomattox Drive and sits just west of South Sumter Boulevard. The main entrance to the Development along Greenwood Avenue is located approximately one (1) mile from U.S. Highway 41. An additional exit is located along the northern border of the Development at Appomattox Drive. Downtown Sarasota and the Sarasota/Bradenton International Airport are approximately thirty-four (34) and thirty-nine (39) miles northwest of the Development, respectively, which can be accessed via Interstate 75. In addition, downtown Venice is located approximately sixteen (16) miles west of the Development.

A number of retail, entertainment and dining options are located within close proximity to the Development. In addition to retail and dining opportunities located along U.S. Highway 41, the Port Charlotte Town Center, located approximately six (6) miles east of the Development at the intersection of Veterans Boulevard and U.S. Highway 41, is filled with shopping, restaurants and entertainment including over 100 retail stores and a Regal 16-cinema. Additional recreational opportunities include Manasota and Venice Beach located within sixteen (16) miles of the Development. Venice Regional Medical Center and Englewood Community Hospital are each located within twelve (12) miles of the Development.

As indicated herein, the Development was the site of the former Sable Trace Golf and Country Club (since 1970). The Developer redesigned the site to include single-family residential homes with a separate mixed-use phase fronting the main entrance at Greenwood Avenue. As currently planned, the mixed-use area is anticipated to be developed into various multi-family units and commercial/retail uses. The residential area of the Development is currently planned to include 500 single-family residential units and has been designed to blend with existing residential neighborhoods previously situated along the golf course. As described further herein, the Developer entered into a lot purchase agreement with D.R. Horton (hereinafter defined) for the purchase of all 500 planned lots in the Series 2024 Assessment Area, with a takedown schedule commencing upon initial development completion. As discussed herein, Development activities are underway.

Land Acquisition/Development Financing

The Developer acquired the land constituting the Development out of foreclosure in October 2017 for an aggregate purchase price of \$1.8 million, which included certain costs attributable to back taxes and fees related to the foreclosed property. The acquisition of the lands was effectuated with a \$2 million loan (the "Original Loan") from Fields-Realty, LLC, a Florida limited liability company (in such capacity, the "Mortgagee"), which is also a member of the Developer. See "THE DEVELOPER" herein. In December 2022, the Developer renewed and replaced the Original Loan with a Renewal, Future Advance and Restated Promissory Note from the Mortgagee in the amount of \$10.0 million (the "Note") and a Mortgage Modification and Receipt of Future Advance Agreement dated December 14, 2022, effective November 21, 2022, recorded December 28, 2022 in the official records of Sarasota County as Instrument No. 2022200643 (the "Mortgage" and collectively with the Note, the "Development Loan"). In addition to renewing the Original Loan in the amount of \$2 million, the Development Loan memorializes \$8 million of additional advances and provides for \$10 million of future advances, for the development and horizontal construction of the lands constituting the Development. As of March 1, 2024, proceeds under the Development Loan have been fully advanced, and the Mortgagee will continue to advance additional funds as necessary to fund future development costs.

Upon issuance of the Series 2024 Bonds, the Mortgagee will enter into an agreement acknowledging the superiority of the lien of the Series 2024 Assessments to the Mortgage and licensing the assignment of development rights provided for in the Mortgage. See "BONDOWNERS' RISKS – Existing Mortgage and Mortgagee Acknowledgment" herein.

As of March 1, 2024, the Developer estimates it has expended approximately \$20.54 million in development-related expenditures. Proceeds of the Series 2024 Bonds totaling approximately \$7.9 million* will be utilized to construct and/or acquire a portion of the Series 2024 Project. The remainder of the Series 2024 Project not funded with proceeds of the Series 2024 Bonds or any future Series of Bonds, as well as such costs as the recreational facilities and bridge improvements, are anticipated to be funded with the Development Loan and contributions from the Developer. As discussed herein, Development activities are underway.

Zoning/Permitting/Environmental

Zoning. In July 2018, the lands constituting the Development were re-zoned as a Planned Community Development ("Central Parc PCD") with Development Master Plan ("DMP") approval by the City pursuant to Ordinance No. 2019-08. The DMP provides for the development of 500 residential units with a mixed-use component permitting medium density residential, commercial, and office uses.

In accordance with the Central Parc PCD, development of the property comprising the Development is being undertaken in accordance with the Development Order ("DO"). A summary of certain of the conditions of the DO is provided below.

* Preliminary, subject to change.

- *Transportation Impact Fee Reimbursement Agreement* – The transportation impact fee reimbursement agreement requires the design, permitting and construction of a bridge which carries the neighborhood's main entrance at Greenwood Avenue across Cocoplum Waterway to connect to Tuscola Boulevard. The bridge must be completed prior to or concurrently with the issuance of the certificate of occupancy for the 250th dwelling unit in the Development. The estimated current cost of the construction of the bridge is \$2.1 million. Pursuant to the agreement, the City will reimburse the Developer for actual costs incurred for the design, permitting, and construction of the bridge in an amount not to exceed \$1.819 million.
- *Stormwater* – The Developer coordinated and facilitated a blanket drainage easement agreement with the neighboring communities providing that the Developer shall maintain all drainage flows so as not to cause any adverse effects to off-site properties. The Developer also submitted and obtained approval for an acceptable dewatering plan for the Development.
- *Remedial Action Plan* – As described below in the subsection titled "Environmental," a remedial action plan ("RAP") for each phase of the Development was approved by the Florida Department of Environmental Protection ("FDEP") and submitted to the City prior to the start of arsenic remedial activities addressing arsenic impacts associated with historical golf course usage of the property. All arsenic remediation for each phase of construction must be completed prior to the completion of the construction of infrastructure for such phase.
- *Utilities* – In accordance with the DO, the Developer intends to permit the utilities in the Development with the FDEP in phases, paying permit fees as they become due. Further, the Developer and the City entered into a Water and Wastewater System Developer's Agreement (the "Utility Agreement") pursuant to which the Developer agreed to construct on-site and off-site water distribution, irrigation distribution, and wastewater collection systems to be connected to the central water and wastewater facilities of the City, and the City agreed to provide water and wastewater services to the Development and future customers seeking connection to the City's system. In accordance with the Utility Agreement, the Developer, or its assignee, has the right to purchase 770 water and wastewater Equivalent Residential Connections ("ERCs"). The Developer, or its assignee, is also responsible for paying Guaranteed Revenue Charges to the City. Ultimately, all water and wastewater collection systems, together with appropriate utility easements, will be turned over to the District and then the City. To date, the Developer has made two payments to the City in the aggregate amount of \$612,750 to cumulatively reserve 150 ERCs. As indicated herein, the Developer intends to permit the utilities in the Development in phases and to pay capacity fees in accordance with the Utility Agreement.

Permitting. The Developer has obtained certain permits for the Development with others pending or to be obtained as development progresses. The Developer has obtained an Environmental Resource Permit from the South Florida Water Management District for stormwater management for the entire Development. As indicated above, utility

permitting is being undertaken in phases. To date, the FDEP has approved the RAPs for all phases in the Development. In addition, the Developer has received a letter from the FDEP dated January 25, 2024, confirming that soil remediation is complete for the initial phase of 104 lots and that the lots are ready for residential use. Such first phase lots have been platted and are complete. As discussed herein, development work on subsequent phases is underway.

Upon issuance of the Series 2024 Bonds, the Consulting Engineer will certify that all permits for the development of the lands within the Series 2024 Assessment Area have either been obtained or are anticipated to be obtained in the ordinary course.

Environmental. As previously discussed herein, the lands constituting the District were formerly the site of the Sabal Trace Golf & Country Club, which ceased operations in 2015. In 2020, the City designated the former golf course as a "brownfield area for rehabilitation and redevelopment" pursuant to the Brownfields Redevelopment Act, Section 376.77 et seq., Florida Statutes, in order to spur the redevelopment of the site. Following designation, in December 2020, the Developer entered into a Brownfield Site Rehabilitation Agreement ("BSRA") with the FDEP, pursuant to which the Developer agreed to conduct the voluntary assessment, remediation and redevelopment of the former Sabal Trace golf course. In conjunction with site assessment activities, the Developer's consultant, Geosyntec Consultants, Inc., also confirmed that naturally occurring arsenic is present in the site soils in addition to impacts related to the application of arsenic-containing agrochemicals on the golf course and obtained an arsenic background determination from the FDEP.

Assessment and remediation activities in the Development pursuant to the BSRA commenced in 2020 and have been undertaken in phases, generally as follows: (a) soil and groundwater assessment was completed and approved by the FDEP; (b) following FDEP approval of the site assessment, Remedial Action Plans ("RAPs") were submitted and approved by the FDEP, describing the general methods for managing arsenic-impacted soils and the approach for managing exposure to meet the applicable cleanup target levels for the anticipated land use, including approval of alternative soil cleanup target levels for arsenic derived in accordance with State law; (c) after completion of the remediation in accordance with the approved RAPs for the Development lands or a phased portion thereof, documentation of completion of such activities must be submitted to the FDEP; and (d) the FDEP shall deem each phase of remediation complete as acknowledged by a status letter confirming compliance. Soil remediation generally includes the excavation of soil from targeted areas exhibiting soil arsenic concentrations above targeted cleanup levels for both on-site use and offsite disposal and insuring that soils in the top two (2) feet below land surface meet applicable soil target cleanup levels, including soils with higher concentrations of arsenic located in the perimeter vegetated berms surrounding the Development, as required by the City. On January 25, 2024, the Developer received a letter from the FDEP confirming completion and compliance for the first 104 lots in the Development and the adjoining perimeter vegetated berms and infrastructure. Upon completion of remediation of the entire Development, the FDEP will issue a Site Rehabilitation Completion Order.

Utilities

North Port Utilities is providing water and sewer service to the Development and Florida Power & Light Company is providing underground electrical power to the Development. Telephone, cable and high-speed internet service is being provided by Comcast/Xfinity and Frontier.

Land Use Plan

As referenced herein, the Series 2024 Assessment Area consists of the residential area of the Development which is currently planned to include 500 single-family residential units. The following table illustrates the current land use plan for the Series 2024 Assessment Area, which is subject to change:

<u>Product Type</u>	<u>Units</u>
Single-family 35'	272
Single-family 52'	228
	500

Development Status

Development activities in the Series 2024 Assessment Area commenced in 2022. Development activities for the first 104 lots in the Development, including, without limitation, clearing, mass grading, sewer and stormwater development, utility work, and remediation was completed in March 2024. The Developer received final plat approval from the City for the first 104 lots in the Series 2024 Assessment Area in January 2024 and the final plat was recorded in the official record book of the County on February 15, 2024. Work on subsequent phases is underway, with completion of all phases in the Development anticipated by the third quarter of 2025.

Builder Contract

The Developer has entered into a lot purchase agreement (the "Purchase Agreement") with D.R. Horton, Inc., a Delaware corporation ("D.R. Horton"), for the purchase of all 500 single-family lots in the Series 2024 Assessment Area of the Development. The Purchase Agreement provides for closings on each homesite in a series of takedowns, which shall occur upon substantial completion of all development-related work pertaining to each takedown. The first lot takedowns are anticipated to occur in the second quarter of 2024, with final lot closings scheduled to occur twenty-seven (27) months thereafter for all contracted lots. See "- Projected Absorption" below for a detail of the estimated lot closings by product type.

The Purchase Agreement provides for the base purchase price of \$77,000 for each thirty-five foot (35') lot and \$114,400 for each fifty-two foot (52') lot, subject to an escalation of five percent (5%) per annum, commencing with the initial takedown. Further, pursuant to the Purchase Agreement, D.R. Horton has made a total deposit equal to approximately \$1.7 million, which will be credited against the total purchase price due at each takedown on a pro-rata per lot basis.

Pursuant to the Purchase Agreement, prior to any takedown, the Developer is required to record a plat for the lots in such takedown and obtain a Site Status Letter from the FDEP confirming completion of the Developer's voluntary remediation activities for the applicable remediation phase. See "– Zoning/Permitting/Environmental" herein. The Developer must also satisfy certain drainage easement conditions and meet its obligations under the Transportation Impact Fee Reimbursement Agreement, for which any delay thereof will result in the delay of the takedown of lots. As part of its contract obligations, the Developer is responsible for the costs to develop and construct the entrance feature to the Development, which must be completed within ninety (90) days following the initial closing of lots, as well as an exit gate and common area landscaping. Further, the Developer is responsible for the costs to develop and construct the amenity center in the Development. The Developer is required to commence construction of the amenity center within ninety (90) days following the initial closing of lots. See "– Recreational Amenities" herein. Construction of the amenity center is anticipated to commence in the second quarter of 2024, with completion expected by the third quarter of 2025. Further, pursuant to the Purchase Agreement, D.R. Horton is required to pay the water and wastewater capacity fees associated with the takedown of each lot.

D.R. Horton is a Delaware corporation, the common stock of which is listed on the New York Stock Exchange under the symbol "DHI." D.R. Horton is subject to the informational requirements of the Securities and Exchange Commission Act of 1934, as amended (the "Exchange Act"), and in accordance therewith files reports, proxy statements, and other information with the SEC. The file number for D.R. Horton is 1-14122. The registration statement and other SEC filings are available through the SEC's EDGAR access system at the SEC's website at www.sec.gov. Copies of such materials can be obtained by mail from the Public Reference Section of the SEC at prescribed rates. All documents subsequently filed by D.R. Horton pursuant to the requirements of the Exchange Act after the date of this Limited Offering Memorandum will be available for inspection in the same manner as described above.

Projected Absorption

The following table sets forth the anticipated lot absorption schedule for residential lot takedowns of the 500 lots within the Series 2024 Assessment Area. Lot closings are anticipated to begin in the second quarter of 2024. It is currently expected that home sales and home construction activities will commence in the [_____] quarter of 202[4] with home closings anticipated to commence in the [_____] quarter of 202[4]. Homes are anticipated to be sold at pace of [___] per year.

The aforementioned projections are based upon estimates and assumptions that are inherently uncertain, though considered reasonable, and are subject to significant business, economic and competitive uncertainties and contingencies, all of which are difficult to predict. As a result, there can be no assurance that such projections will occur or be realized in the time frames anticipated. See "BONDOWNERS' RISKS" herein.

Residential Product Offerings

It is currently intended that D.R. Horton will be the sole homebuilder in the Series 2024 Assessment Area with homes anticipated to be offered under both its [D.R. Horton and Express Homes product lines]. Current estimated home sizing and pricing are provided below for those product types that are currently intended to be offered in the Series 2024 Assessment Area, which is subject to change.

Single-family 35' (<i>Express Homes</i>)		
Single-family 52' (<i>D.R. Horton Homes</i>)		

Home Construction/Sales Activity

It is currently anticipated that D.R. Horton will construct [ten (10) model homes] along with an on-site sales center in the Series 2024 Assessment Area. Construction of the model homes along with the on-site sales center is anticipated to commence in the [_____] quarter of 202[_] with completion thereof anticipated by the [_____] quarter of 202[_]. Home sales and home construction activities are anticipated to commence in the [_____] quarter of 202[_] with home closings anticipated to commence in the [_____] quarter of 202[_].

Recreational Amenities

The Series 2024 Assessment Area is planned to include recreational facilities to serve the residents therein. Such recreational facilities are planned to include a clubhouse, pool, spa, pickle ball courts and a tennis court. Construction of the recreational facilities is scheduled to commence in the second quarter of 2024 with scheduled completion within the third quarter of 2025. The estimated cost for such recreational facilities is approximately \$4 million, which will be funded by the Developer. Upon completion, it is anticipated that the recreational facilities will be conveyed to the homeowner's association established for the Development.

Schools

Based upon current school districting, school children residing in the Series 2024 Assessment Area will attend Glenallen Elementary School, Heron Creek Middle School and North Port High School, each located approximately five (5) miles from the Series 2024 Assessment Area, and which received ratings of "C," "B," and "B," respectively, from the Florida Department of Education for 2023. However, future capacity limitations or redistricting could result in a change to which schools children residing in the Series 2024 Assessment Area would attend.

Marketing

As stated herein, it is currently anticipated that D.R. Horton will be the sole homebuilder in the Series 2024 Assessment Area. It is anticipated that D.R. Horton will incorporate the marketing efforts for home sales in the Series 2024 Assessment Area into

its overall local, regional, and state marketing program, which may include, without limitation, internet, social media, realtor functions, print and radio ads.

Fees and Assessments

Each property owner in the Series 2024 Assessment Area will pay annual taxes, assessments, and fees on an ongoing basis as a result of his/her ownership of property within the District, including ad valorem property taxes, the Series 2024 Assessments levied by the District in connection with Series 2024 Bonds, homeowner's association fees, and administrative, operation and maintenance assessments levied by the District, each as described in more detail below.

Property Taxes. The current millage rate for the area in which the District is located is 14.7924. Assuming a home with a taxable value of \$350,000, the annual property tax would be approximately \$5,177.

Homeowner's Association Fees. All homeowners will be subject to annual master homeowner's association ("HOA") fees for architectural review, deed restriction enforcement and maintenance of certain homeowner facilities and HOA-owned facilities. The monthly HOA fee for single-family homes in the Series 2024 Assessment Area is currently estimated at \$148 for 35' wide lots and \$157 for 52' wide lots.

District Special Assessments. Property owners in the Series 2024 Assessment Area will be subject to the Series 2024 Assessments levied in connection with the Series 2024 Bonds. In addition, all property owners in the Series 2024 Assessment Area will be subject to annual operation and maintenance assessments ("O&M Assessments") levied by the District which are derived from the District's annual budget and are subject to change each year. The table below illustrates the aforementioned estimated annual assessments that will be levied in the Series 2024 Assessment Area by the District for each respective product type.

<u>Product Type</u>	<u>Units</u>	<u>Series 2024 Bonds Gross Annual Debt Service Per Unit*</u>	<u>O&M Assessment Per Unit at Build Out</u>
Single-family 35'	272	\$1,191	\$ 833
Single-family 52'	228	1,770	1,309
	500		

* Includes gross-up of 4% for early payment and 2% for collection fees imposed by the County.

Competition

The Developer expects that competition for the homes to be built in the Series 2024 Assessment Area will primarily come from communities within its sub-market, which include the Isles at Westport (*West Port CDD*) to the east as well as the primary home communities in Wellen Park (*West Villages Improvement District*) to the west.

This section does not purport to summarize all of the existing or planned communities in the area of the Development, but rather to provide a description of those that the Developer feels pose primary competition to the homes to be constructed in the Series 2024 Assessment Area.

THE DEVELOPER

The landowner and developer of the Development is Sabal Trace Development Partners, LLC, a Florida limited liability company (as previously defined, the "Developer"). The Developer is a special purpose entity whose primary asset is its interests in the lands comprising the Development. The members of the Developer are GNP Development Partners, L.L.C. BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds secured by special assessments issued by a public authority or governmental body in the State. Certain of these risks are described in the section above entitled "ENFORCEMENT OF ASSESSMENT COLLECTIONS." However, certain additional risks are associated with the Series 2024 Bonds offered hereby. This section does not purport to summarize all risks that may be associated with purchasing or owning the Series 2024 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum including all appendices hereto in its entirety to identify investment considerations relating to the Series 2024 Bonds.

Limited Pledge

The principal security for the payment of Debt Service on the Series 2024 Bonds is the timely collection of the Series 2024 Assessments. The Series 2024 Assessments do not constitute a personal indebtedness of the owners of the land subject thereto but are secured by a lien on such land. There is no assurance that the Developer or any subsequent landowner will be able to pay the Series 2024 Assessments or that they will pay such Series 2024 Assessments even though financially able to do so. Neither the Developer nor any subsequent landowner is a guarantor of payment of any Series 2024 Assessment and the recourse for the failure of the Developer or any subsequent landowner to pay the Series 2024 Assessments is limited to the collection proceedings against the land. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein. The District has not granted, and may not grant under State law, a mortgage or security interest in the Series 2024 Project. Furthermore, the District has not pledged the revenues, if any, from the operation of the Series 2024 Project as security for, or a source of payment of, the Series 2024 Bonds. The Series 2024 Bonds are payable from, and secured solely by, the Series 2024 Trust Estate, including the Series 2024 Assessments. The failure of the Developer or any subsequent landowner to pay the required Series 2024 Assessment on its property will not result in an increase in the amount of Series 2024 Assessments other landowners are or would be required to pay.

Concentration of Land Ownership and Bankruptcy Risks

Until assessable properties within the Series 2024 Assessment Area are sold to end users, payment of the Series 2024 Assessments is substantially dependent upon their timely payment by the Developer. In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other subsequent significant owner of property subject to the Series 2024 Assessments, delays and impairment could occur in the payment of Debt Service on the Series 2024 Bonds as such bankruptcy could negatively impact the ability of (a) the Developer or any other landowner being able to pay the Series 2024 Assessments, (b) the County to sell tax certificates in relation to such property with respect to the Series 2024 Assessments being collected pursuant to the Uniform Method, and (c) the District's ability to enforce collection with respect to the Series 2024 Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2024 Bonds, the Trustee and the District upon an Event of Default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing

constitutional and statutory law and judicial decisions, including during a bankruptcy of the Developer or any other landowner, the remedies specified by federal, State and local law and in the Indenture and the Series 2024 Bonds, including, without limitation, enforcement of the obligation to pay Series 2024 Assessments and the ability of the District to foreclose the lien of the Series 2024 Assessments, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce available remedies respecting the Series 2024 Bonds could have a material adverse impact on the interest of the Owners thereof.

Delay and Discretion Regarding Remedies

Beyond legal delays that could result from bankruptcy, the ability of the County to sell tax certificates in regard to delinquent Series 2024 Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates and which may be subject to sale at the demand of the certificate holder after two (2) years. Similarly, the ability of the District to enforce collection of delinquent Series 2024 Assessments collected directly by the District will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the Series 2024 Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale. If the District should commence a foreclosure action against a landowner for nonpayment of Series 2024 Assessments which are not being collected pursuant to the Uniform Method and that are delinquent, such landowners may raise affirmative defenses to such foreclosure action, which although such affirmative defenses would likely be proven to be without merit, could result in delays in completing the foreclosure action.

Limitation on Funds Available to Exercise Remedies

In the event of a default by a landowner in payment of Series 2024 Assessments that are not collected pursuant to the Uniform Method, the District is required under the Indenture to fund the costs of foreclosure of such delinquent Series 2024 Assessments. It is possible that the District will not have sufficient funds and will be compelled to request the Owners of the Series 2024 Bonds to allow funds on deposit under the Indenture to be used to pay such costs. Under the Internal Revenue Code of 1986, as amended (the "Code"), there are limitations on the amount of Series 2024 Bond proceeds that can be used for such purpose. As a result, there may be insufficient funds for the exercise of remedies.

Determination of Land Value upon Default

The assessment of the benefits to be received by the benefited land within the Series 2024 Assessment Area as a result of implementation and development of the Series 2024 Project is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. In other words, the value of the land could potentially be ultimately less than the debt secured by the Series 2024

Assessments associated with it. To the extent that the realizable or market value of the land benefited by the Series 2024 Project is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land, or the District to realize sufficient value from a foreclosure action, may be adversely affected. Such adverse effect could render the District unable to collect delinquent Series 2024 Assessments, if any, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of Debt Service on the Series 2024 Bonds.

Landowner Challenge of Assessed Valuation

Under State law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2024 Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2024 Assessment, even though the landowner is not contesting the amount of the Series 2024 Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least seventy-five percent (75%) of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification, or a determination that their improvements were substantially complete, must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Failure to Comply with Assessment Proceedings

The District is required to comply with statutory procedures in levying the Series 2024 Assessments. Failure of the District to follow these procedures could result in the Series 2024 Assessments not being levied or potential future challenges to such levy.

Other Taxes and Assessments

The willingness and/or ability of a landowner within the Series 2024 Assessment Area to pay the Series 2024 Assessments could be affected by the existence of other taxes and assessments imposed upon the property. Public entities whose boundaries overlap those of the District, such as the City, the County, the Sarasota County School District and other special districts could, without the consent of the owners of the land within the Series 2024 Assessment Area, impose additional taxes or assessments on the property within the Series 2024 Assessment Area. County, municipal, school and special district taxes and assessments, including the Series 2024 Assessments, and any additional voter-approved ad valorem taxes, are payable at the same time when collected pursuant to the Uniform Method, except for partial payment schedules as may be provided by Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment, such taxpayer cannot designate specific line items on the tax bill as deemed paid in full. Therefore, any failure by a landowner to pay any one line item, whether or not it is

the Series 2024 Assessments, would result in such landowner's Series 2024 Assessments to not be fully collected, which could have a significant adverse impact on the District's ability to make full or punctual payment of Debt Service on the Series 2024 Bonds.

As referenced herein, the Series 2024 Assessments are levied on lands within the Series 2024 Assessment Area that are also subject to O&M Assessments and HOA fees. See "THE DEVELOPMENT – Fees and Assessments" herein.

Limited Secondary Market

The Series 2024 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2024 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2024 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2024 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2024 Bonds, depending on the progress of the Series 2024 Assessment Area, existing market conditions and other factors.

Inadequacy of Series 2024 Reserve Account

Some of the risk factors described herein, if materialized, could result in a delay in the collection of the Series 2024 Assessments or a failure to collect the Series 2024 Assessments, but may not affect the timely payment of Debt Service on the Series 2024 Bonds because of the Series 2024 Reserve Account established by the District for the Series 2024 Bonds. However, the ability of the District to fund deficiencies caused by delinquent or delayed Series 2024 Assessments is dependent upon the amount, duration and frequency of such deficiencies or delays. If the District has difficulty in collecting the Series 2024 Assessments, the Series 2024 Reserve Account could be rapidly depleted and the ability of the District to pay Debt Service on the Series 2024 Bonds could be materially adversely affected. Owners should note that although the Indenture contains the Series 2024 Reserve Account Requirement for the Series 2024 Reserve Account, and a corresponding obligation on the part of the District to replenish the Series 2024 Reserve Account to the Series 2024 Reserve Account Requirement, the District does not have a designated revenue source for replenishing the Series 2024 Reserve Account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2024 Assessments in order to provide for the replenishment of the Series 2024 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – No Parity Bonds; Limitation on Parity Assessments" herein.

Moneys on deposit in the Series 2024 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys available in the Series 2024 Reserve Account to make up deficiencies or delays in collection of Series 2024 Assessments.

Regulatory and Environmental Risks

The Series 2024 Assessment Area is subject to comprehensive federal, State and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of

planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the Series 2024 Assessment Area. See "THE DEVELOPMENT –Zoning/Permitting/Environmental" herein.

The value of the land within the Series 2024 Assessment Area, the ability to complete the Series 2024 Project or develop the Series 2024 Assessment Area, and the likelihood of timely payment of Debt Service on the Series 2024 Bonds could be affected by environmental factors with respect to the lands in the Series 2024 Assessment Area, such as contamination by hazardous materials. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the Series 2024 Assessment Area or from surrounding property, and what effect such may have on the development of the lands within the Series 2024 Assessment Area. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the Series 2024 Assessment Area. See "THE DEVELOPMENT – Zoning/Permitting/Environmental" herein.

Economic Conditions

The proposed Development may be affected by changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer or the District. Although the Development is anticipated to be developed as described herein, there can be no assurance that such development will occur or be realized in the manner or schedule currently anticipated.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurance can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of Debt Service on the Series 2024 Bonds.

Infectious Viruses and/or Diseases

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the timely and successful completion of the Development, and the construction and sale to purchasers of residential and/or commercial units therein. Such impacts could include delays in

obtaining development approvals, construction delays, supply chain delays, or increased costs.

Damage to District from Natural Disasters

The value of the lands subject to the Series 2024 Assessments could be adversely affected by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the lands within the District unable to support the construction of the Series 2024 Project or the CIP. The occurrence of any such events could materially adversely affect the District's ability to collect Series 2024 Assessments and pay Debt Service on the Series 2024 Bonds. The Series 2024 Bonds are not insured and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Change in Development Plans

The Developer has the right to modify or change plans for development of certain property within the District, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with, and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Completion of CIP

The Series 2024 Bond proceeds will not be sufficient to finance the completion of the CIP. The portions of the CIP not funded with proceeds of the Series 2024 Bonds are expected to be funded with contributions from the Developer or a future Series of Bonds. There is no assurance that the Developer will be able to pay for the cost of any of these improvements. Upon issuance of the Series 2024 Bonds, the Developer will enter into the Completion Agreement with respect to any portions of the CIP not funded with the proceeds of the Series 2024 Bonds or a future Series of Bonds. Such obligation of the Developer is an unsecured obligation. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Completion Agreement" and "THE CAPITAL IMPROVEMENT PROGRAM AND THE SERIES 2024 PROJECT" herein.

Undeveloped or partially developed land is inherently less valuable than developed land and provides less security to the Owners of the Series 2024 Bonds should it be necessary to institute proceedings due to the nonpayment of the Series 2024 Assessments. Failure to complete or substantial delays in the completion of the Series 2024 Project or the CIP due to litigation or other causes may reduce the value of the lands in the Series 2024 Assessment Area and increase the length of time during which Series 2024 Assessments will be payable from undeveloped property and may affect the willingness and ability of the landowners to pay the Series 2024 Assessments when due and likewise the ability of the District to make full or punctual payment of Debt Service on the Series 2024 Bonds.

District May Not be Able to Obtain Permits

In connection with a foreclosure of lien of assessments prior to completion of a development, the Circuit Court in and for Lake County, Florida concluded that a community development district had no right, title or interest in any permits and approvals owned by the owner of the parcels so foreclosed. As discussed herein, the District and the Developer will enter into the Collateral Assignment upon issuance of the Series 2024 Bonds in which the Developer collaterally assigns to the District certain of its Development and Contract Rights relating to the Series 2024 Project. Notwithstanding the foregoing, in the event that the District forecloses on the property subject to the lien of the Series 2024 Assessments to enforce payment thereof, the District may not have the right, title or interest in the permits and approvals owned by the Developer and failure to obtain any such permits or approvals in a timely manner could delay or adversely affect the completion of the Series 2024 Assessment Area. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Agreement for Assignment of Development Rights" herein.

Interest Rate Risk; No Rate Adjustment for Taxability

The interest rates borne by the Series 2024 Bonds are, in general, higher than interest rates borne by other bonds of political subdivisions that do not involve the same degree of risk as investment in the Series 2024 Bonds. These higher interest rates are intended to compensate investors in the Series 2024 Bonds for the risk inherent in the purchase of the Series 2024 Bonds. However, such higher interest rates, in and of themselves, increase the amount of Series 2024 Assessments that the District must levy in order to provide for payment of Debt Service on the Series 2024 Bonds and, in turn, may increase the burden of landowners within the Series 2024 Assessment Area, thereby possibly increasing the likelihood of non-payment or delinquency in payment of such Series 2024 Assessments.

The Indenture does not contain an adjustment of the interest rates on the Series 2024 Bonds in the event of a determination of taxability of the interest thereon. Such a change could occur as a result of the District's failure to comply with tax covenants contained in the Indenture or the Tax Certificate executed by the District upon issuance of the Series 2024 Bonds or due to a change in the United States income tax laws. Should interest on the Series 2024 Bonds become includable in gross income for federal income tax purposes, Owners of the Series 2024 Bonds will be required to pay income taxes on the interest received on such Series 2024 Bonds and related penalties. Because the interest rates on such Series 2024 Bonds will not be adequate to compensate Owners of the Series 2024 Bonds for the income taxes due on such interest, the value of the Series 2024 Bonds may decline. Prospective purchasers of the Series 2024 Bonds should evaluate whether they can own the Series 2024 Bonds in the event that the interest on the Series 2024 Bonds becomes taxable and/or the District is ever determined to not be a political subdivision for purposes of the Code and/or Securities Act.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In

2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this paragraph, the "Audited Bonds") issued by Village Center Community Development District ("Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local governmental body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements was closed without change to the tax-exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to Village Center CDD.

On February 23, 2016, the IRS issued a notice of proposed rulemaking containing proposed regulations (the "Proposed Regulations") that provided guidance as to the definition of a political subdivision for purposes of the rules for tax-exempt bonds. However, on July 24, 2017, in response to Executive Order 13789 issued by President Trump, the Secretary of the Treasury (the "Secretary") identified the Proposed Regulations among a list of eight regulations that (a) impose an undue financial burden on U.S. taxpayers, (b) add undue complexity to the federal tax laws, or (c) exceed the statutory authority of the IRS. On October 2, 2017, in his Second Report to the President on Identifying and Reducing Tax Regulatory Burdens, the Secretary reported that the Treasury Department and the IRS believed that the Proposed Regulations should be withdrawn in their entirety, and the Treasury Department and the IRS withdrew the Proposed Regulations on October 20, 2017. The Secretary further provided that the Treasury Department and the IRS would continue to study the legal issues relating to political subdivisions and may propose more targeted guidance in the future. Because the Proposed Regulations have been withdrawn, it is not possible to determine the extent to which all or a portion of the discussion herein regarding the Village Center CDD and the TAMs may continue to be applicable in the absence of further guidance from the IRS.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by applicable State law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six (6) years or when there are 250 qualified electors in the District. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all members of the Board were elected by the landowners in the District and none were elected by qualified electors. Although it is impossible to predict whether the IRS will select the Series 2024 Bonds for audit, the District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2024 Bonds are advised that, if the IRS does audit the Series 2024 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2024 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2024 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds would adversely affect the availability of any secondary market for the Series 2024 Bonds. Should interest on the Series 2024 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2024 Bonds be required to pay income taxes on the interest received on such Series 2024 Bonds and related penalties, but because the interest rates on such Series 2024 Bonds will not be adequate to compensate Owners of the Series 2024 Bonds for the income taxes due on such interest, the value of the Series 2024 Bonds may decline. See also "TAX MATTERS" herein.

Legislative Proposals and State Tax Reform

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2024 Bonds. In some cases, these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal tax consequences may have affected the market value of obligations similar to the Series 2024 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2024 Bonds and their market value. No assurance can be given that legislative proposals will not be enacted that would apply to, or have an adverse effect upon, the Series 2024 Bonds. For example, in connection with federal deficit reduction, job creation and tax law reform efforts, proposals have been made and others are likely to be made that could significantly reduce the benefit of, or otherwise affect, the exclusion from gross income of interest on obligations like the Series 2024 Bonds. There can be no assurance that any such legislation or proposal will be enacted and, if enacted, what form it

may take. The introduction or enactment of any such legislative proposals may affect, perhaps significantly, the market price for or marketability of the Series 2024 Bonds.

It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming State legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2024 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "the state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the assessments and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders." See "AGREEMENT BY THE STATE" herein.

Loss of Exemption from Securities Registration

Since the Series 2024 Bonds have not been, and will not be, registered under the Securities Act or any state securities laws, pursuant to the exemption for political subdivisions, and regardless of any potential IRS determination that the District is not a political subdivision for purposes of the Code, it is possible that federal or state regulatory authorities could independently determine that the District is not a political subdivision for purposes of federal and state securities laws. Accordingly, the District and purchasers of the Series 2024 Bonds may not be able to rely on the exemption from registration relating to securities issued by political subdivisions. In that event, Owners of the Series 2024 Bonds would need to ensure that subsequent transfers of the Series 2024 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

Prepayment and Redemption Risk

The Series 2024 Bonds are subject to extraordinary mandatory redemption as a result of Prepayments of the Series 2024 Assessments by the Developer or subsequent owners of property within the Series 2024 Assessment Area. Any such redemptions of the Series 2024 Bonds would be at the principal amount of such Series 2024 Bonds being redeemed plus accrued interest to the date of redemption. In such event, Owners of the Series 2024 Bonds may not realize their anticipated rate of return on the Series 2024 Bonds and Owners of any Premium Bonds (hereinafter defined) may receive less than the price they paid for the Series 2024 Bonds. See "DESCRIPTION OF THE SERIES 2024 BONDS – Redemption Provisions" herein.

Performance of District Professionals

The District has represented to the Underwriter that it has selected its District Manager, District Counsel, Consulting Engineer, Assessment Consultant, Trustee and other professionals with the appropriate due diligence and care. While the foregoing professionals have each represented that they have the requisite experience to

accurately and timely perform the duties assigned to them in such roles, the District does not guarantee the performance of such professionals.

Existing Mortgage and Mortgagee Acknowledgement

As further described under "THE DEVELOPMENT – Land Acquisition/Development Financing" there is an existing mortgage (as previously defined, the "Mortgage") that burdens the lands in the District owned by the Developer in favor of Fields-Realty, LLC, a Florida limited liability company (as previously defined, the "Mortgagee"). Although the Series 2024 Assessments are considered to be superior to the lien of a conventional mortgage by operation of law, it is not unusual for mortgagees to raise defenses during a foreclosure action to protect their security interests, and similarly situated mortgagees have, in fact, raised defenses in the past in the context of a community development district foreclosing on a delinquent assessment lien (the "Mortgagee Defenses"). Such Mortgagee Defenses could affect the timing and/or outcome of an action by the District to foreclose on delinquent Series 2024 Assessments. In addition, the Mortgagee may have certain intangible rights assigned to it under the terms of the Development Loan, which are superior to such intangible rights that might otherwise be assigned to the District under the terms of the Collateral Assignment. Upon issuance of the Series 2024 Bonds, the District, the Developer and the Mortgagee will enter into a "Tri-Party Agreement Relating to Acknowledgment of Jurisdiction, Imposition of Special Assessments, and Acknowledgment of Subordination" pursuant to which the Mortgagee will acknowledge that the lien of the Series 2024 Assessments is superior to the lien of the Mortgage.

No Rating or Credit Enhancement

No application for a rating or credit enhancement on the Series 2024 Bonds has been made, nor is there any reason to believe that the District would have been successful in obtaining either for the Series 2024 Bonds had application been made.

Mortgage Default and FDIC

In the event a bank forecloses on property in the Series 2024 Assessment Area because of a default on a mortgage with respect thereto and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2024 Assessments. In addition, the District would be required to obtain the consent of the FDIC prior to commencing a foreclosure action on such property for failure to pay Series 2024 Assessments.

TAX MATTERS

General

The Code establishes certain requirements which must be met subsequent to the issuance of the Series 2024 Bonds in order that interest on the Series 2024 Bonds be and remain excluded from gross income for purposes of federal income taxation. Non-compliance may cause interest on the Series 2024 Bonds to be included in federal gross income retroactive to the date of issuance of the Series 2024 Bonds, regardless of the date on which such non-compliance occurs or is ascertained. These requirements include, but are not limited to, provisions which prescribe yield and other limits within which the proceeds of the Series 2024 Bonds and the other amounts are to be invested and require that certain investment earnings on the foregoing must be rebated on a periodic basis to the Treasury Department of the United States. The District has covenanted in the Indenture with respect to the Series 2024 Bonds to comply with such requirements in order to maintain the exclusion from federal gross income of the interest on the Series 2024 Bonds.

In the opinion of Bond Counsel, assuming compliance with certain covenants, under existing laws, regulations, judicial decisions and rulings, interest on the Series 2024 Bonds is excluded from gross income for purposes of federal income taxation. Interest on the Series 2024 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax; however interest on the Series 2024 Bonds may be included in the "adjusted financial statement income" of certain "applicable corporations" that are subject to the 15-percent alternative minimum tax under Section 55 of the Code.

Except as described above, Bond Counsel will express no opinion regarding other federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should be aware that the ownership of the Series 2024 Bonds may result in collateral federal income tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2024 Bonds; (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by fifteen percent (15%) of certain items, including interest on the Series 2024 Bonds; (iii) the inclusion of interest on the Series 2024 Bonds in earnings of certain foreign corporations doing business in the United States for purposes of the branch profits tax; (iv) the inclusion of interest on the Series 2024 Bonds in passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year; and (v) the inclusion of interest on the Series 2024 Bonds in "modified adjusted gross income" by recipients of certain Social Security and Railroad Retirement benefits for the purposes of determining whether such benefits are included in gross income for federal income tax purposes.

As to questions of fact material to the opinion of Bond Counsel, Bond Counsel will rely upon representations and covenants made on behalf of the District, certificates of appropriate officers and certificates of public officials (including certifications as to the use of proceeds of the Series 2024 Bonds and of the property financed or refinanced thereby), without undertaking to verify the same by independent investigation.

PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE SERIES 2024 BONDS AND THE RECEIPT OR ACCRUAL OF THE INTEREST THEREON MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL AND CORPORATE BONDOWNERS, INCLUDING, BUT NOT LIMITED TO, THE CONSEQUENCES DESCRIBED ABOVE. PROSPECTIVE BONDOWNERS SHOULD CONSULT WITH THEIR TAX SPECIALISTS FOR INFORMATION IN THAT REGARD.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2024 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2024 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of the Series 2024 Bonds, under certain circumstances, to "backup withholding" at the rate specified in the Code with respect to payments on the Series 2024 Bonds and proceeds from the sale of the Series 2024 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of the Series 2024 Bonds. This withholding generally applies if the owner of the Series 2024 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2024 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

Other Tax Matters Relating to the Series 2024 Bonds

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2024 Bonds. In some cases, these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal tax consequences may have affected the market value of obligations similar to the Series 2024 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2024 Bonds and their market value. No assurance can be given that legislative proposals will not be enacted that would apply to, or have an adverse effect upon, the Series 2024 Bonds.

Prospective purchasers of the Series 2024 Bonds should consult their own tax advisors as to the tax consequences of owning the Series 2024 Bonds in their particular state or local jurisdiction and regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

On February 22, 2016, the Internal Revenue Service (the "IRS") issued a notice of proposed rulemaking containing proposed regulations (the "Proposed Regulations") that

provide guidance as to the definition of a political subdivision for purposes of the rules for tax-exempt bonds. If adopted, the Proposed Regulations would have affected certain State and local governments that issue tax-exempt bonds, including community development districts such as the District. However, on July 24, 2017, in response to Executive Order 13789 issued by President Trump (the "Executive Order"), the Secretary of the Treasury (the "Secretary") identified the Proposed Regulations among a list of eight regulations that (i) impose an undue financial burden on U.S. taxpayers, (ii) add undue complexity to the federal tax laws, or (iii) exceed the statutory authority of the IRS. On October 2, 2017, in his Second Report to the President on Identifying and Reducing Tax Regulatory Burdens, the Secretary reported that Treasury and the IRS believe that the Proposed Regulations should be withdrawn in their entirety, and the Treasury Department and the IRS withdrew the Proposed Regulations on October 20, 2017. The Secretary further provided that Treasury and the IRS will continue to study the legal issues relating to political subdivisions and may propose more targeted guidance in the future.

Because the Proposed Regulations have been withdrawn, it is not possible to determine the extent to which all or a portion of the discussion herein regarding the Villages and the Villages TAM (each as defined below) may continue to be applicable in the absence of further guidance from the IRS. Bond Counsel will render its opinion regarding the exclusion from gross income of interest on the Series 2024 Bonds as described below.

On May 30, 2013, the IRS delivered to Village Center CDD, a Florida special district established under Chapter 190, Florida Statutes, a private ruling, called a technical advice memorandum (the "Villages TAM"), in connection with the examination by the IRS of bonds issued by the Village Center CDD (the "Audited Bonds"). The Villages TAM concluded that, despite having certain eminent domain powers, the Village Center CDD is not a political subdivision permitted to issue tax-exempt bonds based on a number of facts including that its governing board is elected by a small group of landowners, and that it "was organized and operated to perpetuate private control and avoid indefinitely responsibility to a public electorate, either directly or through another elected state or local governmental body."

The Villages TAM, as a private, non-precedential, ruling, binds only the IRS and the Village Center CDD, and only in connection with the Audited Bonds. Moreover, the cited legal basis for the Villages TAM is extremely limited, and, therefore, the value of the Villages TAM as guidance is also limited. Nonetheless, the breadth and force of the language used in the Villages TAM may reflect the disfavor of the IRS toward governmental entities with governing boards elected by landowners, and this position may lead the enforcement branch of the IRS to select bonds of other issuers with landowner-controlled boards for examination.

In July 2016, the IRS closed the examination of the Audited Bonds with no change to their tax-exempt status. Although the audit was closed with no adverse impact on the Audited Bonds, the IRS's motivations and rationale for closing the examination are unknown. The Village Center CDD refunded the Audited Bonds with taxable bonds in 2014.

Like the board of the Village Center CDD, the Board of Supervisors of the District is necessarily elected by the landowners in the District since there are not yet enough qualified electors residing in the District to transition the Board of Supervisors to a

resident-elected Board of Supervisors. The Act, which contains the uniform statutory charter for all community development districts and by which the District is governed, delegates to the District certain traditional sovereign powers including, but not limited to, eminent domain, ad valorem taxation and regulatory authority over rates, fees and charges for district facilities. On the basis of the Act and certain representations by the District forming a part of the District's tax certificate as to its reasonable expectations of transition to a resident-elected Board of Supervisors, it does not appear from the facts and circumstances that the District was organized to avoid indefinitely responsibility to a public electorate. On the basis of the foregoing and other factors, Bond Counsel has concluded that under current law the District is a political subdivision for purposes of Section 103 of the Code, notwithstanding that its Board of Supervisors is temporarily elected by landowners. Bond counsel intends to deliver its unqualified approving opinion in the form attached hereto as "APPENDIX D – FORM OF OPINION OF BOND COUNSEL."

The release of the Villages TAM may cause an increased risk of examination of the Series 2024 Bonds. Owners of the Series 2024 Bonds are advised that if the IRS does audit the Series 2024 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the owners of the Series 2024 Bonds may have limited rights to participate in such procedure. The Indenture does not provide for any adjustment to the interest rates borne by the Series 2024 Bonds in the event of a change in the tax-exempt status of the Series 2024 Bonds. The commencement of an audit or an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds could adversely impact both liquidity and pricing of the Series 2024 Bonds in the secondary market.

Tax Treatment of Original Issue Discount

Under the Code, the difference between the maturity amount of the Series 2024 Bonds maturing on _____ 1, 20__ through and including _____ 1, 20__ (collectively, the "Discount Bonds"), and the initial offering price to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which price a substantial amount of the Discount Bonds of the same maturity and, if applicable, interest rate, was sold is "original issue discount." Original issue discount will accrue over the term of the Discount Bonds at a constant interest rate compounded periodically. A purchaser who acquires the Discount Bonds in the initial offering at a price equal to the initial offering price thereof to the public will be treated as receiving an amount of interest excludable from gross income for federal income tax purposes equal to the original issue discount accruing during the period he or she holds the Discount Bonds, and will increase his or her adjusted basis in the Discount Bonds by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or disposition of the Discount Bonds. The federal income tax consequences of the purchase, ownership and redemption, sale or other disposition of the Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those above. Bondowners of the Discount Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, redemption or other disposition of the Discount Bonds and with respect to the state and local tax consequences of owning and disposing of the Discount Bonds.

Tax Treatment of Bond Premium

The difference between the principal amount of the Series 2024 Bonds maturing on _____ (collectively, the "Premium Bonds"), and the initial offering price to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at which price a substantial amount of such Premium Bonds of the same maturity, and, if applicable, interest rate, was sold constitutes to an initial purchaser amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of each of the Premium Bonds, which ends on the earlier of the maturity or call date for each of the Premium Bonds which minimizes the yield on such Premium Bonds to the purchaser. For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation in the initial offering is required to decrease such purchaser's adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. Bondholders of the Premium Bonds are advised that they should consult with their own tax advisors with respect to the state and local tax consequences of owning such Premium Bonds.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975. The District has not previously issued any bonds or other indebtedness and the District is not and has not ever been in default as to principal and interest on its bonds or other debt obligations.

VALIDATION

The Series 2024 Bonds are a portion of the Bonds that were validated by a Final Judgment of the Circuit Court of the Twelfth Judicial Circuit of Florida, in and for Sarasota County, Florida, entered on June 15, 2020. The period during which an appeal can be taken has expired.

LITIGATION

Neither the creation, organization nor existence of the District, nor the title of the present members of the Board has been challenged.

From time to time, the District expects to experience routine litigation and claims incidental to the conduct of its affairs. In the opinion of District Counsel, there are no actions presently pending or threatened, the adverse outcome of which would have a material adverse effect on the availability of the Series 2024 Trust Estate or the ability of the District to pay the Series 2024 Bonds from the Series 2024 Trust Estate.

Developer

In connection with the issuance of the Series 2024 Bonds, the Developer will represent to the District that there is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of the Developer to complete the Development as described herein or materially and adversely affect the ability of the Developer to perform its obligations described in this Limited Offering Memorandum.

(c) The Developer and the Disclosure Representative of the Developer each represent and warrant that they will supply, in a timely fashion, any information reasonably requested by the Dissemination Agent that is necessary in order for the Dissemination Agent to carry out its duties under this Disclosure Agreement. The Developer acknowledges and agrees that the information to be collected and disseminated by the Dissemination Agent will be provided by the Developer, the Disclosure Representative of the Developer and others. The Dissemination Agent's duties do not include authorship or production of any materials, and the Dissemination Agent shall have no responsibility hereunder for the content of the information provided to it by the Developer, the Disclosure Representative of the Developer or others as thereafter disseminated by the Dissemination Agent.

(d) If the Developer sells, assigns or otherwise transfers ownership of real property in the Series 2024 Assessment Area subject to the Assessments to a third party, which will in turn be an Obligated Person for purposes of this Disclosure Agreement as a result thereof (a "**Transfer**"), the Developer hereby agrees to require such third party to assume the disclosure obligations of the Developer hereunder for so long as such third party is an Obligated Person hereunder, to the same extent as if such third party were a party to this Disclosure Agreement. The Developer involved in such Transfer shall promptly notify the District and the Dissemination Agent in writing of the Transfer. For purposes of

Sections 5, 6, 7 and 9 hereof, the term "**Developer**" shall be deemed to include each of the Developer and any third party that becomes an Obligated Person hereunder as a result of a Transfer. In the event that the Developer remains an Obligated Person hereunder following any Transfer, nothing herein shall be construed to relieve the Developer from its obligations hereunder.

6. Provision of Quarterly Reports.

(a) The Developer, so long as it is an Obligated Person for purposes of this Disclosure Agreement, shall provide a Quarterly Report to the Dissemination Agent no later than January 31 (for each calendar quarter ending December 31), April 30 (for each calendar quarter ending March 31), July 31 (for each calendar quarter ending June 30), and October 31 (for each calendar quarter ending September 30) after the end of each calendar quarter, commencing October 31, 2024, for the calendar quarter ending September 30, 2024; provided, however, that so long as the Developer is a reporting company, such dates shall be extended to the date of filing of its respective 10-K or 10-Q, if later, as the case may be (each, a "**Quarterly Filing Date**"). At such time as the Developer is no longer an Obligated Person, the Developer will no longer be obligated to prepare any Quarterly Report pursuant to this Disclosure Agreement. The Dissemination Agent shall immediately file the Quarterly Report upon receipt from the Developer with each Repository.

(b) If on the seventh (7th) calendar day prior to each Quarterly Filing Date the Dissemination Agent has not received a copy of the Quarterly Report due on such Quarterly Filing Date, the Dissemination Agent shall contact the Disclosure Representative of the Developer by telephone and in writing (which may be by e-mail) to remind the Developer of its undertaking to provide the Quarterly Report pursuant to Section 6(a) above. Upon such reminder, the Disclosure Representative of the Developer shall either (i) provide the Dissemination Agent with an electronic copy of the Quarterly Report in accordance with Section 6(a) above, or (ii) instruct the Dissemination Agent in writing that the Developer will not be able to file the Quarterly Report within the time required under this Disclosure Agreement and state the date by which such Quarterly Report will be provided. If the Dissemination Agent has not received a Quarterly Report that contains the information in Section 5 of this Disclosure Agreement by the Quarterly Filing Date, a Listed Event described in Section 7(a)(xv) shall have occurred and the District and the Developer hereby direct the Dissemination Agent to immediately send a notice to each Repository in electronic format as required by such Repository, no later than the following Business Day in substantially the form attached as Exhibit A hereto, with a copy to the District.

(c) The Dissemination Agent shall:

(i) determine prior to each Quarterly Filing Date the name, address and filing requirements of each Repository; and

(ii) promptly upon fulfilling its obligations under subsection (a) above, file a notice with the Developer and the District certifying that the Quarterly Report has been provided pursuant to this Disclosure Agreement, stating the date(s) it was provided and listing any Repository to which it was provided.

9. Termination of Disclosure Agreement. The District's obligations hereunder shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds, so long as there is no remaining liability of the District for payment of the Bonds, or if the Rule is repealed or no longer in effect. The Developer's obligations hereunder shall terminate at the earlier of the legal defeasance, prior redemption or payment in full of all of the Bonds, or at such time as the Developer is no longer an Obligated Person. If any such termination occurs prior to the final maturity of the Bonds, the District and/or the Developer shall give notice of such termination in the same manner as for a Listed Event under Section 7.

10. Dissemination Agent. The District will either serve as the Dissemination Agent or appoint one under this Disclosure Agreement. Upon termination of the Dissemination Agent's services as Dissemination Agent, whether by notice of the District or the Dissemination Agent, the District agrees to appoint a successor Dissemination Agent or, alternatively, agrees to assume all responsibilities of the Dissemination Agent under this Disclosure Agreement for the benefit of the Owners of the Bonds. If at any time there is not any other designated Dissemination Agent, the District shall be deemed to be the Dissemination Agent. Notwithstanding any replacement or appointment of a successor, the District shall remain liable until payment in full for any and all sums owed and payable to the Dissemination Agent hereunder. The initial Dissemination Agent shall be Special District Services, Inc. The acceptance of such designation is evidenced by the execution of this Disclosure Agreement by a duly authorized signatory of Special District Services, Inc. Special District Services, Inc., may terminate its role as Dissemination Agent at any time upon delivery of written notice to the District and the Developer. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the District or the Developer pursuant to this Disclosure Agreement.

11. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the District, the Developer and the Dissemination Agent (if the Dissemination Agent is not the District) may amend this Disclosure Agreement, and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

- (a) if the amendment or waiver relates to the provisions of Sections 3(a), 4, 5(a), 6 or 7, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the District and/or the Developer, or the type of business conducted;

- (b) the Disclosure Agreement, as amended or taking into account such waiver, would, in the opinion of counsel expert in federal securities laws, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

opinion of nationally recognized bond counsel, materially impair the interests of the holders or Beneficial Owners of the Bonds.

Notwithstanding the foregoing, the District, the Developer and the Dissemination Agent shall have the right to adopt amendments to this Disclosure Agreement necessary to comply with modifications to and interpretations of the provisions of the Rule as announced by the SEC from time to time without any other conditions.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the District and/or the Developer shall describe such amendment in its next Annual Report or Quarterly Report, as applicable, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change in accounting principles, on the presentation) of financial information or operating data being presented by the District or the Developer, as applicable. In addition, if the amendment relates to the accounting principles to be followed by the District in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 7(a), and (ii) the Annual Report or Audited Financial Statements, as applicable, for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

12. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the District or the Developer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report, Quarterly Report, or notice of occurrence of a Listed Event in addition to that which is required by this Disclosure Agreement. If the District or the Developer chooses to include any information in any Annual Report, Quarterly Report, or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the District or the Developer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report, Quarterly Report, or notice of occurrence of a Listed Event.

13. Default. In the event of a failure of the District, an Obligated Person, a Disclosure Representative, or the Dissemination Agent to comply with any provision of this Disclosure Agreement, the Trustee may (and, at the request of the Participating Underwriter or the Beneficial Owners of more than fifty percent (50%) aggregate principal amount of Outstanding Bonds and receipt of indemnity satisfactory to the Trustee, shall) or any Beneficial Owner of a Bond may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District, an Obligated Person, a Disclosure Representative, or the Dissemination Agent, as the case may be, to comply with its obligations under this Disclosure Agreement. No default hereunder shall be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Agreement in the event of any failure of the District, an Obligated Person, a Disclosure Representative, or the Dissemination Agent, to comply with this Disclosure Agreement shall be an action to compel performance.

14. Duties of Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement. The Dissemination

Agent shall have no obligation to notify any other party hereto of an event that may constitute a Listed Event. Any filings under this Disclosure Agreement made to the MSRB through EMMA shall be in an EMMA compliant format. Anything herein to the contrary notwithstanding, in the event that a Disclosure Representative and the Dissemination Agent are the same party, such party's limited duties in their capacity as Dissemination Agent, as described hereinabove, shall not in any way relieve or limit such party's duties in their capacity as Disclosure Representative under this Disclosure Agreement.

15. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the District, the Developer, the Dissemination Agent, the Trustee, the Participating Underwriter and Beneficial Owners of the Bonds (the Trustee, the Participating Underwriter and Beneficial Owners of the Bonds being hereby deemed express third-party beneficiaries of this Disclosure Agreement) and shall create no rights in any other person or entity.

16. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

17. Governing Law. This Disclosure Agreement shall be governed by the laws of the State and federal law.

18. Trustee Cooperation. The District represents that the Dissemination Agent is a bona fide agent of the District and directs the Trustee to deliver to the Dissemination Agent, at the expense of the District, any information or reports it requests that the District has a right to request from the Trustee (inclusive of balances, payments, etc.) that are in the possession of and readily available to the Trustee.

19. Binding Effect. This Disclosure Agreement shall be binding upon each party to this Disclosure Agreement and upon each successor and assignee of each party to this Disclosure Agreement and shall inure to the benefit of, and be enforceable by, each party to this Disclosure Agreement and each successor and assignee of each party to this Disclosure Agreement. Notwithstanding the foregoing, as to the Developer or any assignee or successor thereto that becomes an Obligated Person pursuant to the terms of this Disclosure Agreement, only successors or assignees to such parties who are, by definition, Obligated Persons, shall be bound or benefited by this Disclosure Agreement.

20. Undertakings. The Developer represents that it has instituted internal processes to provide information to the Dissemination Agent on a timely basis and obtained assurances from the Dissemination Agent that they will in turn request the required reporting information timely and file such information timely with the appropriate Repository.
